50	X		Lack of interest in residents's opinions and failure to act on them.	Mar 29, 2012 12:33 PM
51	X		living in the Grandville school distric we have the oppertunity to also use those parks & rec programs, and the cost with Wyoming is much better. Love the early opt in fee for the exercise programs. I (or family) has been participating in them for years. Daugher started at 3yrs and she is 16 now	Mar 29, 2012 12:38 PM
52	X		The parks in Wyoming are very nice!	Mar 29, 2012 1:18 PM
53	X		We have areas of that are called parks, but it is only land. Maybe sell these areas for homes?	Mar 29, 2012 1:18 PM
54	X		I'm sure the expenses are there. The parks are well maintained and kept clean. But I think in these economic times, we have to try and do more with less.	Mar 29, 2012 1:21 PM
55	X		For one thing, one of the reason's Pinery Park is so popular is because of baseball, little league baseball. The prices for playing are outrageous, not all kids are being able to play. I know because I have Grandkids not able to play.	Mar 29, 2012 1:28 PM
56	X		I appreciate the Wyoming parks and the recreational programs offered.	Mar 29, 2012 1:42 PM
57	X		Our Wyoming Parks are well maintained and accessible.	Mar 29, 2012 1:46 PM
58	X		Even though the programs have been reduced, so have the \$\$\$'s to spend, yet the fees are reasonable.	Mar 29, 2012 1:49 PM
59	X		I really wish we had more parks like Lamar, but I really love what they have done with that park. Parks closer to me 32nd/Div area lack any real desire to visit!	Mar 29, 2012 1:55 PM
60	X		It appears to be giving the citizens a voice in the planing & facilities they need in the community.	Mar 29, 2012 2:00 PM

	Yes	No	Why do you feel this way?	
61	X		I love that we offer so many parks in Wyoming. Good use of funding.	Mar 29, 2012 2:00 PM
62	X		for now an the generation gap	Mar 29, 2012 2:51 PM
63	X		I never really thought about it before.	Mar 29, 2012 3:00 PM
64	X		Rates to participate are good. Parks are well kept up. Variety is offered.	Mar 29, 2012 3:04 PM
65	X		Many programs that we participate in. Would like a larger selection, especially for youth.	Mar 29, 2012 3:20 PM
66	X		I cannot properly rate this without reviewing the budget and financial statements.	Mar 29, 2012 3:26 PM
67	X		Good job clearing sidewalks in winter	Mar 29, 2012 3:40 PM
68	X		Don't know anything about this program, although I do enjoy walking pathway at Pinery Park! Let's hope you are GOOD stewards of my \$\$\$!!!	Mar 29, 2012 3:44 PM
69	X		Parks look clean and well maintained. Choice of programs is fairly good.	Mar 29, 2012 4:11 PM
70	X		I think the classes offered for residents should be a little cheaper. I also think that all parks should have working, accessible bathrooms.	Mar 29, 2012 4:54 PM
71	X		I don't know how our tax dollars are divided amongst the different programs, so I don't know if they are being a 'good steward'.	Mar 29, 2012 5:05 PM
72	X		We are one of the highest taxed areas in Michigan yet I don't see anything spectacular about being in Wyoming.	Mar 29, 2012 5:05 PM
73	X		we have beautiful parks and great programs	Mar 29, 2012 5:13 PM
74	X		the parks look much better than pre-dedicated millage.	Mar 29, 2012 5:16 PM
75	X		The parks are in good shape, enjoy lots of use and community education programs are plentiful. Good stuff for residents.	Mar 29, 2012 5:25 PM
76	X		No reason...would like Senior Center opened on Fridays.	Mar 29, 2012 5:32 PM
77	X		The money is not distributed evenly towards programs for people of all ages. The programs are heavily weighted to the senior population. The senior population does not embrace other gnerations.	Mar 29, 2012 6:06 PM
78	X		Parks are kept fairly clean. But more trash containers should remain during winter...for ex. Gezon Park, Oriole Park - dog walkers are all year around and need a place for dog waste. Existing containers should be emptied all year round too.	Mar 29, 2012 7:51 PM
79	X		It appears to offer good programming at a reasonable cost	Mar 29, 2012 7:54 PM
80	X		just moved into city, highest taxes around, you need to scale back 10%.	Mar 29, 2012 8:42 PM
81	X		Wyoming has nice well maintained parks	Mar 29, 2012 9:14 PM
82	X		Some parks are Great others need help.	Mar 29, 2012 9:57 PM

