- K. To adopt, revise and enforce working rules and regulations, provided such rules and regulations are reasonable. Any revision or addition of new rules and regulations must be reviewed by the Union prior to their issuance.

ARTICLE 3 UNION REPRESENTATION

Section 1. Bargaining Committee. The Employer recognizes a Bargaining Committee not to exceed one (1) employee plus one representative who is not an employee or such members as may be equal to the Bargaining Committee of the Employer. Each party shall furnish to the other a written list of the members of the Bargaining Committee. The Bargaining Committee shall represent the Union in meetings with the Employer for the purpose of collective bargaining.

Section 2. Time Off. In the event it is necessary for the Steward, or in his absence the alternate, to act upon a grievance or other Union business during working hours and such grievance or business would not interfere with the regular duties, a request shall be made to the Director of Police and Fire Services prior thereto, who shall not unreasonably withhold the granting of such request. The Employer shall pay the Bargaining Committee members the regular rate of pay for time spent during regular working hours involving grievances and collective bargaining in accordance with the provisions of this Contract. The outside representative of the Union shall have reasonable access to the police station at all hours.

Section 3. Leave for Union Business. A total of five (5) person days (example: 1 employee 5 days;

5 employees 1 day each) (scheduled work days) with pay per contract year may be used by union members to attend any union convention, labor seminar, or conference that is authorized by the POLC provided such leaves are requested at least thirty (30) days in advance.

The Employer will allow members to be absent for such purposes provided the absence does not exceed the number of employees authorized for vacation and floating holidays; however, excluding this restriction, up to two (2) union members may attend the annual POLC conference. The Employer agrees to allow union members to use floating days or vacation time in order to attend the conference.

ARTICLE 4 UNION SECURITY

Section 1. Contracts and Rights of Employees. A copy of this Contract shall be given to all new employees entering the bargaining unit. Such employees shall have their attention called to the fact that the Union has been recognized as the exclusive bargaining representative for all employees in the bargaining unit, and may engage in lawful concerted activities for the purpose of collective bargaining.

Section 2. Union Membership. The Union recognizes that it is required to represent all employees in the bargaining unit, therefore, employees covered by this Contract shall be required, as a condition of continued employment, to pay to the Union a representation fee.

Section 3. The "representation fee," as used herein, is that amount of money which is determined from time to time and which is uniformly levied on all bargaining unit employees.

Section 4. Employees shall be deemed to be in compliance with this Article if they are not more than thirty (30) days in arrears for payment of the representation fee.

Section 5. Indemnification. The Union shall defend, indemnify and save the Employer harmless against any and all claims, demands, suits or other forms of liability arising out of this Article and Article 5.

Section 6. Refunds to Employer. Upon presentation of proper evidence thereof, the Union shall refund to the Employer any amounts paid to it in error because of the check off provision.

Section 7. Definitions - City Manager and Director of Police and Fire Services. At any time the words "Director of Police and Fire Services" or "City Manager" are used in this Contract, they shall also mean such persons designated by the Director of Police and Fire Services or City Manager. Whenever any member of the Union or any Committee is stated, it shall also mean "or such persons designated".

ARTICLE 5 CHECKOFF

Section 5. Disputes. If a dispute arises as to whether an employee has properly executed or properly revoked a written Checkoff Authorization Form, no further deductions shall be made until the matter is resolved.

Section 6. Employee Names. The Employer will make available to the Union the names of all employees separated from the payroll, recalled or rehired, on layoff or on leave of absence.

Section 7. Payment to Union. The foregoing deductions shall be made biweekly. The amounts deducted and a list of the employees from whose wage deductions have been made shall be sent to the Union within a reasonable time thereafter.

ARTICLE 6 GRIEVANCE PROCEDURE

Section 1. Definition. The term "grievance" shall mean any dispute between the Employer and the Union or between the Employer and any employee or employees arising out of the interpretation, application or administration of a specific Article or Section of this Contract or any rule or regulation subject to Article 2, Section 1(11). Each grievance shall set forth the facts pertaining to the alleged violation and any pertinent Section of this Contract or any rule or regulation which is deemed violated.

Section 2. Grievance Steps. Grievances shall be processed in the following manner:

- A. Step 1. The aggrieved employee or the Steward, if the grievance involves a group of employees or the Association, will present the grievance in writing to the Director of Police and Fire Services within ten (10) working days after the date the employee knew or should have known of the existence of the event which gave rise to the grievance. The Director of Police and Fire Services shall give his answer in writing within ten (10) working days after receiving the grievance; however, if the Director of Police and Fire Services fails to give his answer the grievance shall advance to Step 2.
- B. Step 2. If the grievance is not settled in Step 1, the grievance shall be presented to the City Manager within ten (10) working days after receipt of the decision of the Director of Police and Fire Services, or the failure of the Director of Police and Fire Services to answer the grievance. The City Manager shall provide an opportunity for the Steward to meet with him within ten (10) working days after receipt of said grievance for the purpose of discussing the grievance. The City Manager shall reply to the grievance in writing within ten (10) working days after the presentation of the grievance or within ten (10) working days after the meeting with the Steward, whichever is longer. If the City Manager fails to give his answer within the above time limits, the grievance shall advance to Step 3.

