

WYOMING POLICE DEPARTMENT

ANNUAL REPORT 2008

JAMES E. CARMODY
CHIEF OF POLICE

Introduction

Each year the Wyoming Police Department prepares an annual report of crime statistics for the City of Wyoming, the Michigan Incident Crime Reporting (MICR) and the Federal Bureau of Investigation Uniform Crime Report (UCR). This data is compiled from offenses reported to the WYPD, monthly police reports and individual crime incident reports.

The primary objective of this annual report is to provide a reliable set of criminal justice statistics for police administration, operation, and management. The localized study of crime data enables personnel to assess the influence of crime on districts, neighborhoods, and people. Similarly, crime statistics permit analysis among neighboring jurisdictions, and with those of similar populations and other characteristics. A broad examination of the crime data allows individuals to view the nature and movement of crime, underlying changes, and fluctuations throughout the City of Wyoming, the State of Michigan, and the United States.

The WYPD is committed to improving the reliability and validity of our crime reporting data. We are attempting to achieve this goal by study and analysis of major crime indexes, and understanding the impact of classification revisions mandated by the State. As a result, some offense categories have decreased, while others increased. Our efforts are providing a reporting system that will be more accurate, valid, reliable, and compatible with State and Federal standards.

Wyoming at a Glance

History

The first permanent white settlers arrived in the area in 1832, making it one of the first-settled areas of the county, and indeed the whole Western Michigan region. Initially, the area was part of Byron Township, Michigan. Wyoming Township was organized out of Byron Township in 1848. In 1933 Grandville, Michigan as incorporated from a part of Wyoming Township. Prior to this the furthest north-west square mile of the township had been annexed by Grand Rapids. In 1947 and 1948 Grandville annexed more sections of Wyoming Township. In the 1950s other portions of the township were annexed by Grandville and also Walker, Michigan.

The entire remaining township incorporated as the City of Wyoming in 1959 to protect against further annexation of land by the cities of Grand Rapids and Grandville. Wyoming is named for Wyoming County, New York, from which many early settlers came. The city's residents are a unique mix of working class/blue collar residents to middle class suburban residents. The eastern section of Wyoming was originally part of Paris Township.

Congratulations Ofc. Walker!

“Officer Walker placed Second at the 2nd Annual Bikes on the Bicks Law Enforcement Motor Officer Skills Competition in the Road King Class.”

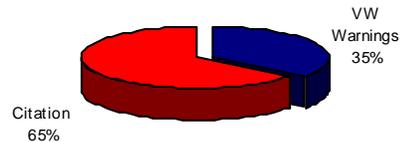

The unit is staffed by Sgt. Mike Eparier, Officers Mark Armstrong and Charles Walker. Ofc. Brian Hudenko was in the unit until May of 2008 when he was rotated back to patrol several months early due to staffing issues, and his position was not filled.

In 2008:

- The unit stopped 1.8 vehicles, wrote 1.3 citations and issued .73 verbal warnings per patrol hour.
- Officer Armstrong investigates all school bus violations.
- Additional activities include planning for all parades, assist other departmental units, and staffing any motorcade details.
- Sgt. Eparvier, Ofc. Hudenko and Ofc. Walker are certified Police Motorcycle Officers. This enhances the unit’s ability to work high traffic intersections in an effort to reduce the number and severity of crashes. The unit hosted a regional training session in the spring of 2007.
- Equipment: The unit has two Harley Davidson Road King Motorcycles and will purchase a third in 2008. The unit also has a 2001 Chevrolet Camaro to use for traffic enforcement.

School Liaison Program Annual Summary

School Resource Activities

Sgt. Mark Easterly is the supervisor of the School Resource Officer Program (SRO). The School Resource Officer program is a nationally accepted program involving the placement of a law enforcement officer within the educational environment. The officer, while in school, is involved in a variety of functions aimed at prevention. Besides being an active high profile law enforcement officer, the SRO is a resource for students, parents, teachers and administration regarding law issues.

Another duty for the SRO is being a link to other service agencies which provide preventive and counseling services within the school district. Working hand in hand with the Principal in each school, the SRO assists with finding solutions to problems affecting school age children.

Special Events:

- **Safe School Initiatives:** The unit facilitates School Emergency Response Group meetings, where administrators and staff from forty K-12 school buildings within our city limits meet to discuss various issues relating to safety and security of our schools.
- **Metro City High School Police Academy:** Every summer since 1996, the Unit has participated in the academy. Each class consists of thirty to forty students from twenty-nine different schools. During the week long program, the students are given a condensed version of a police academy. This program is free of charge to the participants.

Department Training Annual Summary

Training Summary

The training unit utilizes many methods to improve upon our employees knowledge, skills and abilities. These include but are not limited to: Field Training, In-service training program, West Michigan Criminal Justice Training Consortium (WMCJTC), and vendor provided training.