	Yes	No	Why do you feel this way?	
86	X		We didn't think the Wyoming Senior Center needed a new front entrance.	Mar 30, 2012 7:30 AM
87	X		The parks are in good shape and my children participate in programs through the Parks and Recreation Department.	Mar 30, 2012 7:41 AM
88	X		All summer I see the parks & rec trucks driving around, or parked on streets doing nothing. On the other hand, the parks look great. I just think the having two guys driving around emptying trash cans is one too many.	Mar 30, 2012 8:07 AM
89	X		Things are being handled without extravagance.	Mar 30, 2012 8:34 AM
90	X		I feel that some of the monies could be better spent. Some of the programs are fine ,but others need some tweaking.	Mar 30, 2012 9:50 AM
91	X		because most parks have what they need for kids	Mar 30, 2012 10:10 AM
92	X		The parks look good and are well maintained	Mar 30, 2012 10:11 AM
93	X		We took the park walk last year and saw how nice the parks in our community were being taken care of.	Mar 30, 2012 11:01 AM
94	X		the parks are well maintained	Mar 30, 2012 3:14 PM
95	X		Some parks still stay unmaintained and unusable, chained up. There is still one pool in the city that I know of that between school district and city should be able to be used well and maintained. You do not offer classes for adults that interest me but offer them for seniors. I also feel you don't utilize public schools enough for adult classes except fitness and feel they should be held at locations other than the senior center.	Mar 30, 2012 4:07 PM
96	X		sending out fire trucks and crew to an accident where there is already a police unit on the scene appears unnecessary - perhaps reviewing current resources and processes and reallocating may be a better option than those presented in #4.	Mar 30, 2012 4:53 PM
97	X		lots of free or inexpensive ways for families to have fun	Mar 30, 2012 11:24 PM
98	X		I don't know. I haven't lived here long enough to tell but I have taken a class through the department and I see that you have a lot to offer	Mar 31, 2012 2:07 PM

102	X		The parks are kept up well and a wide variety of programs are offered.	Apr 1, 2012 10:53 AM
103	X		The pool at Jackson Park was not replaced. You tried to get too fancy of one so people didn't vote for it.	Apr 1, 2012 3:25 PM
104	X		I am aware of many of the parks and rec programs and facilities so I feel educated which is half the battle of a well run parks and rec department.	Apr 1, 2012 3:43 PM
105	X		There are no Wyoming parks in our end of the city...the ones that we do go to are not kept up.	Apr 1, 2012 6:39 PM

	Yes	No	Why do you feel this way?	
106	X		The police are know longer here to protect and serve they are just revenue getters.we do not need more parks we would like a pool.we have plenty of money use your head.	Apr 1, 2012 6:47 PM
107	X		great programs for my kids	Apr 1, 2012 8:05 PM
108	X		I like the parks and programs offered	Apr 1, 2012 8:27 PM
109	X		cuz	Apr 2, 2012 12:15 AM

112	X		We have nice parks compared to GR and out in the boondocks.	Apr 2, 2012 10:12 AM
113	X		My big frustration is the recent repaving of many of the parks' parking lots. I feel the repaving was very unnecessary and wasteful! If this is indicative of the way the department spends, I am a very unhappy Wyoming resident!	Apr 2, 2012 12:54 PM
114	X		I think there is a selection of programs and services and they are always executed well. The parks are always in good condition and the splash pad are great.	Apr 2, 2012 1:26 PM
115	X		I do not believe that the recreational programs are as strong as they could be.	Apr 2, 2012 5:21 PM
116	X		Ashamed to say that I don't know. I would have to see a budget to give an opinion. I am, however, very pleased with programming.	Apr 2, 2012 7:03 PM
117	X		I only utilize the parks; not the recreational activities. Activities can/should be found via schools, churches, other venues.	Apr 2, 2012 7:27 PM
118	X		We have well kept parks with average amenities.	Apr 2, 2012 9:52 PM
119	X		I only see the changes that the dept has made at our parks and I like them....I like the parks clean so I can take my grandchildren there without worrying about the restrooms and overall safety where they play	Apr 3, 2012 6:07 AM

123	X		I feel all our parks, Senior Center, etc. are the best around!	Apr 3, 2012 2:28 PM
124	X		The parks are well kept.	Apr 3, 2012 3:11 PM
125	X		There is no pool in Wyoming.	Apr 3, 2012 9:55 PM
126	X		I really have no idea what they do or have done.	Apr 4, 2012 10:50 AM
127	X		went over board and the parks will not make it . after the grants are gone.should have keep simple	Apr 4, 2012 11:28 AM
128	X		Because I don't feel that if i pay taxes for the parks that i should have to pay a fee to take my Dog to a dog park. Shouldn't that be covered with my taxes. I can take him to Holland for free.	Apr 5, 2012 7:34 PM

