<td>I would significantly prefer keeping the trails and woodlands to any organized activity. We walk on the trails daily and I know that many, many others are out there enjoying the wildlife as well. We have plenty of parks close by that we use for soccer or other activities and I think the one greatest strength (and what it offers that no other park does) is the nature and walking trails. It is why we bought our current house.</td>

</table>
restrooms clean and private

If there are any ponds, streams, or bodies of water, they should have a fence around them so children can't fall into them. Have lot's of benches near the play areas so parents can keep a very close eye on their children.

Equipment in great condition. Lighting

Well lite. Ease in parking. Trash maintained.

Barriers (fences, etc.) between playground and traffic.

Dogs on leashes, clear paths,

Safe layout of paths and parking, safe equipment, location

when walking I don't want skate boarders on the same path.....it's just fine to build an area for them with jumps, curved walls etc.

There should not be bumps or holes at the park or on soccer field. Bathrooms should be well equipped and clean. Bathrooms need to be renovated.

Available activities or events that interest me

Cleanliness, State of repair and appearance of neighboring houses

Lights, open area, neighborhoods

Lighting, emergency contact system

Trails with clear paths

Open concept so you can see around you

I don't feel safe when people are lighting off fireworks for their own personal use in a public park. This practice is a fire hazard and disrupts nesting birds and other wildlife. Unleashed dogs.

Safe surfaces

Cleanliness, condition of equipment and location

Lighting

Surveillance, police patrols

Gates, plenty of lighting

Secure place to park, lighting in the evening, restrooms easy in/out - family restroom

pedestrians have safe walkways, lighting, emergency call box

I don't

Visibility - lighting at night

Visibility of others, cleanliness

Is playground equipment safe?

Lighting, visibility,

Good parking, clean unlocked bathrooms , good drinking fountain

Well lit, newness of playground equipment, traffic

Lighting, safe area

none, don't live there any more. I move Menifee CA

not sure

Playground equipment

Lighting, parking, fencing

Disability friendly. Inclusion for all children and abilities.

Adequate lighting enough parking

</table>

33 / 124
321 Visability
322 Security
323 ticks
324 Safety history. Open views
325 lighting, proper marking, signage
327 How many people are there when I come; do I always have to be by my child or are they contained in an area and I just have to ensure I see them and there is a fence; busy streets or parking lots
328 Lighting, clean safe bathrooms, playground equipment in good repair.
329 Lighting, Areas open to view/supervision, cleanliness
330 Location, lighting, openness/visibility
331 The ability to see parking lot area (openness). Lack of steps and uneven ground. Maintained bathrooms.
332 Line of sight
333 Lighting, parking, restrooms are clean
334 Playgrounds and splash pads being away from traffic and parking with some sort of barrier to keep children in the area.
335 visibility, lighting
336 Fences around playgrounds area for small children. Vs big kids
337 Lighting. Rude Adolescents
338 Well kept trails.
339 If it’s gated/fenced in. No dogs is huge, I hate dog crap on my shoes & on my kids. Dogs need a SEPARATE park/area & should NOT be shared with children. If there’s a bathroom: men’s & women’s, & family.
340 Visible. Well lit. Well attended
341 Not too obscured with a lot of bushes or trees
342 Lights at night
343 No creepy people
344 Playground equipment, lines of sight, bathroom location, parking proximity
345 What is the crime history in this park? How often have I found a used needle or knives or anything along those matters? Does the disc golf course interfere with stuff regularly happening? i.e. Will someone potentially walk onto the gold course, or is the basketball courts open (or baseball fields, etc.) Not fenced in? In Kentwood at Old farm Park, some basketball players start fights with the discers.
346 more than one entrance/exit
347 Is it safe. Is there security and cameras?
348 Visable park security personnel would be nice.
349 Is all the equipment taken care of
350 Having enough space to do our individual activities without impeding on others doing the same.
351 Well lit, clean bathrooms, sponge floor under play equipment.
352 Safety, good for toddlers and big kids, able to see the kids easily
353 Good lighting
354 Good lighting. Security boxes that go directly to call the police. There’s no chance in hell I’ll ever go into a trail during the day or night.

<tr>
<td>474 Visibility from a seating area to children’s play area, access and egress points (Frog Hollow is great, if you position yourself near the entrance, you know your child can’t wander off). The current playground at Gezon Park on the 52nd street side is also nice because of the empty space surrounding it, you notice when kids are coming and going. The mowed path looping around Gezon Park is lovely, but the seclusion makes it feel like it may not be particularly safe. I think the body being found there a couple years ago has left me feeling a little uneasy about the safety of the park. Bad things can happen anywhere, and it certainly isn’t any fault of the park, it’s just unsettling.</td>

</table>
Lighting, play equipment that is well maintained and has a padded ground

Light's Openness

openness and visibility

Lighting, paths well maintained, railings where necessary, adequate cover from sun...

Lighting at night

Safe playground equipment, good lighting

number of entrances and proximity to homes

How visible all areas of the park are, so that I am able to see my son wherever he is. Appropriate lighting at night.

Shade during the summer.

Child safety, good lighting

Am I able to bike or walk there without dealing with heavy auto traffic infrastructure? (crossing busy roads or riding/walking on or near busy roads)

Lighting

Lights

none

Safety of children to have freedom to play

Equipment maintained, clean restrooms and grounds

I don't really think about it.

Nothing in particular

none, go during the day

Mountain bike trails separate from hiking trails

Open parking

Lighting. Open sight lines

Lighted parking

Personal safety

How close to the road, can children escape easily, shade available?

Is the park well lit.

Lighting/visibility

Barriers to nearby residents roads and lack of "hidden parking" where unwelcome guests can congregate.

Lighting at dusk. Clear trails.

Lights in evenings.

Cleanliness, activities available, location

Safe walking trails

Lighting

Wide enough trail for walkers and bikers

?

must be safe for me to be there....no gangs, etc.

Open spaces, quality of playground equipment, playground ground cover, equipment appropriate for a variety of age groups. Splash pad safety :)

Can I get there without a car?
If it's near traffic, is there plenty of lights, is there separate walkways for pedestrians, I prefer the park to be widely open.

Lighting, not secluded

condition of equipment, surrounding neighborhood, behavior of other patrons at the park

what kind of area it's in. For instance - the GR Bike park - lots of homeless using it as a campground - not good for kids

Neighboring sites (homes, offices etc.), lighting, parking, visibility to main roads, fencing

Restrooms closeby, fenced in, appropriate playground equipment

Surrounding areas of the park, parking lots and the traffic flowing around the park.