Any grievance by the Employer against the Union shall be filed with the Union President and shall be answered in writing within ten (10) working days of presentation. If not settled by such answer, the grievance may be appealed to Step 3.

- C. Step 3. If no satisfactory settlement is reached in Step 2, the grievance may be submitted to

arbitration. Within twenty (20) working days from the receipt of the decision of the City Manager, or failure of the City Manager to answer the grievance within the time limits, the Union shall notify the Employer that it requests arbitration, and request a list of seven (7) arbitrators through the Federal Mediation and Conciliation Service (FMCS). A copy of the request shall be given to the Employer. Upon receipt of the list, the Union and the Employer shall alternately strike names from the list with the decision as to who is to strike first being decided by a flip of a coin. After six names have been stricken, the remaining name shall be the arbitrator. The Union shall notify FMCS of the selection. Arbitration shall be in accordance with the rules and procedures established by FMCS. The decision of the arbitrator shall be final and binding on the parties hereto. The arbitrator shall be bound by this Contract and shall not modify, alter, or change the terms and, if he does, either party may process an appeal of said decision to Court. Costs of the arbitration shall be borne equally by the parties hereto.

Section 3. Procedural Requirements. All procedural requirements of Article 6 Section 2, are necessary for the processing of any grievance unless waived in writing by both parties. Working days shall mean Monday through Friday, excluding holidays.

Section 4. Court Reporter. Either party may at its own expense employ the services of a certified court reporter for the purpose of preserving the proceedings at the arbitration hearing.

Section 5. Witnesses. Upon the request of the Union, the Employer shall make employees who are on duty available as witnesses at the arbitration hearing.

ARTICLE 7 SENIORITY AND LAYOFF

Section 1. Seniority Definition. Seniority shall be defined as:

- A. Continuous service as a police officer with the Employer computed by time spent on the payroll plus approved absences. This Subsection shall be used for layoffs.
- B. Continuous service as an employee with the Employer computed by time spent on payroll plus approved absences involving educational, military and sick leaves. This Subsection shall be used to compute benefits.

Section 2. Probationary Period. The probationary period for each new member in the bargaining unit shall be twelve (12) months. There shall be no extension of the probationary period unless the same is agreed to by the Employer and the employee. Written notice shall be given to the employee and the Union informing them of any extension of the probationary period. Any extension of the probationary period shall be for four (4) months or less. Each probationary employee shall be entitled to all economic benefits as specified in the Contract. If the employee, who is a new hire, quits or is discharged during said probationary period the following benefits shall not be received: unused floating holidays, accumulated sick days and compensatory time. The Employer shall not be bound by the provisions of this Contract for employees during their probationary periods, except on economic matters. The Union will not be bound to provide representation to probationary employees disciplined or discharged during the probationary period. Newly hired probationary employees may

be terminated by the Employer for any reasons, which terminations shall not be grievable. Promoted employees who do not successfully complete the probationary period shall have the right to be placed back into the position the employee held in the Employer prior to becoming a member of the bargaining unit, subject to the ability of the employee to perform the duties of the prior position.

Section 3. Loss of Seniority. Seniority shall be lost upon the following conditions:

- A. By voluntary termination for a period lasting thirty (30) days.
- B. Discharged or terminated for just cause.
- C. Failure to report for work during the first week following the expiration of an approved leave of absence unless excused by the Employer.
- D. Absence from work for three (3) consecutive working days without notifying the Police Department, unless excused by the Director of Police and Fire Services.
- E. Layoff for lack of work for more than twelve (12) months.
- F. Promotion to a position which excludes the employee from the Union, or retirement. In the event the employee, after having received a promotion, reverts to a position in the bargaining unit, seniority shall accrue as if the promotion has not occurred.

Section 4. Notice of Loss of Seniority. The employee (whenever possible) shall be notified within ninety (90) days that the seniority is lost with the reason given and a copy of the notice shall be filed in the employee's personnel file.

Section 5. Layoff. Whenever a reduction of the work force within the unit is necessary, probationary employees shall be laid off first and thereafter, except for sergeants, those employees with the least seniority shall be laid off, provided those employees with the higher seniority are able to perform the work. Sergeants shall be laid off in inverse order of their seniority in relation to the seniority of the other members of their classification and may not exercise their seniority to displace a higher ranked classification. Recall shall be in the reverse order. Employees to be laid off shall be given at least 20 work days prior notice. Employees to be recalled from layoff shall be given written notice by certified mail to their last known address, return receipt requested, or by personal notice. Notification shall be a minimum of one (1) calendar week prior to the date that the employee is required to report to work. The Employer shall continue to pay hospital-medical benefits through the first full calendar month after layoff. In lieu of being laid off, an employee may elect to be reduced to the prior rank. For purposes of contract interpretation, the amendment to this Section shall have no bearing on the interpretation in this Section with regard to layoff of ranks other than Sergeant.

ARTICLE 8 PERSONNEL POLICIES

Section 1. Personnel Rules and Regulations. Any written Personnel Rules and Regulations (including Departmental Rules and Regulations) shall be applicable to all employees equally. Prior to the adoption of any rules and regulations the same shall be reviewed by the Union with the Union

having the right to make recommendations as to the form and contents of said rules. After review by the Union, the rules and regulations may then be adopted by the Employer. A copy shall be sent to the Union of any rules and regulations adopted by the Employer prior to posting. If a provision of this Contract is in conflict with any rules and regulations, then the Contract shall prevail.