	Yes	No	Why do you feel this way?	
129	X		\$1 mm rainy day fund built up is a good sign of doing things the right way. Also you have not asked for a fatter millage in the time I have been here, unlike many other departments.	Apr 6, 2012 12:50 PM
130	X		N/A	Apr 6, 2012 2:57 PM
131	X		The overall activities offer by the city is above and beyond expected. The visit to the Wyoming parks is impressive because the quality and up-keep of equipment is above standards.	Apr 8, 2012 7:32 PM
132	X		I like education programs to all be run through the schools	Apr 9, 2012 10:19 AM

174	X		Question 5 - only lists quick fixes. Perhaps budget adjusts could be made by eliminating wasteful spending and not cuts in programs. The city only ever lists cutting programs or raising taxes/fees as solutions. Perhaps an overhaul over the entire budget is needed. The easy & quick fixes are usually not the only options available, but often what our government latches on to.	May 17, 2012 1:13 PM

101	X		I love activities for my children who are both toddlers. If there was a bit more opportunities for them that would be great. Even if it was a playgroup type of thing for toddlers to get together and at a time when working parents can attend that would be great. My daughter is not in day care so I loved taking her to gymnastics because it really helped her to be ready for preschool as far as being with other children and and learning to listen to the teacher.	May 2, 2012 3:06 PM
102	X		More affordable Baseball and Softball program ran by the City to ensure proper usage of funds and less partisanship. Program which teaches the kids versus being all about winning. As well as ensuring girls and boys are treated equally; current program did not order or provide hats for any girl teams (just shirts) while all the boy teams were provided both shirts and hats. Would love to see more programs available for teens to get involved in the community or activities to experience working together toward common goal or be able to share common interests. Programs to help teens and possibly youth to gain ownership in the City so they are more likely to help care for it versus damaging. Youth - teen football, baseball & soccer clinics outside of the sports season.	May 15, 2012 9:10 AM

72	X		Drop in fitness classes would be convenient. If residents could purchase a punch card and drop in at any of the fitness classes through that season's fitness activities, it may increase the number of participants. Sometimes it's hard to commit to an 8 week long class, but if I could attend three days one week and one day another week in a variety of fitness classes I would be more willing to sign up for classes. That would also give people a chance to try different types of fitness classes without being afraid of having to commit to one for a two month session and not liking it. This would be nice for all ages, but particularly for adult fitness classes.	Mar 29, 2012 9:23 PM

135	X		More affordable Baseball and Softball program ran by the City to ensure proper usage of funds and less partisanship. Program which teaches the kids versus being all about winning. As well as ensuring girls and boys are treated equally; current program did not order or provide hats for any girl teams (just shirts) while all the boy teams were provided both shirts and hats. Would love to see more programs available for teens to get involved in the community or activities to experience working together toward common goal or be able to share common interests. Programs to help teens and possibly youth to gain ownership in the City so they are more likely to help care for it versus damaging. 20	X		Other than Hillcroft, the rest are excellent.	Mar 29, 2012 5:54 PM
21	X		Believe it or not, Frog hollow is REALLY DANGEROUS. My husband took my daughter there to play and came home handicapped. We had to take him to the hospital to be cared for. The fireman's pole is not smooth, it strips the skin drom your fingers. The base switches surfaces at the base of the pole (horrible idea), instant sprained ankle if you don't land just perfect. The layout is such that one adult cannot take more than one young child at a time, because it is impossible to keep track of them...you don't have a clear line of sight. It is fun for the kids, but an incredible strain on a parent.	Mar 29, 2012 8:15 PM

29	X		Prairie is scary.	Apr 2, 2012 10:18 AM
30	X		Was never scared until the last few times at Oriole Park. There were big screaming fights on the basketball court that frightened us.	Apr 2, 2012 7:17 PM

24	X		I dream big but our family loves the small town downtown areas of some Grand Rapids suburbs. Rockford is a good example with a nice space to shop, be on the water and just get outside. Our downtown Wyoming is really fun only during Dream Cruise and you are spending most of your time in parking lots. Would spend more time in town if we had nice quiet road to walk down (opposite of 28th St.) and shop and sit or play.	Apr 1, 2012 4:06 PM
25	X		Natural areas in the panhandle as long as they are policed and maintained	Apr 1, 2012 7:18 PM
26	X		The Pines golf course would make a great park. I don't golf so maybe I'm missing the value of a golf course in the middle of the city. Same for the county run one on 52nd. That could be a great green space if you didn't have to dodge flying golf balls.	Apr 2, 2012 10:20 AM