Camera, staff on hand, how well lite it is. Condition of neighborhood Park is located

security(personal safety), well maintained equipment and trails/paths

It is very convenient for parents and grand parents to have a fenced in playground. Sometimes the little ones can take off running and at our age it is sometimes difficult to keep up with them.

That there are usually other people present or visibility from the road or houses.

Apartment dwellers and teens. Possible tenuous situations turning bad.

General Avery. I have two teenaged daughters. Is it safe enough for them to be out of my sight?

I DON'T GO AFTER DARK

Equipment, lighting, parking and cleanliness

Visibility and Openness- for the safety of my children and wife. Ground cover under playground.

dogs off leash are scary

Equipment in good condition, area is well lit for visibility of child

Visibility and Openness- for the safety of my children and wife. Ground cover under playground.

Playground equipment, walking path, parking

safety open space so you are aware of your surroundings , enough benches and picnic tables, built in grills.

The neighborhood
In summer I usually look for one that has a splash pad. I also love when city parks are fenced in. My kid is a runner!

Lighting and parking

Clean, safe area.

Age of equipment and lighting after dark

Older teens. Swearing. Drugs.

Fenced in playground. Fenced in splash pad, no cement structures in splash pad area (the Zeeland splash pad seems very dangerous). Close, open parking.

Well lighted and easy access in and out of the park

Is it visible by the road, is it well lit.

Safety Play area Rest rooms

robery

Is there enough open space for me to get away from traffic? Other people?

Security

Location and hazzard areas

secure bathroom areas….i watch for loiterers and groups of unruly people ...

Restrooms, and parking lot away from kids activities

Good sight lines for seeing children playing. Fenced in Splash pads and playgrounds.

lighting, periodic police patrols or when a grounds keeper isn't working. safe baths well lit, clean graffiti free locked after hours cleaned every morning.

I don't consider any factors

Is there blockage from a busy street? Is it easy to see various parts of the park at one time? Is the play area too close to the parking lot?

Lighting and crime sts.

That the ground is flat

parking lot safety, Lighting and bike traffic

Is the play ground gated like frog hollow. How close is it to the parking lot and how much visibility I have when watching my kids.

Distance to road and clean bathrooms

Well lit parking.

Fenced in area. Good lighting.

Enclosed area for little Ones to play so it's not easy to run off where I can't see them. Easily accessible bathrooms that are clean

Is the park free from loiterers, drunks and sexual predators.

Safe equipment to play on.

Visible walking path like Pinery Park for safety

Lighting, visibility of kids while free-playing, whether others are watching their kids

Cars, gangs, homeless people

None

Lighting Low crime

Tree maintenance, visibility

57 Mountain biking, rated 5

58 Mountain bike trail

59 Mountain bike and natural surface hiking trails

60 Biking/MTB/bike park

61 Please put in a mountain biking trail

62 Bike paths. Bike racks.

63 Love the natural state of parks.

64 A place to hammock (old sturdy trees).

65 More native plants and trees, less mowed lawns, no use of chemical sprays

66 I would like to go to a park where this NO sports so you can sit, walk, or play. Sports brings in too many cars, hence parking problems..

67 Again... that park is a tiny slice of silence right next to my house. We don't need anything between the north and south end of the park. We don't need more at that park!

68 Bicycle paths

69 A dog park would be great!!!

70 A premium on Natural areas that are not landscaped.

71 trails/paths for cycling

72 DOG park

73 Again, as mentioned earlier, I think one of the things that gezon offers that that others don't is the natural spaces. It's very very important to me to keep these, although adding a small amount of structures in what is currently just open lawn would be a great idea!

74 Biking area free of pedestrians

75 I love the history/culture idea. One of my favorite things of all Wyoming Parks is the historical info at Oriole Park.

76 Cycling

77 A pool would be nice

78 Public track area for runners and walkers

79 Plow the parking lot on 52nd street side in winter

80 Natural peaceful contemplative

81 Need place in Wyoming to have concerts like at Meijer gardens this park would be perfect for an amaptheater

82 Disc golf

83 Nature Trails.

84 The trees behind residential homes is VERY important to the homeowners and the existing wildlife. Trees needs to be preserved as a buffer between homes and the park.
Q15 What type of physical conditions limit or discourage your use of a park? (check all that apply)

<td>A mix of trees and open areas, a park that can be enjoyed year round by people of all ages.</td>
<td>1/11/2018 5:47 PM</td>
</tr>
<tr>
<td>6</td>
<td>Mixed use. I like how it is set up currently, plenty of natural paths (not paved) with playing fields, playground (however, a playground near the fields would be a bonus). A paved walking path around the playing fields would be a nice addition to the natural paths currently in the central area. Please do not let the natural feel of the park go away!</td>
<td>1/11/2018 3:37 PM</td>
</tr>
<tr>
<td>7</td>
<td>I've grown to like it the way it is, how it has naturally stopped looking like a cornfield and become more like a hiking trail which is right in our neighborhood.</td>
<td>1/11/2018 2:43 PM</td>
</tr>
<tr>
<td>8</td>
<td>It would have the natural landscape with walking and running paths that does not introduce vehicle traffic and large group noise. A park that allows you to enjoy nature within peaceful surroundings. Any parking made available would be at the ends North and South so not to disturb the natural peaceful environment that exists between the two. Maintain all the nice full grown tree areas along with the tall grasses for natural habitat. Do not enjoy parks that have cleared all that to put in large grass mowed areas. We have enough of those. Centennial Park could serve as a guide for natural area.</td>
<td>1/11/2018 12:41 PM</td>

<tr>
<td>17</td>
<td>A place for large family picnics, somewhere for the school down the street to have baseball and soccer practice and games, possibly jogging /walking club. Also a splashpad for families with young kids to use on hot days, with benches for parents to sit on.</td>
<td>1/10/2018 12:28 PM</td>
</tr>
<tr>
<td>18</td>
<td>walking path, restrooms, drinking fountains, some playground equipment similar to Frog Hollow</td>
<td>1/10/2018 11:20 AM</td>
</tr>
</tbody>
</table>
I would like for it to stay as natural as possible. We like to walk there and experience nature. I wouldn't want it to become over-run with lots of people, activities and noise. Also don't need to have a lot of activities there at night and a lot of lighting not needed.

More shade trees so the playground is more useable during warm months. A restroom would be nice. I love the walking paths but signage would be useful.

Nets over the setting are for foul balls, too many people get hit in the head...more shade for those sworching days

It would feel natural and private. Like a hiding place in the city, where you can get away from stress and people.

Paths for hiking and enjoying nature, paths for bikes, mt bike trails.

