

**WYOMING WOLVES COMMUNITY EVENT & ALZHEIMER'S CHARITY FOOTBALL GAME**

**FRIDAY, SEPTEMBER 21, 2012 (3pm to 6:30pm)**

**A Reason to Hope Starts with ME....& YOU.**

The Wyoming Wolves are hosting a Community Event/3<sup>rd</sup> Annual Football Game, dedicated to the fight against Alzheimer's. On behalf of our football team, committee & district, you are invited to set up a table space for your art, craft, product or service. This game against Sparta will also be televised by Channel 17 as their game of the week. Our goals are to raise funds, awareness & much needed support for this worthy cause.

We respectfully request a donation (10% of your sales for the evening), 100 % going to the Alzheimer's Association. Our plan is to organize a festive outdoor event with much to do, see & learn. If the weather does not cooperate, we will be able to set up our vendors inside. Please fill out the following sheet or email your information to secure your reservation & receive confirmation.

We look forward to working together in the fight against Alzheimer's.