There is no better place I would have liked to see my tax dollars spent than to have the bathrooms opened so that moms could fully enjoy the park during the day in the 90 degree weather. I have 4 children ages 6 and under... when there are no bathrooms, you cannot stay long. The parks were packed and everyone was talking about how ludicrous it was not to have the bathrooms opened. 3	X		There are some courts for Pickleball but with cracks. There is suppose to be a clinic for this sport this Spring. The courts need to be in good shape to make sure there are no injuries.	Mar 26, 2012 9:33 PM
4	X		Keep up the great work.	Mar 27, 2012 8:41 AM
5	X		spend less money, but do it in a practical way... I know its difficult just don't have some stupid all-or-nothing tea bag mentality, please be smart.	Mar 27, 2012 9:04 AM
6	X		We have to be a vibrant city but I believe we can not take too much on. Taxpayers are tapped out and with gas prices now we do not need anymore burden.	Mar 27, 2012 10:08 AM
7	X		Again, I would like to see all City run parks be smoke free for the well being of our citizens and especially our young children who play at those parks and have to breathe the air in the space we provide for them.	Mar 27, 2012 10:19 AM
8	X		Wyoming has the best park system in the area. I LOVE our parks!	Mar 27, 2012 4:41 PM
9	X		community center idea should be introduced now for ideas and not be built without community committee being formed. we need to recover from the disaster of passing last police and fire millage and then the debacle of giving office staff raises!!!! VERY POOR TIMING AND PR MOVE.	Mar 28, 2012 7:25 AM
10	X		I would have liked to been able to provide more comments throughout the survey. For the example the question on bike lanes, are they needed - yes. Does the City have the ability to add bike lanes to existing streets - not really without a lot of expense. Therefore, I answered the question no. A somewhat similar response was given regarding a community center. I do not believe funding exists to build, maintain and operate a community center at this time. As for Team-21, while it maybe a good program and have many merits, I believe that the school's should look at providing towards the some of the additional funding.	Mar 28, 2012 3:58 PM

12	X		I believe that the Parks department does an excellent job. I would love to see more wild areas and less man made things in parks. The park on 40th street has natural areas surrounding the mowed and maintained areas and it is unique and lovely. Not every park has to have all of the wildness mowed down.	Mar 29, 2012 12:21 AM
13	X		I appreciate the beauty of our City, the city-owned buildings and the attention and care given to our parks. Dirty and unkept areas aren't used and our parks are great!	Mar 29, 2012 11:21 AM
14		X	Frog Hollow should have a small splash pad at the space to the right of the restrooms! That would be great!	Mar 29, 2012 11:28 AM
15		X	We are members of the dog park and are so impressed with it! What I appreciate most is the high standards one must meet to become a member. It keeps out irresponsible dog owners. I hope that the city continues to require dog owners to spay/neuter their dogs and keep their records up to date.	Mar 29, 2012 11:31 AM
16	X		The sports/dance programs are competing with the YMCA and other local athletic clubs so class size and pricing need to remain competitive.	Mar 29, 2012 11:39 AM
17		X	Love the park system! and appreciate the programs.	Mar 29, 2012 11:43 AM
18	X		Additional fire and medical first responder presence in south panhandle area are needed.	Mar 29, 2012 11:53 AM
19	X		Bathroom facilities need to be open earlier in the spring and later in the fall. I have been at a park several times in the last year with children who needed a bathroom only to find that they were closed. Even a portable toilet would be appreciated.	Mar 29, 2012 12:05 PM
20	X		Thank you thank you for this survey. Park planning is so important! Green space is so so important to keeping and making Wyoming great.	Mar 29, 2012 12:23 PM
21	X		Please consider developing the rest of the Gezon Park area, and please consider taking over the baseball and football programs previously run by SKRA.	Mar 29, 2012 12:39 PM
22	X		My dog is too aggressive with other dogs for me to take her to the dog park, despite my extensive efforts to "rehabilitate" her. She is a very energetic, HUGE dog, though, so we desperately need exercise opportunities. I am not comfortable walking her in my neighborhood for a variety of reasons, including other people's dogs running free. We count down the days until October 1st, when we can resume going to Pinery in the fall and we are very, very sad when May first comes and we can no longer go. (I use a lot of gas commuting to Riverside Park all summer.) It would make sense to me and make my life a great deal better if we could just go to Pinery during certain times of the day, all summer long. For example, what if we changed the rule to say that dogs can go during the summer but only before 10 am? I don't think that there are ball games before 10 am, are there? I have even thought about just "sneaking" in, early in the morning, but I don't want to be that kind of criminal. ;~) Thanks.	Mar 29, 2012 12:49 PM