It would not be super huge. I sincerely hope it doesn't turn out to be some grandstand attraction with a splash pad and there are screaming kids everywhere and mosquitoes in tow because of it. It'd be nice to have one park that has soccer instead of baseball for a change. And I would love to see volleyball as an option. I envision a medium sized park where we feel safe and there are some good rules that are enforced. I see volleyball, pickleball, soccer, tennis, and maybe a way to sign equipment out. There is a dog area: an enclosed agility area and a dog run. I see a small adults only quiet area, that for once... just for once... I can go somewhere... anywhere... and not have screaming children in my face. There is a vast area where picnic tables and grills are located and two pavilions. There is parking in various areas, and seating and restroom available throughout as well. And the restrooms will be UNlocked! (It's maddening that many times that I go to a park the restrooms are locked!) Thank you for allowing us to give input.

Family friendly. Open. Fun. A place I can take my kids to play and picnic and enjoy family time.

Park should have a balance of natural settings as well as modern accommodations such as facilities and paved walkways. Along with great landscaped design and more than one area for activities.

Disc golf course

Mowed paths through grassy (wild) areas, restroom facilities near playground area, more swings to accommodate use by children and adults, expanded playground equipment offerings. If splash pad is installed, greater distance between playground and pavilion and splash pad areas (lots of flooding occurs at Oriole Park). Keep some of the natural charm and open space.

Presently this park provides the community with athletic fields that otherwise would not be available. Keep as is.

I don't know

A native plant community, with easy public access and educational value; also an area for children and families to recreate.

Native plants would be planted and protected to provide an oasis for visitors to witness native pollinators and migrating bird species. It would include a monarch way station.

I would like to see the south west corner of the property in the wooded area where the BMX bike track was and part of the open field to the south, fenced off for a community dog park, paved path around the rest of the whole property, frisbee golf, a splash pad up in the northeast corner near the playground and basketball court.

The current park has a walking path that allows for the enjoyment of nature, has shaded areas, and is a nice distance around the circle for walking. Many people already use this park for walking. I would like to see the path tarred, I would like the center of the area to be a nature preserve. Perhaps, some seating along the path would be nice. I would like to see splash pads installed near the playground area off of 52nd Street. I feel that if I need additional activity, I already use Millennium Park. Another competing park so close by is not necessary.

Playground equipment for older children.

It would feel open and safe, it would have a soccer field, playground, pavilion, and a walking path around the outside.

I would like it to stay the way it is since my backyard backs up to it but if it's going to be developed I'd like it to be more park like with walking trails and picnic areas. I'd rather not have large groups of people. As it is people come into our backyard not realizing it's our yard. Perhaps a fence around the park so people don't wander into our yards.

<tr>
<td>66</td>
<td>My ideal community park would be a personal place of peace and beauty. It would be a place where children could learn to ride a bicycle for the first time. It would be a place where families could go to take a lovely walk for exercise or for walking the family pet. There would be paved walking paths along the tree lines. In the center on both ends of the park, there would be a landscaped place with wildflowers to attract butterflies, and where benches would be placed on a circular mosaic walkway made of gardening stones. There would also be some artistic sculptures of wildlife, perhaps birds. This would be a place where people could just sit on a quiet Spring day listening to the birds singing a happy song while building their nests. It would be a get away from their worries on their lunch break or to have a coffee and conversation or a quick power walk between shifts in a peaceful setting. The new Gezon Park would be an attractive place for a family photo opportunity. It would be a place to enjoy the splendor of the yellows, burnt oranges and reds that the Maple and Oak trees provide in the Autumn. It would be a place where the elderly or infirm could move about with ease on a paved walking path. There is nothing like fresh air and exercise among nature to bring joyful rejuvenation into any person's live, young or old.</td>
<td></td>
</tr>
<tr>
<td>67</td>
<td>The options you are suggesting are appropriate.</td>
<td></td>
</tr>
<tr>
<td>68</td>
<td>Somewhere we can go outside and gather with family and friends while the kids enjoy playground equipment and a splash pad in the summer and somewhere we can enjoy nightly walks on a nice walking/bike path</td>
<td></td>
</tr>
<tr>
<td>69</td>
<td>Dog park!!!!</td>
<td></td>
</tr>
<tr>
<td>70</td>
<td>A pond for fishing/model boats. Landscaping and good parking. Surveillance and a curfew. Shelters for picnics, etc. Splash pad and playground equipment.</td>
<td></td>
</tr>
<tr>
<td>71</td>
<td>Large playground and splash pad. Includes activities for toddlers</td>
<td></td>
</tr>
<tr>
<td>72</td>
<td>Athletic fields w/spectator seating, playground equipment, nature trails/foot paths, ample parking, restroom facilities -clean and easy in/out, drinking fountains, ample trash containers and a well maintained clean and groomed.</td>
<td></td>
</tr>
<tr>
<td>73</td>
<td>A place of solace &amp; nature, unlike typical urban parks, where the noise &amp; concrete of the city disappear</td>
<td></td>
</tr>
<tr>
<td>74</td>
<td>A safe place for all people in the community to share and have fun. Nature walks with activities for families to day, look for plants or wildlife, quiet and peaceful.</td>
<td></td>
</tr>
<tr>
<td>75</td>
<td>All of the above</td>
<td></td>
</tr>
<tr>
<td>76</td>
<td>It would have trees, open space, a splash pad for the kids, disc golf for the family, agility course for dogs.</td>
<td></td>
</tr>
<tr>
<td>77</td>
<td>Little bit of everything</td>
<td></td>
</tr>
<tr>
<td>78</td>
<td>Family Friendly -- playground equipment for all ages as well as handicap accessible options, a dog area, picnic tables and lawn space. Game areas (tennis, baseball) well lit at night. A community room with option to rent year round (similar to Byron Center's rec facility -- Wyoming is HUGELY lacking in this department!)</td>
<td></td>
</tr>
<tr>
<td>79</td>
<td>It would be a family friendly place that is not overly busy where you could take your kids to play but also have a place where you can just relax.</td>
<td></td>
</tr>
<tr>
<td>80</td>
<td>I love the change for 21 year............</td>
<td></td>
</tr>
<tr>
<td>81</td>
<td>Similar to Oriole Park, Open spaces with nice play equipment and a splash pad</td>
<td></td>
</tr>
<tr>
<td>82</td>
<td>I would like it have a walking path/trail. Sufficient seating, parking. Safe playground equipment. Landscape with trees and flowers. Tennis courts. Areas for family gatherings, with enough picnic tables, and pavilions.</td>
<td></td>
</tr>
<tr>
<td>83</td>
<td>I would love to see a place where people can walk, run or bike with their family. A place to bring their kids, including their fur kids, to play and have family time. Would love to see another dog park to bring my dogs to run and socialize.</td>
<td></td>
</tr>
<tr>
<td>84</td>
<td>Keep the natural space but maybe clean it up a bit. There are some less than beautiful spaces within the park right now that need some heavy duty cleanup or macro-landscaping. I would like to keep the playground area the same size maybe expanded in some way. I would like to keep the basketball court, which I presently use regularly and I know lots of people use it. There is a large area west of the basketball court that could be used for a small splash pad and expand the parking or some other good idea that's usable but doesn't bring TOO many people. The clean up and beautifying and macro-landscaping of a natural area would cost some money tho....</td>
<td></td>
</tr>