Section 2. Personnel Files. The parties agree that Act 397 of the Public Acts of 1978, as may be amended, shall govern access and review of the personnel records. Any request to review a personnel file shall be in writing and submitted to the Director of Police and Fire Services. The Employer shall supply copies from personnel records to employees.

Section 3. Legal Counsel. Whenever any claim is made or any civil action is commenced against an employee while within the scope of the employment, the Employer shall provide the services of an attorney to represent and defend the officer as to any claim or civil action. The Employer may compromise, settle and pay any claim before or after the commencement of any civil action. Whenever any judgment for damages is awarded against an employee as a result of any civil action while within the scope of the employment, the Employer will indemnify the employee and pay, settle or compromise any judgment. The selection of an attorney to represent the employee shall be at the discretion of the Employer.

Section 4. Discipline. Notification of any disciplinary action shall be given to the Union and the employee who is being disciplined. Written notice of disciplinary action or discharge shall cite the specific rules and regulations, appropriate laws and any Sections of the Wyoming Code which the employee is alleged to have violated. An employee against whom the charges have been made by the Employer may be represented by a Union representative upon request of the employee. In imposing any discipline on a current charge the Employer will not take into account any prior infractions involving written reprimands which occurred more than two years previously.

The POLC representative and President of the Union are entitled to receive a copy of information which is directly related to the disciplinary action taken against an employee if there is a grievance filed and the grievance is advanced to Step 2 of the grievance procedure. The request for information must be directly related to the disciplinary action and be for specific documents, records, or witness statements. The request must be given to the Director of Police and Fire Services. Neither the Union nor the grievant shall retaliate against any employee or other party who provides information or is a witness in the investigation as a result of the information being released.

Section 5. Investigatory Complaints. In the event a complaint is made against an employee which may result in disciplinary action, the following procedure shall apply:

- A. If, in the investigation of a complaint, an employee is requested to appear before a member of the Employer, the employee shall be fully advised of the nature of the complaint and that the investigation may result in disciplinary action.
- B. Upon the request of the employee for Union representation, such request shall be granted and the Union shall provide such representation. When such representation has been requested, no questioning shall commence until the Union representative is present.
- C. Employees shall be required to answer questions relating to performance as an employee of

the Police Department as it relates to the complaint. Refusal to answer such questions may result in disciplinary action, including discharge.

ARTICLE 9 LEAVE OF ABSENCE AND SICK LEAVE

Section 1. Leaves of Absence. An employee may be granted a leave of absence without pay upon approval of the Director of Police and Fire Services for a period not to exceed thirty (30) days. For any period longer than thirty (30) days, the approval shall be by the City Manager. Requests for leave of absence shall be in writing, signed by the employee, stating the reasons for the request. The request shall be given to the Director of Police and Fire Services. Approval or rejection of such leave of absence shall be in writing by the Director of Police and Fire Services or the City Manager. For any leave of absence exceeding thirty (30) days, all benefits shall cease except for seniority. The Director of Police and Fire Services may allow time off for personal reasons, providing the employee shall make up such time at the discretion of the Director of Police and Fire Services.

Section 2. Sick Leave. Employees shall earn and be granted paid sick leave in accordance with the following provisions:

- A. Full-time employees shall accumulate sick leave at the rate of eight (8) hours for each full month of employment exclusive of leaves of absence without pay.
- B. Effective January 2, 2016, sick leave will be recorded in a "new sick leave bank." An employee who has a balance of sick leave hours on January 1, 2016, shall have the sick leave hours recorded in an "old sick leave bank." The employee shall not be permitted to accumulate additional sick hours in the "old sick leave bank" after January 1, 2016. The employee may use the "old sick leave bank" for sick leave purposes after exhausting the "new sick leave bank."
- C. Employees shall receive one (1) full hour pay for each two (2) hours of accumulated sick leave in their "old sick leave bank" upon termination of employment, retirement or death, after ten (10) years of employment.

Employees shall receive one (1) hour pay for each two (2) hours of accumulated sick leave in their "new sick leave bank," with a maximum pay off of 200 hours (accumulation of 400 hours or more), upon termination of employment, retirement or death, after ten (10) years of employment.

- D. Subject to discretionary approval by the Director of Police and Fire Services, whenever an unusual or emergency situation exists involving the health or well-being of a member of the employee's immediate family, emergency leave may be granted for a period not to exceed five (5) days. Immediate family shall mean the father, mother, brother, sister, grandparents, spouse, children, father-in-law, mother-in-law, brother-in-law, sister-in-law and stepchildren. Such emergency leave shall not be credited against sick leave or vacation credit.
- E. Whenever possible and in order to obtain sick pay, if any employee is not able to report to work because of an illness or otherwise, the employee's Immediate Supervisor or Director of

Police and Fire Services shall be notified as near as possible prior to the start of the employee's scheduled shift. Such notification shall be continued on a day-to-day basis if such absence is to continue, unless the notification indicates an illness or absence is to be for an indefinite period.

- F. When an employee is not able to perform the duties safely or satisfactorily because of sickness or injury.
- G. When an employee requests time off to obtain professional personal medical or dental care, the employee shall not be charged sick leave if the time off the job is two (2) hours or less.