26	X		We already have such high taxes in Wyoming, so I believe these funds need to be used wisely, rather than asking for more money.	Mar 29, 2012 3:27 PM
27	X		Thanks for all that you do. We love the job everyone does at Wyoming Parks and Rec.	Mar 29, 2012 3:27 PM
28	X		I am always encouraged at the commitment of leaders in Wyoming to listen to and build community among its citizens. I have many friends and family encouraging us to move west to Grandville, Hudsonville, or Zeeland but I and my family are committed to living in Wyoming. I'm proud to call it my city. I thank each of you for your part in working with and caring for the community that is Wyoming.	Mar 29, 2012 3:28 PM
29	X		I moved here 3 years ago and like it very much! The kids at the Bible College are awesome and I feel safe and happy!	Mar 29, 2012 5:39 PM

31	X		If this survey is to see how willing I would be to support a millage increase, I must tell you that I think this is a very bad time to ask for an increase. Maintain the parks we have and wait for expansion until the economy improves	Mar 29, 2012 9:57 PM
32	X		Parks & Rec Department are doing a great job. Keep up the good work. Thank you.	Mar 29, 2012 11:23 PM
33	X		The dog situation is bad. There are too many dogs running around loose. Let's have some stiffer penalties for this situation. I used to walk around the neighbor hood a lot. I don't feel that I can do it any more because of dogs.	Mar 30, 2012 10:02 AM
34	X		I want to get the very important information in Spanish thank you. .	Mar 30, 2012 10:54 AM
35	X		Keep up the good work!	Mar 30, 2012 11:14 AM
36	X		Lyons Park really needs to have more than a baseball diamond. It needs to have benches, a bathroom facility, and not chained off so much of the time. It's a nice place to relax but needs to used more. It could be utilized for so much more.	Mar 30, 2012 4:24 PM
37	X		With the combination of high schools in Wyoming this should provide a greater opportunity for the Rec program to combine offerings. Realizing other schools are in the city as well, but Wyoming is the biggest.	Mar 30, 2012 10:09 PM
38	X		Fitness classes offered and maintenance of Kent Trail are most important to our family.	Mar 31, 2012 12:06 PM
39	X		More family events at Lamar Park would be great!!	Mar 31, 2012 5:32 PM
40	X		We keep missing the soccer registration dates, they seem too early compared with the actual season dates. Also, a community pool would be great for this area.	Apr 1, 2012 12:26 AM

41	X		Keep up the good work and if you can transform our parking lot heavy and empty strip malls into something beautiful and welcoming we will stick around for a long time. Good luck.	Apr 1, 2012 4:11 PM
42		X	I texperiencedthink the adult softball program is the best run program that I have experienced. I played in the Grand Rapids program for about 30 years and I truly appreciate the Wyoming Program.	Apr 1, 2012 6:06 PM
43	X		I believe the people in the panhandle would be very frustrated if you try to build a community center. Both the Wyoming senior center and the fire station have been closed on our end of town and we have very limited access to Wyoming parks.	Apr 1, 2012 7:23 PM
44	X		I have had some orthopedic surgeries that prevented me from participating in the Wyoming programs, but would do a lot more if I was able.	Apr 1, 2012 8:34 PM
45	X		Please consider fixing up Kelloggsville Park as it is sort of dirty feeling; the sand under the playground area is always full of cigarette butts and branches and other miscellaneous stuff. A few times I have picked up hundreds of little pieces of broken glass that were all but invisible and could have injured children very badly if they jumped into it, since it's very hard to see in the sand. Maybe consider a different type of ground like they have at Frog Hollow that is safe but also more clean. Also more police patrols in that park would be great as I am pretty sure from what I have observed in the past there are some shady things going on from time to time there, and this prevents me (and I'm sure other mothers) from taking my kids there unless accompanied by my husband or other adults. It is the only park within walking distance of my house so anything you can do would be greatly appreciated.	Apr 2, 2012 12:29 AM
46	X		Love our parks! Bring back Celebrate Wyoming soon!	Apr 2, 2012 10:21 AM
47	X		The goose poop on the soccer field stopped us from ever playing soccer in Wyoming again.	Apr 2, 2012 5:27 PM
48	X		The play and learn program alone makes me proud to live in Wyoming. It makes me feel like my tax dollars are benefiting us and I am so pleased. The kids had the most amazing summer last year... all because of Wyoming Parks and Rec. Thank you!!!	Apr 2, 2012 7:30 PM
49	X		Please continue to keep bathrooms at parks clean! I wish the spirea bushes at Lamar Park would be trimmed correctly....supposed to be a "free" form...not buzz cut!!! Flowers are always cut off ! Check with Flowerland for correct form!	Apr 3, 2012 6:21 AM
50	X		Thanks for all you do! The COW parks are a wonderful part of our community!	Apr 6, 2012 1:01 PM
51	X		Make a program or something for hispanics/ latinos. Then, make bike trails throughout the city more. Also, keep the Team 2.1. and have a Teen center. There are a lot of teens that need a center just for themselves and to only have their age around them only.	Apr 9, 2012 7:49 PM