</tr>
<tr>
<td>103</td>
<td>don't care</td>
<td>1/5/2018 5:54 PM</td>
</tr>
<tr>
<td>104</td>
<td>Splash pad, smaller play structures for littles, bathrooms</td>
<td>1/5/2018 4:52 PM</td>
</tr>
<tr>
<td>105</td>
<td>It would be safe, well lit and have paved walking trails. Enjoyable for families and young people but not catering specifically to children.</td>
<td>1/5/2018 2:43 PM</td>
</tr>
<tr>
<td>106</td>
<td>Safe, clean, lots of child friendly play space. Picnic areas, restrooms</td>
<td>1/5/2018 2:37 PM</td>
</tr>
<tr>
<td>107</td>
<td>Nicely organized, open visibility from all corners of the park with a clearly defined walking path/doggie path. Splash parks are wonderful to have in the summer and it would be great to have an enclosed area specifically for letting dogs off the leash to run- I have yet to find a park like that in West Michigan. I imagine that could be a huge attraction for dog owners everywhere.</td>
<td>1/5/2018 1:38 PM</td>
</tr>
<tr>
<td>109</td>
<td>Play area for kids, walking trails, a dog area seperated for small and large dogs</td>
<td>1/5/2018 1:01 PM</td>
</tr>
<tr>
<td>110</td>
<td>an arboretum would be nice, or at least a variety of native trees and flowers</td>
<td>1/5/2018 11:45 AM</td>
</tr>
</tbody>
</table>
Gezon Park has developed to be an amazing nature walking trail. There is nothing like it around. With being a touch of nature in a growing area - I would love to see the park utilize nature more while filling in dead areas. For example- picnic areas, billboards of history, art (maybe, something from ArtPrize).

I think safety comes first. I have attended many baseball games at Gezon park in the last 2 years and it can be very dangerous. There are no nets above each of the ball diamonds for foul balls and have witnessed many people getting hit by these balls or almost getting hit. There are no seats by the 3rd base side of one of the diamonds. Also, there is not enough parking by these ball diamonds. I would like to see these diamonds upgraded.

It would have a dog park with a water feature, please.

It would have a mix of activities from sports to playground area to walking trails. A maintained bathroom facility would be beneficial so families could stay longer and enjoy the outdoors.

We adore Hagar Park. The nature and the playground areas are great. I also love the idea if a splashpad.

Large areas designated for each activity or park. Walking paths would be very nice.

Lots of natural paths, trees and wildlife preservation. Possibly changing the current path from grass to gravel might be nice.

Needs to be well maintained-this seems to be a low priority currently. A mixture of play areas for kids of all ages. Basketball court that doesn't have low spots that hold water.

Not only a walking area for people, but a clean spacious area for off leash dog play. Please review Grand Ravines Dog Park in Jenison.

Dog park and x ski trails

Much like LaMar park

Walking paths. A large dog park would be great!

It would be a welcoming space with natural areas and paths in open areas and include areas for sports/activities such basketball, tennis and soccer. And have sufficient bathrooms and pavilions.

A meeting place for the community

I would model the park after Grand Rapids Township Park on E. Beltline as an ideal park!

family friendly splash pad

I would like to have more trails through the park. Perhaps on the east side of the river so it does more of a loop.

Inviting and safe place for walks and fitness

Clean, neatly and naturally landscaped, bathroom facilities, pavilions, large greenspaces, picnic tables, playscapes for children, walking path.

I like how it feels now. have not visited since we got a dog. go 9 miles away for an open dog park now. wish the kids had a play area next to the dog park..... Now that would be ideal!!!!!!!!!!!!!

A place to play basketball with my daughters and a nice shady place to have a family picnic. Easy access to the various areas from the parking spaces.

Walking path, picnic area, playground, splash pads, dog run, pavilion or building gathering area, nature preservation, restroom facilities

multi-use paths with connections to other parks or pathways would be desirable, something different from other parks (mountain bike trail) that would draw people to the park and keep people coming to our city parks rather than going outside the city to find what they are looking for; flexibility of the space, meaning everything isn’t defined and there are spaces that can be used for different user specified activities; and the space should be quiet, clean, and feel safe

picknic picnic area, dog runs

I enjoy that Gezon park is mainly for residents that live close to the park. I frequent the park with my children, and I like that it is within walking distance and not crowded. Having bathrooms would be nice.

better parking, we need emergency phones like the rapid stations
137 It would be just like this: https://kentcountyparks.org/douglaswalker/index.php The greatest park on the planet!!

138 It needs to be a mixed use park with something for everyone

139 I would love to have it be more of a nature park. If people want playgrounds, pavilions, etc, they could find that at Frog Hollow a short distance away.

140 Natural feel with plenty of space for wildlife (they are important too) Mostly quiet environment with lots of landscape and a walking path to enjoy for either leisure or fitness. Plenty of shade (trees are very important). Let’s keep a sustainable environment.

141 Greenpeace, landscaping, trees, natural surroundings

142 I love parks that are mixed use, like Cascade Park in Ada. It has a playground for kids, sports facilities for teams and a shelter for group gatherings, as well as lots of green space for lounging and picnicking. A splash pad would be great, too. Easy parking. Safety features like good lighting and fenced-in play areas. Even better would be if it could connect somehow to Kent Trails, or had signs pointing to/from there.

143 nice neighborhood gathering place

144 Safe and inviting destination for recreation and enjoyment.

145 It would be a cornerstone of the community, drawing people of all ages.

146 I love Gezon Park and the current natural walking paths, wooded and field areas. I would be sorry to see that change or for it to get busy, loud and have less natural resources.

147 Bathrooms on playground side. Hope you keep the natural walking paths in the middle and just events them up/make sure they don’t flood. I like this park that has playground section, natural section and sports field section.

148 lots of variety to appeal to many types of park visitors. safe feel. walking trails.

149 Disc golf 18 baskets

150 Things for all ages and physical abilities.

151 It’s almost ideal now! I voted for the millage in hopes of getting better flood control/management at the 2 entrances (on either end of the park side) where flooding often happens, making it difficult to pass thru to use the trails. That & a few more cut thru’s giving more options for walking/running/biking routes/pats would be ideal. I use the park daily & talk to so many other people who feel like I do in that they LOVE having the natural trails - so rare in parks these days!

