

Wyoming Senior Center

It's your **time.**
It's your **place.**
It's your **WSC.**

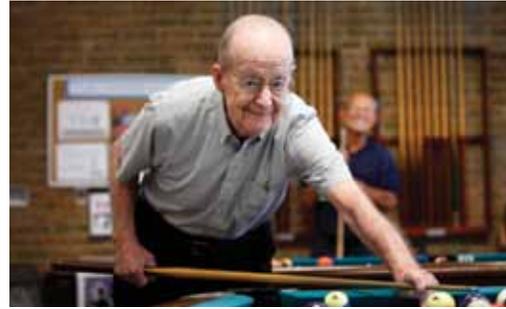

Let's meet at the **WSC.**

It's called the Wyoming Senior Center, but you don't have to be a senior or live in Wyoming to participate. Many WSC programs and services are free. Other classes and activities have low cost fees, affordable to almost anyone.

This is a comfortable, welcoming place to meet new friends, play a good game, get your heart pumping and learn something new. It's your place with programs and events specially designed for people aged 50 and older.

It's your time to enjoy life. It's your place for fun and friendship. It's YOUR WSC.

You'll find fun and friends at your **WSC**.

Greeting Area

Come on in. This beautiful facility is ADA-accessible and is operated by the City of Wyoming Parks and Recreation Department.

Community Room

Here's where big parties happen, big dinners or any get-together where you can connect with others that share your interests.

Coffee Shop

Let's meet for coffee, conversation and a doughnut. At one time or another, you'll meet everyone here.

Game Room

It's a room full of fun — cards, billiards, competing and exercising to the Wii screen.

Exercise and Dance Studio

Fitness is fun in this well-equipped exercise studio. Pump the pedals, pump some iron, do-si-do or do the downward facing dog.

Two Art Studios

Consider them your art studios. Fire pots in the kiln, stretch a canvas, create a quilt or carve a memory in hardwood. Experts show you how. Your talent does the rest.

Tech Room

Surf the internet and upload snapshots. Download family pictures from Facebook and learn online banking. Get help putting apps on your smartphone.