53	X		dont pool your money with wyoming police.. keep your own funds. get some more employees that care not some young punks that drive like they are in nascar with your trucks. Hire some park police officers(like kent county does give them power to arrest and write tickets enforce laws and kick out our rift raft the gangs and drug dealers and the people that buy the drugs. make us feel safe again like i did when i was younger and people and city officals really cared about our city not some jerk of a mayor jack poll with his fake tan running our city into the ground.	Apr 10, 2012 7:39 PM
54	X		The city should look for more partnership collaboration then trying to run their own programs. There are organizations in the community that could benefit from a partnership and costs would be lower for both organization. We are moving out of the individually generation and the need is building for a partnership generation.	Apr 11, 2012 2:05 PM
55	X		The people of this city have been losing income, but the City keeps wanting to ask us for more. Why don't you all cut your salaries to help out with budget shortfalls? Wyoming Public School employees took HUGE paycuts this past year to keep our jobs. How would you even DARE ask for more money from us, when you don't take paycuts yourselves? Your community is getting more and more frustrated with you!	Apr 12, 2012 3:17 PM
56	X		everything good, thanks for seeking input	Apr 14, 2012 8:41 AM
57	X		It would be great to get youths that have to do community service in the parks to remove graffiti and trash. Also would be great to get schools into closest park to pick up trash and teach kids to use a trash receptacle. So tired of the litter and then the workers just chop it up with the lawn mowers and they make it worse.	Apr 16, 2012 1:19 PM
58	X		I believe that Wyoming has an adequate number of parks and services to meet community needs. Kids don't need the city to help entertain them. Give them a field and a tree and they can entertain themselves. If not grow more trees in the fields. Green space is enough of a park in my opinion. And please no more water parks. Garden hoses at home work just as well. I must sound like Scrooge but I'm not. I just think government does too much for people.	Apr 18, 2012 4:32 PM
59	X		Marquette park play equipment has a substantial amount of graffiti on it and a lot of it is very inappropriate.	Apr 24, 2012 10:44 AM
60	X		Would love to see a community pool. The YMCA is way too expensive.	Apr 24, 2012 10:50 AM
61		X	If we had a family rec center, we could have table tennis, pool tables, bumper pool, games, basketball court, maybe indoor soccer, concession area to take in some revenue to support the building	Apr 25, 2012 10:00 AM
62	X		I think the parks and rec dept. is vital for the health and wellbeing of the citizens it serves. I'm so glad this dept. does so much and has opportunities to serve so many. Keep up the good work! My only complaint is that I wish the classes/programs lasted longer!	May 2, 2012 3:16 PM