152 Much better walking paths

153 Running trails

154 Gezon park is in my back yard. I would prefer limited development. Keep as many existing trees as possible, plant more large trees. Leave it as natural as possible. I would be strongly opposed to a sports complex.

155 Full of sports complexes and playground for kids

156 It would be beautiful and well maintained. It would be a draw for young families and sporting events.

157 A park with nature walkways and woods. A dog park would be great. Tennis and basketball courts would be great.

158 Leave it alone it’s nature quit wasting money

159 Lots of shade and a nice disc golf course with a splash pad and more bathrooms around the park.

160 Leaving existing mature trees. Dirt walking/hiking paths. 4-season restroom facilities for winter recreation (fat biking, snowshoeing, cross country skiing).

161 Peaceful, paved, well lit, walking trails around a safe playground for kids. Plenty of park benches to sit on, with my dog on his leash beside me. And maybe a pavilion, possibly an indoor and an outdoor, available to rent for city residents. We have rented at a county park for our family Christmas gathering, would love to put the money into the city instead.

<tr>
<td>165</td>
<td>Good mix of gathering spaces and unobstructed nature.</td>
<td>1/3/2018 2:26 PM</td>
</tr>
<tr>
<td>166</td>
<td>I would like a splash pad, bathrooms to be visible and clean. Have signs that say Clean up after yourselves. Have parking closer to areas you like to visit, not on the other side.</td>
<td>1/3/2018 1:55 PM</td>
</tr>
<tr>
<td>167</td>
<td>The park would have separate play structures for the older kids and the younger children/toddlers. It needs to be clean with trash cans that aren’t too close to the park itself. They easily attract bees/wasps in the summer. Lots of benches are much appreciated. Trails for kids to ride bikes or for families to go walking and jogging. Enough swing sets seems to be an issue in certain parks. We end up running into problems where some me children and their siblings hog the only 2 swings and the little kids don’t get a chance to have a turn. Clean bathrooms is another HIGE one for me. If a park is going to have a bathroom it absolutely must be clean. I go in to some park bathrooms and I won’t be able to use it because its just so filthy.</td>
<td>1/3/2018 1:40 PM</td>
</tr>
<tr>
<td>168</td>
<td>I would love to be able to walk my dog, my children be able to ride their bike or rollerblade in a safe, well lit and area worth natural greenery.</td>
<td>1/3/2018 1:29 PM</td>
</tr>
<tr>
<td>169</td>
<td>A good place for families and sports. Parking area would be important.</td>
<td>1/3/2018 1:15 PM</td>
</tr>
<tr>
<td>170</td>
<td>The park would have more trees and a natural feeling to it. Currently it seems to be an flat open field, which is understandable since it needs to accommodate the baseball fields. However it can be improved upon with more nature and event interaction.</td>
<td>1/3/2018 12:02 PM</td>
</tr>
<tr>
<td>171</td>
<td>It would include walking/jogging trails marked with distances. Baseball/Softball fields including one field that could be multipurpose soccer, official size baseball for 14 and older and football field. One doesn't seem to get used enough but some type of field that could use all three of those uses. Splash pads seem to be the new thing and that location would get used a lot. A basketball court and some pickle-ball courts. Tennis courts possibly but the local high schools can provide those. The pickle-ball courts seem to be the new 45 and older thing to do and it would increase the parks use with people over 40. A nice playground and I do think some type of pavilion. Trails that could be cleared in the winter and salted so walking/running could happen year round. This is a big piece of property and some really cool things could be included on this site. I also think that a really cool mountain biking trail would be used a lot.</td>
<td>1/3/2018 11:41 AM</td>
</tr>
<tr>
<td>172</td>
<td>My ideal Gezon Park would keep as much natural habitat as possible to conserve one of the last open spaces in Wyoming Michigan. The current habitat if wild raspberries, elderberries, apple trees feed the wildlife. The natural wildflowers sustain the dwindling bee population. Without bees to pollenate, human and wildlife would cease to exist.</td>
<td>1/3/2018 10:39 AM</td>
</tr>
<tr>
<td>173</td>
<td>Pavilion, sports (besides baseball), seating areas, water elements (pond), grills and picnic tables, lawn, walking paths, fitness course, public outdoor art, music/performance structure, ample parking.</td>
<td>1/3/2018 9:55 AM</td>

<tr>
<td>201</td>
<td>Completely natural feel, with hiking/mountain biking paths throughout. It’s not easy to find spaces within the city limits of Wyoming that provide a kind of “getting out in nature” fix. A mountain biking system would be the only one on the southwest side of greater Grand Rapids and would attract a ton of visitors who might not otherwise view Wyoming as a recreational community. A great way to showcase what this city has to offer</td>

<tr>
<td>231</td>
<td>Ideally, because it's hard for parents to get their workout in and allow children to play and have fun, I feel it would be nice if a track could surround the play area some way even if it's a smaller track. Perhaps a small track around the playground and then a larger track going around the park for people without kids. Some nice picnic tables to have lunch there would be really nice with nice landscaping around (trees, flowers, etc). I also enjoy that some of the parks have the padded play areas with rock climbing wall for kids who are passed the toddler stage that could benefit from this. I definitely would like to see some unique toys, maybe a tree house type of playground like at the mall in Grandville has not your traditional playground equipment with three slides. Also, I really enjoy parks that are educational that can teach kids about things in nature or history or even math. Possibly have a nature corner to learn about animals that live in our city. Also, make some math games or challenges kids can do so their minds are active as well as their bodies. As an adult, it would be really cool to learn the history of the area!!</td>

<td>I want it to feel like the woods only with a bigger play ground over by the one we have now. And I want to see birds. Maybe I could fly my drone in the field. I like the tall weeds if they mow a path all around. I like hidden trails. Maybe try some kites too. I want to run around the park with my dog on his leash but some people leave their dog off a leash so I can't hold my dog back without my dad because my dog is strong. We love to get my energy out. I run. There are grown up runners too. And the night sky is pretty if lights don't interrupt the stars. I don't like people to scare the animals like deer. Too many people all at once is not too good. I think I would like to ride my bike around but I still need places for hide and seek, like trees and hills. My friends and I hang out at the playground with my brother and sister after supper on the equipment but maybe we need equipment for bigger kids. I am nine. I would like to eat at the picnic tables sometimes. A splash pad might be fun so I don't have to go to Oriole park. Oriole park is too crowded and there are not trees. It should feel like the country. There is no country or woods otherwise around here. It is a special park here. I hope you don't tear it up. Also we need a drinking fountain.</td>

</tr>
<tr>
<td>276</td>
<td>A nice place for all age groups splash ad play area picnic how about a field that can turn into an ice rink in winter or the old swimming hole at Lamar park</td>
<td>12/29/2017 3:33 PM</td>
</tr>
</tbody>
</table>
277 Walking/biking trails with bridges or stepping stones over the Intermittent streams. The field could be developed near the apartments off of Geronimo Parkway with gazebos that could be rented out. Or maybe a disk golf course!