Section 3. Bereavement. Days off for death in family for funeral arrangements or services shall be granted as follows:

- A. Whenever any one of the following persons dies and the employee assists in the funeral arrangements, attends the funeral or attends any post-funeral functions or arrangements, the employee shall be entitled to receive time off from work with pay for a period not to exceed 3 days (except for spouse or child which shall be 5 days) for the following: spouse, child, father, mother, brother, sister, father-in-law, mother-in-law, brother-in-law, sister-in-law, son-in-law, daughter-in-law, grandparent, grandchild. Also included are stepchildren who have been permanently residing with the employee. For the following persons the employee shall be entitled to one (1) day off with pay to attend the funeral: niece, nephew, aunt, uncle and spouse's grandparents. In addition, the employee may elect to take an additional two (2) days from the employee's sick time for a total of 3 days.
- B. Subject to discretionary approval of the Director of Police and Fire Services, an employee may be granted time off with pay for the purposes as stated in Subsection (1) for relatives who were closely associated with the employee or the employee's spouse, and to attend the funeral services of an employee or former employee of the Employer. For Subsection (1) the days off may only be taken beginning with the day of the death through the day after the funeral, except for spouse and child, which shall be any five (5) successive days of which one of the days shall be the funeral.

Section 4. Medical Certificate. Medical statements will not generally be required to substantiate sick leave absences of three (3) consecutive working days or less. In the event that the Employer has reason to believe that an employee is abusing sick leave, the employee may be required to furnish medical statements which shall set forth the reasons for such sick leave. Should an employee obtain a false medical statement or should an employee fail or refuse to furnish to the Employer a medical statement, then such employee may be disciplined appropriate, including dismissal.

Section 5. Absences - Ten Days. If an employee has been absent from work because of sickness or injury for a period of ten (10) working days or more, such employee shall, if requested, furnish to the Employer a medical certificate indicating ability to return to work. This Section shall be discretionary with the Employer. The Employer shall select the doctor and shall pay for the examination and report.

Section 6. Medical Examination. The Employer may require a medical examination for any

employee by a doctor selected and paid for by the Employer.

Section 7. Workers' Compensation. Whenever an employee receives workers' compensation benefits, the employee shall be paid the difference between such benefits and the net salary or wage for a period of 52 weeks. At such time as the Employer discontinues such payments, the employee may use sick leave or vacation. The Employer may require an employee being paid said difference between such benefits and net salary or wage to return to another form of employment with the Employer if capable of performing such employment. If such employee refuses to perform such other duties, the Employer shall terminate the difference between the benefits received under workers' compensation benefits and the net salary or wage. For a period of two years from the date an employee is off work under workers' compensation, in addition to the benefits stated above, such employee shall receive life insurance and health insurance benefits pursuant to this contract. If any automobile "no-fault" supplement is simultaneously being paid by the Employer to the employee, such payments shall be credited towards the Employer's obligation under this section. If an employee is released to return to work by a doctor with work restrictions, and is unable to perform any work offered by the Employer, any subsequent lost work days will be covered only to the extent of that number of days or weeks remaining from the original 52-week benefit period. Should said employee suffer a new injury while working on restricted duty, the employee will be entitled to a full 52-week benefit period.

Section 8. Military Leave. Military leave shall be governed as follows:

- A. Employees on military leave will be treated in accordance with applicable law.
- B. Any permanent employee, who requests a leave of absence for a period not to exceed ten (10) working days in order to participate in a branch of the Armed Forces Reserve Training program, shall be granted such leave upon presentation of proper documentation by the Commanding Officer. The Employer shall pay the employee the difference between the pay received for such training and the employee's salary.
- C. The Employer shall pay any permanent employee, who is called out on emergency duty by any of the established Armed Forces Reserve Training Units or by the Michigan National Guard within the State of Michigan, the difference between the amount received for such duty and such employee's salary for each day of duty not to exceed thirty (30) days.
- D. Any employee who is scheduled to work on a weekend and who is also scheduled to attend a military drill shall be allowed to attend the military drill. Said employee shall use vacation time, compensatory time or exchange pass days with another employee who has the authority to carry out the employee's duties.

ARTICLE 10 FAMILY AND MEDICAL LEAVE

The Employer will provide eligible employees with unpaid leave for covered family and medical reasons as provided in the Family and Medical Leave Act (FMLA) and its published regulations. FMLA leave shall be administered in accordance with the Employer's FMLA policy, as it may be amended from time to time.

**ARTICLE 11
VACATIONS**

Section 1. Vacation Leave. A full-time employee of the Employer shall earn and be entitled to vacation leave with pay in accordance with the following provisions:

- A. Vacation leave shall not be granted to the employee during any probationary period for a new hire.
- B. Vacation shall be earned as follows: After one (1) year - 80 hours. Two (2) through three (3) years of service 104 hours shall be earned. Thereafter, the employee shall earn eight (8) additional hours vacation per year of service with the Employer to a maximum of 176 hours.
- C. Unused vacation from the prior year may be carried over and accumulated up to a maximum of three (3) years of the employee's annual entitlement. This shall include conversion of sick leave hours to vacation leave. This bank is called the "new bank." An employee who as of January 1, 2009, has accumulated more than the maximum allowable accumulation shall have the excess vacation hours recorded in an "old bank." The employee shall not be permitted to accumulate additional vacation hours in the "old bank" after January 1, 2009. The employee may use the "old bank" for vacation purposes after exhausting the "new bank," or shall be paid for the remaining balance at termination of employment.
- D. Beginning January 1, 2010 an employee who accumulates more than the maximum allowable new bank as a result of earning additional vacation hours at the start of the calendar year shall be given until April 30 to use the excess hours or will forfeit the excess hours.
- E. An employee who enters the Police Command unit after January 1, 2009 and has accumulated more than the maximum allowable vacation hours shall convert vacation according to the same formula in the first paragraph above effective the next January 1.
- F. Any employee hired between January 1 and June 30 shall be entitled to eighty (80) hours vacation on or after January 1 of the next year and any employee hired between July 1 through December 31 shall be entitled to forty (40) hours vacation on or after January 1 of the following year.
- G. If an employee has used all credited vacation and has a floating holiday left, the employee may use the floating holiday one-half day at a time.
- H. Whenever any employee ceases to be an employee of the Employer by retirement or otherwise, vacation credited in advance to that employee on January 1 of that year shall be reduced on a prorated basis. If said vacation has been used beyond the prorated amount, the Employer shall be reimbursed those days and to collect the same may retain such amount from the employee's wages or any pension or retirement funds.
- I. If an employee has accumulated one (1) full year's vacation entitlement, such employee may request pay for one-half of one year's entitlement once a year.

Section 2. Seniority - Vacation. Seniority in the classification shall be the principal factor in determining the time when vacation shall be taken, subject, however, to scheduling approval of the Director of Police and Fire Services. Employees shall submit their preferences in writing to the Director of Police and Fire Services by April 15 of each year. The Director of Police and Fire Services shall post approved vacation leaves no later than May 15.

Seniority in the classification shall be the principal factor in determining the time when vacation shall be taken, subject, however, to scheduling approval of the Director of Police and Fire Services. In lieu of the April 15 deadline and May 15 deadline in the above paragraph, employees shall submit their vacation preference in conjunction with the employee's assignment to a shift segment. Segments shall be no less than four (4) twenty eight (28) day schedules or more than five (5) twenty eight (28) day schedules. The Director of Police and Fire Services shall post approved vacation leaves prior to the start of each scheduling assignment.

Therefore, the Employer and the Union for the life of this Contract each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated, to bargain collectively with respect to any subject or matter not specifically referred to or covered in this Contract even though such subject or matter may not have been within the knowledge and contemplation of either or both of the parties at the time they negotiated or signed this Agreement.

ARTICLE 20 MISCELLANEOUS PROVISIONS

Section 1. Sergeants, Lieutenants, and Captains shall be covered by the following provisions, except as otherwise restricted:

- A. Overtime pay. Time and one-half shall be paid to all employees for any hours worked over eight hours or those hours regularly scheduled otherwise in any one day (except for the normal 28 day schedule or shift segment as applicable) or over 40 regular hours in any one week. Overtime will be paid to the nearest quarter of an hour.

Whenever an employee is required to be in Court by subpoena served and there is no mileage reimbursement provided by the Court, the Employer shall pay an employee an hour pay for each 50 miles of travel required (prorated) to and from any area in the lower peninsula of the

State of Michigan, provided the trip is over 15 miles one way. There shall be no other pay for travel time. This provision shall not preclude payment for Court time.

- B. Compensatory Time. An employee may elect to take compensatory time off in lieu of payment for overtime worked and for holidays worked. Such time off in hours shall be as established for overtime pay and holiday pay. Time off shall be taken at the time mutually agreed between the Employer and the employee. There shall be no limit on the amount of compensatory time that an employee may accrue during a year. December 31 shall be designated as the cutoff date for logging compensatory time for each year. Any employee having more than 80 hours of compensatory time as of said date, shall be paid at the current straight time rate for those hours over 80, no later than January 31.
- C. Overtime Equalization. Scheduled overtime shall be equalized as nearly as possible within each classification.
- D. Shift Changes. There shall be no change in shift in order to avoid the payment of overtime, but the Employer shall have the right to change an employee's shift in case of an emergency, sickness of any employee requiring time off and unscheduled vacations. The Employer shall, however, make reasonable efforts to obtain volunteers for such shift change. If there are insufficient volunteers, selection shall be by seniority. Selections shall be by inverse seniority. This Section shall not prohibit voluntary shift change by an employee during a twenty eight (28) day schedule or shift segment.
- E. Call Outs and Standby. An employee called to work on an assignment at any time other than a scheduled work shift shall be credited with three hours at the regular hourly rate or with the actual hours worked at one and one-half times the hourly rate, whichever is greater, unless such time shall be continuous with a scheduled shift, in which case the employee shall be paid at the overtime rate only. The employee shall be released from duty upon completion of such assignment. An employee required to be on standby at the employee's place of residence, or such other location agreed to by the Employer and employee, shall be paid one hour for each four hours or fraction thereof required to be on standby.
- F. Overtime Computation. For the purpose of computing overtime, an employee, absent because of authorized sick leave with pay, jury leave or Court appearance with pay, holiday or vacation, shall be considered to have worked normal work shifts during such absence. Employees absent on unpaid leave shall not be considered to have worked during such absence.
- G. Emergency. In the event of the occurrence of a tornado, conflagration, riot or any other community emergency, declared as such by the City Council, Mayor or City Manager, any employee may be ordered to work overtime in order to secure the peace, health, safety and welfare of the citizens and properties of the Employer, and shall be entitled to regular pay for hours worked on such occurrences unless the magnitude of the event would exhaust the Employer's budgetary capacity. In such cases there would be compensatory time off at such times as mutually agreed. The Employer in such emergency situations may utilize volunteers. This Section as concerns pay shall be subject to a 45 day limit.