63	X		The City of Wyoming does a wonderful job with the parks and recreation. Keep up the good work and we look forward to seeing the changes and additions the department comes up with.	May 15, 2012 9:26 AM
64	X		Thanks for your interest and asking for our input. I would like to see restoration in the city of Wyoming and am encouraged to see this in the Parks and Recreation.	May 15, 2012 10:17 AM
65		X	Law enforcement interaction with immigrant families in Wyoming needs to improve. Strained relations make it difficult for families to be partners with community policing efforts.	May 15, 2012 10:24 AM
66		X	Lamar Park could be a world class disc golf course and there are many citizens that are willing to invest time and money into it. I am not understanding the apathy on this site.	May 15, 2012 10:28 AM
67	X		Wyoming's parks are maintained very well.	May 15, 2012 10:51 AM
68	X		No more taxes!!! Live on what is brought in already. No new renovations or buildings!! Disappointed about the waste this city has had with round buildings and wavy roof lines(library). Those things are so expensive and so unnesesary.	May 15, 2012 11:09 AM
69	X		I think more parks need baby swings, not just the handicapped ones. I live close to Oriole Park, and I have 2 small children ages 3 and 8months and neither can use the swings bc the plastic part on the handicapped swings cover my 3 year olds face and my 8 month old can't fit in them at all. We usually have to drive farther away to go to the park instead of using the one in walking distance.	May 15, 2012 11:35 AM
70	X		i would not mind paying a small fee for a yearly permit for metal detecting.	May 15, 2012 11:45 AM
71	X		Wyoming Parks and Rec is doing a great job! Keep it up!	May 15, 2012 11:54 AM
72	X		You guys do great job.	May 15, 2012 1:02 PM
73	X		Safety is also becoming an issue on Kent Trails. Not sure if Wyoming P&R have authority over that area, but it is not safe for children to play on the trail without careful adult supervision.	May 15, 2012 1:16 PM
74	X		I would like the city to go back to painting over grafitti on private property and to stop mowing the medians every week. I feel it is a waaste of money when it could be done very other week.	May 16, 2012 2:34 AM
75	X		I would be more willing to participate in events at a community center than at schools - especially Godwin!	May 17, 2012 12:20 PM
76	X		You made a promise and broke it. I have always supported and voted for any financial increase for the area. My trust is gone, I will no longer support any funds to Wyoming.	May 17, 2012 12:27 PM
77	X		has anyone thought about maybe having swan boats at Lamar? teens could earn money pedaling rides around the lake,	May 17, 2012 12:30 PM
78	X		I would love to see Wii Fii offered at some parks! Also, if funds run short, look at a combination of all 4 options, find ways to cut the waste, first then look at a small increase in fees; if that's not enough then look to a millage! Have a fundraiser like the schools have to do!	May 17, 2012 12:35 PM

79	X		It would be nice to have tutoring classes (besides team21) maybe for a small fee for specific subjets like math, reading etc. etc. The more learning programs are out there for kids, the better is for their future and the city's as well... Smarter kids, become smarter adults, they can go to college and have bright future...they won't be lazy and they won't live out of government funds.	May 17, 2012 12:53 PM
80	X		Why can't the bathrooms be open during youth soccer practices?	May 17, 2012 1:23 PM
81		X	I would like to see more dog parks in Wyoming at least 2 more.	May 17, 2012 1:32 PM
82		X	Love the WSC	May 17, 2012 1:46 PM
83	X		I feel that they senior center could double as a community center. They could possibly use it for after school programs and/evening programs... for all. However, then you would need more staffing...	May 17, 2012 2:48 PM
84	X		I read this recently and it's very disappointing the DNR is discontinuing the planting of trout in Buck Creek. It is a very nice stream for kids to learn to trout fish and it's fun and easy to get to it'd be nice to see the city do something about this.	May 17, 2012 4:25 PM
85		X	no comments	May 17, 2012 4:28 PM
86	X		IT WOULD BE NICE TO HAVE A FIREARMS SHOOTING PROGRAM AND RANGE THE BEN AVERY RANGE OF PHEONIX AZ IS A GOOD MODEL	May 17, 2012 4:39 PM
87	X		This town really could use a public pool; not more splash pads. There is nothing for the school-aged child to do during the summer. I grew up with two public pools and spent most of my youth at these pools. Taking out the Jackson Park pool was the biggest mistake ever in my opinion. It could have been repairs and folks would have been content. Loss of the pool was a HUGE disservice; it eliminated fun for families, youth, and jobs for teens of which there is too little of nowadays.	May 17, 2012 5:10 PM
88	X		I have enjoyed the city of Wyoming's recreations and parks all my life, thanks!	May 17, 2012 7:11 PM
89	X		Used to use parks more, working full time limited my use. Look forward to using them much more!	May 17, 2012 10:28 PM
90	X		At the Pinery Park when there's lot of people it would be a great idea for the police to go around walking if possible. Because there is people smoking illegal stuff. Or smoking close to where the kids are playing.	May 18, 2012 12:42 AM
91	X		More fees are fine and should be considered, however we should have no additional taxes. I believe in your mailings we should have an option to donate funding for a fourth of July celebration at Lamar Park. This brings many people into the city. If we raised money year around for this event we probably could do it with donations. Set the goal and have different levels of giving i.e. silver, gold etc.	May 18, 2012 10:24 AM
92		X	For the most part Wyoming does a good job keeping up the softball fields with the exception of Kelloggsville.	May 18, 2012 12:22 PM