12/29/2017 3:11 PM

278 Small park, sufficient parking for summer days, lots of trees, not for festivals or large events like craft fairs, totally fenced in playground so children cannot wander off or be easily taken. Playground that is easily accessible for newly walking toddlers, and also disabled children; separated so older children have their own playground so the little ones stay safer (like in Ludington). Separated and fenced in dog run if that’s a must. Walking trails thru woods, preferably paved so strollers can easily be used. Benches occasionally along the trails.

12/29/2017 2:01 PM

279 Parking during well attended events. Natural areas to explore. Trails.

12/29/2017 1:58 PM

280 Better parking. Not so many trees.

12/29/2017 1:56 PM

281 It would include a playground, and walking trails. Like it is now.

12/29/2017 1:52 PM

282 I have never gone to Gezon, but given its proximity to a school for special needs students, I think it should be fully accessible.

12/29/2017 1:45 PM

283 Water - either ponds or fountains... A Pavillion, Picnic Shelter area, trees, flowers

12/29/2017 1:27 PM

284 A place for children to have sport activities, but also quiet, beautiful walking paths. Lighted parking areas, and visible security personnel.

12/29/2017 12:43 PM

285 Everything it has now, plus a place where concerts might be held.

12/29/2017 12:31 PM

286 Splash pad and bathrooms

12/29/2017 12:18 PM

287 Shared, adequate space that allows everyone to achieve their goals for being at the park that makes it easy to respect each others needs.

12/29/2017 12:15 PM

288 Fun safe playground equipment.

12/29/2017 11:56 AM

289 Na

12/29/2017 11:49 AM

290 Adequate seating for picnics, restrooms, splashpad and walking paths

12/29/2017 11:31 AM

291 Safety. Playground that is handicapped accessible to play on.

12/29/2017 11:27 AM

292 Young and older kid friendly. Open area to run and play with areas for moms to sit and watch NEAR the playing areas. Shaded eating areas. Kid splash pad going on those hot days.

12/29/2017 11:20 AM

293 Child friendly, community enhancing.

12/29/2017 10:45 AM

294 wooded walking trails, state of the art playground, splash pads, excellent restrooms, several seating locations in both sun and shade

12/29/2017 10:30 AM

295 I love the trails. Would love to see this further developed.

12/29/2017 9:33 AM

296 There would be nice landscaping, emergency boxes, lighting, open walking trails, festivals, etc.

12/29/2017 9:29 AM

297 Pickle Ball and tennis courts; baseball/softball diamonds (adults); restrooms; night lighting for pickle ball and tennis.

12/29/2017 9:24 AM

12/29/2017 8:44 AM

299 Walking trails, playgrounds, pavilions. Nature programs would be nice. Creeks are nice, too.

12/29/2017 8:36 AM

300 It would be open with a lovely nature-friendly landscape with a walking path. A playground would be nice along with restrooms, and maybe a small pavilion area as well.

12/29/2017 1:52 AM

301 A clean, well maintained, welcoming environment, with a place for family functions (reservation based - fees expected)

12/29/2017 12:59 AM

302 Pickleball, walking paths, bike paths, shade, playground, splash pad,

12/28/2017 11:01 PM

303 Paths with trees & natural landscape/ Hills that provide some privacy yet safety. Open spaces for pets to interact or children to play. A bench here & there to rest as needed. A hill for winter sledding would be nice.

12/28/2017 10:59 PM

304 I would include a splash pad, gathering areas for picnics, and plenty of nature.

12/28/2017 10:47 PM

305 Mountain bike trails

12/28/2017 10:25 PM

72 / 124
Playground, ball fields, walking paths, shelter, lawn, and bathrooms! Cozy yet spacious. Inviting and well maintained.

Leave the park as it is. Wyoming does not need another big park. We like the quiet space that it is now. There are plenty of other parks to accommodate sports. Everything in Wyoming is getting so built up we’d like to have this space left alone, no more development!!

Splash pad is essential! Soft playground surface for safety. Picnic tables.

I enjoy multiple activity options in a natural setting (trees, water, flowers). A soft surface playground and splash pad. And a walking path to get away.

Nice nature trails with a playground and a ice rink to play hockey on in the winter.

Walking and biking trails, kids play area, splash pad

I feel like there are no parks in the area that have spaces for dogs to run off leashes.

I love the natural areas of Gezon Park and I would like to see much of that preserved--the grassy paths, trees for kids to climb, areas to explore. The playground needs more shade, especially more shaded areas for parents to sit and watch their children, or for children to cool off on summer days. Some of the grassy trails get quite muddy and need bridges to access them year round. The natural habitats of Gezon Park should be mostly preserved, while adding a few features to make it more accessible and a place where you can stay longer (more shade, restrooms, improved drainage on paths).

We don’t have any of the cool wooden playgrounds. They are unique and would be a fun addition to our parks. They have a great one in Jenison which is 20 plus minutes away. Bike paths which kids can skate or ride scooters is also an idea, make sure that we can see them while stationary for those of us with multiple kids. Preferably some where with shade and handicap/ flat space

Safe, family friendly, can have parties or enjoy quiet walks in nature

The way it is right now! A nice playground, walking trials and a b-ball court. Don’t change it!

Designated play areas/splashpads and designated quite/relaxation areas. Wheelchair accessible, all inclusive, restrooms with changing area for both children and adults in wheelchairs. Areas that celebrate Educational, historical and cultural influences.

It could be similar to Whistlestop Park in Byron Center, but without the huge areas devoted to playing ball games, similar to Fallasburg & Townsend Parks (but they have streams & a river), Traverse City Bayside Park, Metro's Frog Hollow Park, Jenison's Hagar and Maplewood Parks, and especially Bertha Brock Park, Dutton Shadyside Park, Caledonia Lakeside Park, Plainfield's Versluice Park and Grandville's Heritage Park. A quietly refreshing, shaded area with picnic tables, benches, walking trails, bathrooms, a child's play/splash pad area; a place where teens could safely meet & sink some hoops, where seniors could walk or push a rollator on even grounds.

Disc golf please...we need one in wyoming....

Needs something to draw the teenagers out of the house and away from their computers. Whatever it takes because kids are not out playing ball anymore.