- H. Court Appearances. If any employee is subpoenaed to Court as a witness or for jury duty, the employee shall be paid the regular rate of pay for the time so spent if during a regular shift. The employee shall be expected to work when not in Court. If such subpoenas shall order the officer to Court on a pass day or other than a regular shift, the employee shall be compensated as otherwise provided for in this Contract. The subpoena, except for jury duty, must be as a result of activities as an employee in order for this Section to apply. All monies or fees received by any employees shall be given or assigned to the Employer.
- I. Schedule. Sergeants who work on a 4 x 10 road patrol schedule will not be changed to a different schedule unless the road patrol schedule is changed. In such event, the Employer may change schedules to be consistent with the schedule of the non-supervisory unit. However in lieu of the above, Sergeants may be assigned a shift segment, which is a combination of either four (4) twenty eight (28) or five (5) twenty eight (28) day schedules.
- J. Shift Assignments. In determining shift assignments, seniority shall be the principal and primary factor in determining shift preference for sergeants.
- K. Shift Assignments. Lieutenants may have preference for shift assignment by seniority within the Lieutenant classification in the Patrol Division subject to the right of the Director of Police and Fire Services to make assignments regardless of seniority for any of the following reasons: 1.) to train Lieutenants; 2.) to conduct special services that are assigned to a shift; or 3.) if shift assignment by seniority would be detrimental to the Employer.
- L. Shift Trades. Shift trades will be permitted if they do not violate seniority. For example, a trade that would violate seniority is: During the bidding process, the most senior Sergeant bids a day shift segment with the sole purpose of trading with the least senior Sergeant to allow him or her to work the day shift. A permissible trade is: The most senior Sergeant trades with the most junior Sergeant for one twenty eight (28) day work schedule after the schedule is established.

Section 2. New Hires. New hires are defined as newly hired to the Employer.

Section 3. Public Safety. The Union agrees to meet and negotiate in good faith during the term of this Agreement over the implementation of a Public Safety Department. These negotiations would include the related issues of work schedule, holiday compensation, fire fighting training, medical training, wages of cross trained members and any other relevant issue affected by such a change.

ARTICLE 21
CITY OF WYOMING, POLICE DEPARTMENT
EMPLOYEE ALCOHOL AND DRUG ABUSE POLICY
(Effective November 1, 1994)

This policy is adopted pursuant to the Drug-Free Workplace Act of 1988 (Pub, L. 100-690, Title V, Subtitle D), in an effort to provide a safe and healthy work environment for our employees.

The use and effects of illegal drugs and alcohol pose very serious problems. While the City of Wyoming (the "Employer") would prefer not to intrude into personal lives of its employees, it must be recognized that employees who use illegal drugs or abuse other controlled substances or alcohol tend to be less productive, less reliable and prone to accidents and absenteeism. Each employee has a responsibility to our community to deliver services in a safe and conscientious manner. In order to ensure that this responsibility is met, employees must work free from the effects of alcohol and other performance impairing substances.

Accordingly, the Employer wants to state clearly its policy so that present and future employees understand our objectives: to remove problems associated with illegal drugs and alcohol abuse from our workplace, either through treatment, cessation of use or termination of employment. Our policy is as follows:

1. **DRUG-FREE AWARENESS PROGRAM**

A Drug-Free Awareness Program has been developed to inform employees about: (1) the dangers of alcohol and drug abuse in the workplace; (2) the Employer's Alcohol and Drug Abuse Policy; (3) the availability of treatment and counseling for employees who voluntarily seek such assistance; and (4) the sanctions the Employer will impose for violations of its Alcohol and Drug Abuse Policy.

2. **ASSISTANCE TO EMPLOYEES IN OVERCOMING ALCOHOL OR DRUG ABUSE**

Early recognition and treatment of alcohol or drug abuse is important for successful rehabilitation and for reduced personal, family, and social disruption. The Employer encourages the earliest possible diagnosis and treatment for alcohol and drug abuse. However, the decision to seek diagnosis and accept treatment for alcohol or drug abuse is primarily the individual employee's responsibility.

To assist employees in obtaining early voluntary treatment, the Employer refers such employees to an Employee Assistance Program ("EAP"). The EAP is an assessment, counseling and referral service for employees with substance abuse problems. The Employer also provides an insurance plan to full-time employees to help pay for treatment. Finally, the Employer offers a variety of leave options for full-time employees who need time off work for treatment of substance abuse problems. To ensure that these benefits are available, however, employees must voluntarily seek help. These benefits may not be available to employees who do not seek help on their own.

Employees with alcohol or drug abuse problems should request the assistance of the EAP. Employees may seek help without the approval or knowledge of their supervisor. The EAP

will provide assistance on a confidential basis and will refer the employee to the appropriate counseling and treatment services. Employees who voluntarily request the EAP's assistance in dealing with an alcohol or drug abuse problem may do so without jeopardizing their continued employment with the Employer.