93	X		A pool would be awesome. Also, seniors seem to get preferential treatment on some of the programs that are suitable for all adult ages. For example, there was a painting class offered awhile back, but it was for seniors. Why just seniors? Why not eliminate the senior center and have a community center, and dedicate certain days/times to seniors. We don't need 2 centers. We are 1 community, old, young and everything in between. Why not open that up to the rest of the community? that would solve 2 birds with one stone. There also seem to be alot of unusual programs or programs that don't attract alot of people, and if they aren't generating revenue or a large interest by the community as a whole they need to be cut. There are too many real needs in our community.	May 18, 2012 12:43 PM
94	X		Wyoming has more than enough parks at present. When you throw in school playgrounds which are also available for recreation purposes - There is no need for any more.	May 18, 2012 12:49 PM
95	X		not sure how possible it would be, but the restrooms need to be opened earlier in the year. I realize that this year was quite the exception, but lets just say I won't walk around in the woods near the restrooms for a while if I were you.... i think people wore a path.	May 18, 2012 1:10 PM
96	X		Quit spending money on parks!!! We have enough parks in Wyoming! It seems like that is all the city does is concentrate on parks when there are so many other issues more important. It is NOT SAFE here, especially in the parks. I used to walk 2-3 times a week in Pinery Park and I NEVER go there anymore. They need security not more crap put in them.	May 19, 2012 9:05 AM
97	X		Stay on top of the graffiti under the bridge on 44th and Burlingame - please. Also, we need the boardwalk completed.	May 22, 2012 8:09 AM
98		X	I am not a resident of wyoming. but I am interested in the bowling league and maybe a few other activities you have to offer.	May 22, 2012 12:38 PM
99	X		My income is at the lower end of the scale and therefore I look to keep my property taxes as low as possible even if that means voting against a millage proposal for something I might otherwise support.	May 23, 2012 12:28 AM
100	X		Suggest you remove the fence on the first base side of softball field at Palmer Field fro sledding. Tough for kids to find a safe place to sled during the winter.	May 25, 2012 4:26 PM
101	X		We use the parks for biking and walking. we use the parks with our grandchildren for play and picnics. Put a liner in the Lamar park lake with filtration, sand bottom and beach as it was when I was a kid. I believe you could float a millage on that and an adjacent indoor community center with an indoor pool.	May 28, 2012 2:02 PM
102	X		My race and type of building I live in are not important.	May 29, 2012 2:11 PM
103	X		(written next to bike trails question - marked "undecided") - I would like to know if there are more bike trails besides Kent Trails, and where they are.	May 29, 2012 2:55 PM

104	X		I feel the City of Wyoming should lower the speed limit to keep kids safe, have extra police patrol when kids are going to and from school to eliminate crime on child, put speed bumps on residential streets that have high traffic/speeding.	May 29, 2012 2:59 PM
105	X		This program (TEAM 21) is Great for my kids and a lot of others. PLEASE DO NOT TAKE AWAY!! // Comment listed next to the disability question: Bi-polar and ADHD daughter; Husband-Asperger's syndrome	May 29, 2012 3:09 PM
106	X		Written by "What should the City do if faced with a shortage of funds?" next to "raise fees" specified rental fees for parties/groups. Next to "Reduce Park Maintenance" emphasized using only what is necessary.	May 29, 2012 4:22 PM
			GENERAL: Thank you very much for the special services and recreation that you offer the community of Wyoming. It is very good. "Gracias"	
107	X		In regards to the question about should land be left in its natural state...I think Wyoming needs more wooded parks left wooded. With nice trails. A place where you can take a nice peaceful walk minus the noise of busy streets.	May 29, 2012 8:53 PM
108	X		I wish the facilities are not subject to be open in certain day for example - This year the weather is warm sooner that most of the years, yet the facilities are not open (like restrooms and water fountains)	May 30, 2012 8:41 AM
109	X		Excellent Job TEAM 21!	May 30, 2012 9:35 AM
110	X		Would love to see a place where swimming is possible with classes for Wyoming.	May 30, 2012 9:43 AM
111	X		I was undecided about a community center because we currently have programming that provides many of the same services as a community center. I'm not sure if there is, at this present time, a need.	May 31, 2012 1:27 PM
112	X		Battjes parks pond/lake seems contaminated. Has this been checked? Soccer in the fall at Lamar Park is disgusting because of the goose poop! Is Marquette park the same? Maybe fall soccer should be at Marquette and spring be at Lamar.	Jun 4, 2012 6:20 PM