Training Methods

In-service Training is conducted during the traditional "school" year on Thursdays to minimize the impact on the patrol schedule. This training is designed to hit the core areas of law enforcement and included the following topics in 2008:

Bio-hazard Awareness	Defensive Tactics
Handgun Qualification	Hazardous Materials Update
Lead Awareness	Legal Update
M-4 Initial training & Qualification	Shotgun Qualification
Officer Involved Shooting Protocols	Uniform Inspections
Use of Force Scenarios & Lecture	

WMCJTC, as a member the department pays one third of the state provided training funds (302 funds), and then may send officers to the various training programs offered. The training unit takes an active role in the Consortium by brining forward programs that our agency specifically wants to send personnel to, by doing this we pick the dates for the training and host it at our facility further reducing the costs associated with training. A contact hour of training from the WMCJTC was approximately \$3.50 in 2008. WMCJTC courses attended in 2008 were:

Active Shooter Response	Basic Detective
Basic REID Interview and Interrogation	Basic SWAT
Close Quarters Gunfight Survival Tactics Inst.	Legal Update
Community Crime Prevention	Business Security
Digital Evidence- First Responder	Taser Instructor
Major Case Investigations	Precision Driving
Emotional Survival for Law Enforcement	Field Training Officer
IPBMA Certification	K-9 Decoy
Managing the Detective Unit	Phys. Crime Prevention
Sig Arms Armorer	Street Survival Seminar
Spontaneous Knife Instructor	

Vendor provided training, is training that we can not obtain in the previously described methods. Some of the courses attended by outside vendors in 2008 include:

Bill Westfall Leadership
Copper and Metal Theft Investigation
Grand Rapids Police Department Leadership Institute
Gil Skinner Management course

GROUPS HOSTED

Our training facilities hosted the following groups in 2008:

Child Death Review Team
Kent County Area Police Chiefs
Metro Honor Guard Commanders
Patrol Commanders Group
RSVP
Area Gang Investigators
School Emergency Response Planning

Field Training is the foundation upon which all other training built. In this year the Field Training Program underwent a departmental review that resulted in the change of our program from Field Training Associates to the DeWolf & Associates Field Training.

This program currently last from sixteen to eighteen weeks in length and is broken down into six phases, orientation, Phase I, II, III, and Shadow. The probationary officer is then evaluated on monthly basis for the duration of the probationary year by the patrol sergeants.

Community Programs

Neighborhood Watch Program

Our Neighborhood Watch Program encourages people in our community to have ownership of the neighborhoods by becoming more aware of their neighbors and report suspicious activity to the police. This program also encourages collaboration among neighbors to actively address community issues and concerns. Representatives of the Wyoming Police Department joined Neighborhood Watch groups in celebrating the 24th Annual National Night Out.

Child Watch

We have trained and screened volunteers throughout the city to assist us in providing a safe haven for children in distress. In addition to the community volunteers, the schools partner with us to provide the children with the educational to let them know the house with the watchful eye is a safe haven for them in an emergency.

Metro High School Police Academy

The Metro High School Police Academy was formed in June of 1996 as a cooperative effort between the Wyoming, Kentwood and Grandville Police Departments. It has since expanded to include the departments of Walker, Rockford, East Grand Rapids, the Kent County Sheriff's Department. Since the expansion, the program services students from over 29 different schools. The academy offers the students with forty –eight hours of instruction that is based on the Michigan Commission on Law Enforcement Standards Basic Police Training Curriculum.

National Night Out

National Night Out is a nation wide crime prevention programs that encourages people to get out and meet their neighbors. The unit coordinates with other area police agencies and our Neighborhood Watch Groups to arrange public displays of police equipment, neighborhood block parties, parades and other gatherings for the event.

CITY OF WYOMING CRIME CLOCK

The Crime Clock should be viewed with care. This contains the most aggregate representation of WYPD data, it conveys the annual reported crime experience by showing a relative frequency of occurrence of Part I offenses. It should not be taken to imply a regularity in the commission of crime. The Crime Clock represents the annual ratio of crime to fixed time intervals.

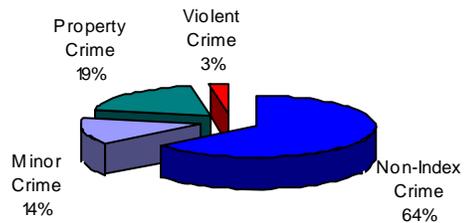

Uniform Crime Index, Total Crime Index Offenses 10 Year Trend 1999-2008

Crime Index Defined

The Crime Index is composed of selected offenses used to gauge fluctuations in the overall volume and rate of crime reported to law enforcement. The offenses included are the violent crimes of murder and non-negligent manslaughter, CSC, robbery, and aggravated assault and the property crimes of burglary, larceny-theft, motor vehicle theft, and arson.