Voluntary requests for assistance from the EAP will not result in discipline. However such requests and participation will not prevent disciplinary action for other violation(s) of this Alcohol and Drug Abuse Policy. Employees who undergo voluntary counseling or treatment pursuant to a referral by the Employer and who continue to work must meet all established standards of conduct and job performance.

3. APPLICATION

The Policy applies to all employees.

For purposes of this Policy:

- "Employer premises" includes, but is not limited to, all property, whether owned, leased or used by the Employer. This Policy also includes any other locations or mode of transportation to and from those locations while in the course and scope of employment.
- "Employer time includes, but is not limited to, all time spent on any Employer activity. This does not include the lawful use of alcohol for authorized Employer-related purposes (e.g., authorized social functions, off-hours dinner while traveling on Employer business, etc.).
- "Prohibited substances" are defined as: illegal drugs or controlled substances (including trace amounts); alcoholic beverages; prescription drugs--except as provided in Section 4 of this Policy; and any other substance which affects or may affect the employee's ability to competently or safely perform.
- "Under the influence" of any prohibited substance means any detectible level of a prohibited substance in an employee's system. If an employee is "called out," the employee shall not report to work with any prohibited substance in his/her system except that the employee may report where the presence of alcohol does not exceed the standard set by the U.S. Department of Transportation for truck drivers in interstate commerce. (Blood alcohol less than .04%.)
- "Reasonable suspicion: includes, but is not limited to: observation of behavior such as slurred speech, unsteady walking, abrupt mood swings, breath (alcohol) or odor; observation of physical manifestations frequently associated with some forms of substance abuse, e.g., needle marks, sudden nosebleeds, frequent illness not explained by other medical conditions; absenteeism; declining productivity; excessive tardiness; and suspicious activity indicating possible involvement with prohibited substances in violation of this Policy.

4. AUTHORIZED USE OF PRESCRIBED MEDICINE

Employees undergoing prescribed medical treatment with any substance which may alter their behavior or physical or mental ability must report the effects such treatment may have on their ability to perform their job to their immediate supervisor or the Director of Human Resources, who will determine whether the Employer should temporarily change the employee's job assignment during the period of treatment.

5. PROHIBITIONS

The Employer's Policy prohibits the:

- Use, possession, manufacture, distribution, dispensation, transportation or sale of prohibited substances or drug paraphernalia on Employer premises or being under the influence of a prohibited substance on Employer premises on Employer time or at an Employer activity;
- Storing by an employee of any prohibited substance in a locker, desk, vehicle, or other repository on Employer premises or refusing to submit to an inspection (This does not prohibit the storage of unopened, lawful alcoholic beverages in the employee's personal vehicle);
- Possession, use, manufacture, distribution, dispensation or sale of prohibited substances off Employer premises or Employer time that adversely affects the employee's work performance, his own or others' safety at work or the Employer's regard or reputation in the community; (Note: lawful and moderate use of alcohol is not prohibited)
- Failing to adhere to the requirements of any drug or alcohol treatment or counseling program in which the employee is enrolled;
- Conviction under any criminal drug statute or failure to notify the Employer of any arrest or conviction under any criminal drug statute within five days of the arrest or conviction;
- Failure to report to the immediate supervisor or Director of Human Resources the effect of a prescribed drug which may alter the employee's behavior or physical or mental ability;
- Refusing to consent to testing or to submit a urine, blood or other sample for testing when requested pursuant to the Employer's Testing Policy, or switching or adulterating any sample submitted for testing.

6. IMPLEMENTATION AND ENFORCEMENT OF POLICY

The following procedures will be employed to assure compliance with the Policy.

- A. Testing. Employees or applicants for employment may be required to submit to substance testing, including, but not limited to, urinalysis, blood tests, plasma tests, or breath tests for the drugs specified in the Department of Health & Human Services Mandatory Guidelines for Federal Workplace Drug Testing Programs ("HHS Guidelines") and any amendments to the HHS Guidelines in effect at the time of the testing:

To be considered for employment;

- a) Where the Employer has reasonable suspicion that an employee has ingested, possesses or has distributed a prohibited substance;
- b) Following an accident or incident where the Employer has reasonable suspicion that prohibited substance(s) may be implicated, e.g., where safety precautions were violated or careless acts were performed; and
- c) Immediately after an employee returns to work after a disciplinary suspension, where the Employer has reasonable suspicion that prohibited substance(s) may be implicated.
- d) Those employees whose job duties include the handling of prohibited substances and/or have access to the areas where prohibited substances are stored may be tested at any time without prior notice and with or without reasonable suspicion.

All positive initial drug tests will be confirmed using gas chromatography/mass spectrometry techniques at the cutoff values listed in the HHS Guidelines and any amendments to the HHS Guidelines in effect at the time of the testing.

Samples provided by an existing employee (not an applicant or new hire) shall be given at a collection site outside the City of Wyoming where necessary to protect the employee's privacy.

Collection site procedures will provide the employee an opportunity to identify in writing any medication being taken, or other reason, which might account for a positive test result.

Collection site procedures will be used which protect against mislabeling samples and other errors.

Upon request, the Union may review and/or tour the procedures and/or facilities of the collection site(s) and/or laboratory(ies).