A pleasant place to visit.

Separate play area for toddlers and bigger children

Well maintained

I would include bridges, trails, open fields, a Gazebo, a Fishing pond, Splash Pad for sure.

Should be something for all ages and abilities to use

Biking
Walking trails. Year round parking. Attractive, well equipped playgrounds. Some nature preserves.

quiet and fun to walk around

N/A

Splash pad that is gated and that had several shaded benches around the park to sit and watch my children. Only one entrance so that I know my children couldn’t get out or someone take them out without my seeing them. A public restroom.

Spaces for all ages of children to play, as well as untouched spaces to just enjoy.

A nature inspired play space with slightly rolling hills to children to roll, jump and run. Log balance beams and stones for children to climb and jump on. Nature trails to explore and a Gaga ball pit.

Walking paths with shade. Lights Bike path. NO dogs! Snowshoeing paths

Splash pad

Great walking paths, supplied dog bags for picking up poo. A good example would br whistletop park. They have a work out comm center and great walking and rec area.

2 - 11v11 Soccer fields with irrigation and equipment (with ability to use for Lacrosse) 2 - 9v9 Soccer fields with irrigation and equipment (goals/netting/flags/field lining equipment) Lighting on 2 11v11 Soccers fields Outdoor Pavilions for large groups with access to electrical Restroom Pavilion with snack counter options Grasses areas for “pop-up portable canopies” for soccer tournaments Adequate lighted parking in multiple locations next to fields Shady areas Wayfinding signs (Helder Park in Zeeland is a good example)

Kids play stuff, frisbee golf(maybe @ least 5 “holes”),not a top priority but=a fishing pond with dock.

Areas to have city gatherings like Lamar Park, areas large enough to have group gatherings, several pieces of equipment for special needs children to play, places of shade for grandparents to sit when taking grandchildren to play on equipment or splashpad. We know of several parks for children to play in TX that have like soft material under playground equipment instead of wood chips. It looks like it could be made of a material made out of recycled tires. It might cost a little more up front but it looks like the maintenance up keep might be less and it looks nice also.

A nice well kept nature walking path to enjoy the natural settings, and a few sports courts/field so kids and adults can get out and have fun outside, and a couple places to have family gatherings with access to restrooms, and a child friendly playground for all ages of children

A splash pad and playground with pavilion nearby. Lots of families using the area for picnics and hanging out. Biking and hiking path for exercise.

Keep it as natural as possible and keep a quiet buffer between park facilities and the adjacent neighborhood homes.

Well-designed and safe playgrounds, quality athletic fields, a little bit of nature, plenty of parking, and away from the noise of busy streets.

The park would be a place for kids to ride bikes, play on the play ground and when they got hot they can cool off in the splash pad. If they wanted to have a picnic there would be plenty of trees for shade but also have enough space to fly a kite or play basketball or baseball.

Natural spaces for kids to learn about nature, nature trails. Walking and biking areas. Being that this isn't a neighborhood park I would think you would need some sort of safety officer?

Walking and biking trails for walking, biking and running. Surrounded by nature. Child and pet friendly. Playgrounds for children similar to what is there now, but an additional playground added to south end of park. Quaint themed playgrounds similar to Frog Hollow would be wonderful. Tennis courts would be nice. Parking lots should be gated and closed after dark. Parking lot on 52nd street already has unfavorable activity after dark and at times throughout the early morning hours.

A safe place to bring my daughter and friends to play and enjoy sports and nature in a community area.

Walking paths, ball fields with seating, some trees.
Disc golf is important. Good mix of wooded and open areas.

We would like for it to still have the nature walk area. We appreciate the parking. We would like a splash pad if possible. We are fine with the play equipment but would not mind a change. A bathroom would be great!

Baseball fields with lights, playground area in direct sight of the fields but away from the roadways. Better parking arrangements, bigger facilities, with overhead netting to stop fly balls in the common area in between the fields where there is most traffic and spectators. A dog park so families can get out with the whole family and enjoy it as well.

t a big playset for my kids to run around on, but shaded so they don't get too hot, as well as a place where i can sit and watch them but still talk with my friends, and of course a restroom because little kids have little bladders!

Winter sports. Maybe include some groups for seniors

It would have an off road riding area for the kids and a path, trial, obstacle park.

Plenty of walkways and shaded areas no obstructed views of recreational activities

area for congregation by either social groups or family. Dog run off leash trails that are maintained in terms of knowing someone would find you if you were out there....

Splash pad, bathroom, lighting, walking paths, playground, tennis courts

An undeveloped open space with an unpaved, clean nature trail

Easy access well lit, with shelters and restrooms. Basketball courts and a skate park. Bike trails as well

I haven't a clue

Natural as possible No paved or few paved Wheel chair Accessible Dog area / doggie bags to encourage pick up Quiet area and noisy areas Trees Safe and fun place for everybody

Something for everyone. Safe, lots of options, easy access for those with disabilities.

Have a mix of space. Keep the seating, gathering and public activity space to one end. Put the walking paths and quiet nature areas to the other end. For example, yoga in the park shouldn't be next to a busy soccer field. If I want to read a book under a shade tree I don't want to be next to a party of 50 celebrating a graduation. Defined spaces to accommodate a variety of interests

Walking paths that follows a frisbee golf course. A pavilion that provides shelter and can be used/rented for family reunions, etc.

I'd love a kid friendly park with play structures and a splash pad. If love to have walking trails as well, and well maintained restrooms.

The park would be safe. It would include playground equipment that serves various ages. There would be trees, grass and flowers. A park that you can walk in for exercise. A park that is neat and clean. A park that can serve all ages.

Run/walk/bike path winding around ponds, meadows, and creeks. Tennis courts with lessons available for all ages through parks & rec

Open, natural green space much like it is now. Retention of current walking trails/paths are must. I wouldn't mind some minor recreational additions, such as restrooms, gathering pavilion and structured lawn area.

A fun place for family and friends to go and have and feel safe and be safe. With multiple activists available, not everyone likes the same thing. If you have skate boards at the park please make sure they are not allowed on the paths.

Family friendly, multiple use facilities.

clean, safe, lots of paths

It would feel warm and welcoming, safe, clean fun.

Handicap accessible

Spring Grove feel. Lots of shade, very serene

A big playground, lots of space for a dog run. Bigger, cleaner bathrooms.