- B. Searches. Employees, while on Employers premises, are required to submit to searches of their persons, vehicles, lunch boxes, personal effects, desks or similar repositories, etc., when the Employer has a reasonable suspicion that the employee has ingested, possesses or has distributed a prohibited substance.

7. CONSEQUENCES FOR VIOLATION OF THIS POLICY

Violation of the Employer's Alcohol and Drug Policy may result in severe disciplinary action, up to and including discharge for a first offense. Violation of this Policy may also subject employees to arrest and prosecution by law enforcement agencies.

In addition to any disciplinary action for drug or alcohol abuse, the Employer may refer an employee to the Employee Assistance Program for assessment, counseling and referral to a treatment program for alcohol and drug abuse. Employees who undergo counseling and treatment for substance abuse and who continue to work must meet all established standards of conduct and job performance.

8. LAST CHANCE AGREEMENT

Individuals discharged for violation of the Employer's Alcohol and Drug Policy may, at the Employer's sole discretion, be offered the opportunity to enter into a "Last Chance Agreement."

The Last Chance Agreement provides that an employee may return to employment under the following conditions:

- The employee acknowledges in writing that he/she has a substance abuse problem;
- The employee successfully completes a rehabilitation program prescribed under the Employee Assistance Program;
- The employee agrees in writing to submit to random testing or search for the remainder of his/her employment; and
- The employee is subject to automatic discharge for any violation of Last Chance Agreement or this Policy while on the Last Chance Agreement and waives the right to grieve such discharge.

9. CONDITION OF EMPLOYMENT

Compliance with the Employer's Alcohol and Drug Abuse Policy is a condition of employment. Failure or refusal of an employee to cooperate fully, sign any required document or submit to any inspection or drug test as provided will be grounds for termination.

Questions regarding this Policy should be directed to the Director of Human Resources.

10. REVIEW OF PROGRAM

This Policy will be reviewed bi-annually to determine its effectiveness, to implement needed changes and to ensure that disciplinary actions are consistently enforced.

11. OTHER PROGRAMS

This policy is separate and apart from any testing done in connection with a special program, e.g., WMET.

APPENDIX A
DUTY DISABILITY

Amendment to Schedule C (Police Command)

91.40(6)(c) - Duty Disability - Special Rules.

Notwithstanding any other provision of the Plan, the following special rules shall apply to a Member in this Benefit Group who is applying for or receiving a Temporary Disability Benefit in a duty disability situation.

- (i) "Total Disability" or "Totally Disabled" shall mean a total and permanent inability of the Member to engage in the essential functions of his/her current employment position with Employer as a result of a physical or mental condition of the Member.
- (ii) In no event shall the amount of the Member's monthly pension benefit be:
 - (A) Less than 50% of the Member's Average Monthly Compensation at the time of his/her Total Disability; or
 - (B) More than 90% of the Member's Average Monthly Compensation at the time of his/her Total Disability.

In computing the Member's minimum and maximum pension benefit for purposes of this Section, any workers' disability compensation benefits (see paragraph vi of this section), paid to the Member, any Social Security disability benefits paid to the Member, and/or any compensation received by the Member in any gainful employment shall not be considered (i.e., shall not be coordinated with the Member's monthly pension benefit or used to offset or reduce the Member's monthly pension benefit).

- (iii) Upon attaining the minimum age requirement to be eligible for a Normal Retirement Benefit, the Member shall receive a Normal Retirement Benefit based upon the Member's actual Years of Credited Service plus the Member shall receive Years of Credited Service for the period of time the Member was receiving a Temporary Disability Benefit. Further, solely for this purpose, the Member's Average Monthly Compensation shall mean the monthly average of the base earnings the Member would have received during the 36 consecutive months immediately preceding his/her attainment of Normal Retirement Age if the Member was actively employed in the job classification the Member held with Employer immediately preceding his/her Total Disability.
- (iv) The Member's Normal Retirement Benefit shall be paid in the form determined under Section 91.55 and need not be the same form as the Member's form of Temporary Disability Benefit. However, if a Member makes an election to receive his/her Normal Retirement Benefit payable

in a form which is different than the form of his/her Temporary Disability Benefit, Employer shall make any adjustments necessary to ensure that the new election shall not require the Plan to provide increased benefits to the Member (determined on the basis of Actuarially Equivalent value).

- (v) During the time period the Member is receiving a Temporary Disability Benefit, the Member shall continue to receive medical coverage for the Member and his/her eligible dependents on the same basis as if the Member continued to be an actively working Employee of Employer. (Therefore, any changes in medical coverage for actively working Employees in this Benefit Group shall also apply to the Member.) However, medical coverage shall be suspended during any time period the Member is eligible to participate in comparable group medical coverage provided by another employer (either as a result of the Member's employment or the employment of the Member's spouse). Effective as of the time the Member begins receiving a Normal Retirement Benefit, medical coverage shall be provided in accordance with Section 91.70.
- (vi) For those employees who retire on or after July 1, 2000, any payments under the pension plan shall be coordinated pursuant to MCL 418.354 of the Workers' Disability Compensation Act, except that an employee who is receiving a duty disability benefit and has not reached age 50 shall have any workers' compensation benefit coordinated so that the combination of retirement benefit and workers' compensation benefit is equal to 100% of the employee's net (take-home) salary or wage at the time of retirement.