<td>It would be a place where all ages and physical abilities feel welcome. It would be a balanced mix of a natural setting for a leisurely walk, a great workout on a bike trail and sports activities for children and adults. It would be THE place to be but not feel crowded and noisy thanks to its smart design.</td>

<tr>
<td>384</td>
<td>I would love to see a large portion of the natural space preserved, possibly with a more groomed meandering path for walking, as well as a paved, measured loop for running (maybe with little seating areas along the way, and lights so it downs feel so remote/isolated). It would be great to have a couple of secure play areas for kids, both a splash pad and a playground. The existing paved loop (or something similar) is nice for children to ride bikes on, while parents can sit nearby, maintaining visibility while visiting with a friend or other parents. There would be more picnic areas, not necessarily large pavilions of them, but individual family picnic tables, some in sun and some in shade. Restrooms would be ideal! I would prefer not to have lots of organized sports fields such as soccer and baseball because they create a constant busyness and make it more difficult to monitor your own children when you’re just at the park to play. Maybe if there is a need for more sports fields in the area, the park side and the sports side could remain separate similar to how they are today, separated by the nature area/walking path, and with separate parking.</td>

</tbody>
</table>
A natural space, multi use, much like luton or Merrill in rockford

A place to take my grandkids to during their frequent visits. Also a place for me to hike and enjoy the outdoors.

I look out the back window and the park is right there, I can hear everything that goes on in the park. So I don't want any more activities to make it louder. Right now it's fine, but to add splash pads or pavilions means it can disturb the people who live right next door.

I think the senior center should move there. and then combine with Grandville senior center.

Great walking paths. Good lighting. Good parking. Clean and safe areas.

One side for sports activities, the other side a natural area, with space for family gatherings in between.

A park like Wahlfield Park. Has a playground, mountain bike trail, walking path, and areas for group gatherings.

I would like a mountain bike trail with some more advanced features that keep it fun

I would like a mountain bike trail with some more advanced features that keep it fun

A park like Wahlfield Park. Has a playground, mountain bike trail, walking path, and areas for group gatherings.

Multi use

Easy access for cars and walkers and bikes. Lots if lighting. Area for picnic separate from a sports area. Not by water because of mosquitos. Something for all ages.

A safe environment, parking, playground, splash pad, walking/biking trail. Place to meet friends/family

Quiet and peaceful lots of nature green space and shade with a pavilion for picnics and water park for young families

I believe a good variety of activities is best. With the huge popularity of disc golf, and the ability for families to enjoy it together I think it is a must have. Basketball, splash psd, and gathering areas would be great. Disc golf, at a high level it can generate revenue for the city by use of leagues, hosting tournaments and use for high school disc golf competition.

A beautiful walking path that can go around the park to keep an eye on my children. A fun big play area, no woodchips, limited sand, nice clean bathrooms, trash cans and drinking fountains, plenty of seating for parents to watch children

A nice place to visit and eat with family with a few places to play games.

Have walking paths and single-track paths for mountain bikes. Then I would travel to it frequently to ride.

Relaxing, clean, variety of activities for families and kids

Playground and pavilion and or building that can be rented

Age appropriate playground equipment, Seating, well lit area, splash pad.

I believe there are some things that could be added but the best part of Grozny Park is the nature. I love the beautiful walking trails. It is so peaceful there. I would love to see a bathroom added. It would be fun to get a splash pad or dog park as well. Some picnic areas would also be nice.

Lots of nature trails, paved or unpaved. Restrooms open year round. Ample parking.

A safe natural environment with ability to do health things

I would love to see some tennis courts

Skate park, playground, multi-use trails for hiking and my biking

Gezon Park should have some areas for certain sport activities. Perhaps Lamar Park could continue to have the softball activities and Gezon Park other sport activities. Also, it would be nice to have "Art in the Park" and musical concerts.

A park that is welcoming to all no matter what you want to do there. Where everyone feels safe in doing their preferred activity.

The city could use another dog park

Tree canopies and native plants.
I would like Gezon Park to continue to include walking and biking space. I would like it to feel like a natural space.

Nice playground, sporting facilities, actually people there

A great place for adults and children to get outside and enjoy nature and interact with other people in the area

Mountain bike trail and bike bath connecting to Kent trails

Great place for peaceful walks, family gatherings, and room for the grandchildren to play safely. Recreational sports like soccer and football are great to have at a park

A combination of natural setting (trees, shade, water) and child-friendly space - - good example is Palmer Park on S2nd.

Nice enviroment for all ages..

A focus on the outdoors and sports like cycling, hiking, walking that don't require organization or can be jointly managed with groups like the WMMBA.

mix of forest and gathering places, heavy on the forest

Lots of variety of activities to do. Playground for all ages. Safe and clean bathrooms. Shaded areas available.

More nature, but I'd like to bring my grandkids to a safe place to play & have a safe place to romp

Nature and walking paths

Family friendly areas that allow kids to play and families to spend time together

I haven't been their yet because there is nothing to attract me to visit.

Relaxing and fun

I would like to see more walking trails. A miniature golf course would be fun, but the Frisbee golf is good, too.

Accessibility for all Wyoming residents. Ample parking and a safe, secure and family fun environment.

 Plenty of activities. Lighting. Security. Seating. Pavilion for group gatherings. Good prices for renting the pavilion, not over priced. Clean and kept up landscaping. Most important have a curfew so park is not vandalized

A mixed use park that would include paths/nature walk trails, some sports areas such as a basketball court and a field for mixed use soccer/football/disc golf, a couple pavilions(rentable), adequate parking, ease of access for physically challenged to enjoy nature walk etc. Generally a place for children & families to hangout.

I think I should be modeled after Millennium Park. Lots of nature, natural vegetation; as if you just sort of stumbled upon it and there happens to be pathways and bathrooms and water.

A combination of facilities for kids’ sports, family gatherings and quieter areas for walking & enjoying nature.

It would be a quiet, natural place with enough openness to ensure safety but also enough landscaping to seem more remote than in the middle of the city. Everything would take place year around. There would be walking trails with cool playgrounds, clean bathrooms, excellent trash maintenance and a variety of natural beauty and art.

Lots of shade....nice pavilions and bathrooms. It would feel like Millenium park. They nailed it there....lots of walking and bike paths.

It would have plenty of open lawn space and seating area's for small or large gatherings. Plenty of space for frisbe, dogs, and pickup football. Baseball, basketball, and tennis courts or fields. Shade for gatherings and walking. Room to bike and hike on trails. Plenty of lighting at night.
I love a park that attracts a diverse group of people! The sounds (voices and music) and the smells of good food cooking along with all ages enjoying activity, whether it be walking or team sport or just relaxing and reading. I love it in the summer when people can get relief from the heat at the splash pad. Even just sitting near to the splash pad is refreshing. I love seeing all types of sports going on etc., and the calming affect of being among the trees and birds. I think we could use more ice skating and maybe other winter sport ideas since a 1/4 of the year is cold. Also bathrooms are super important! I hate getting the park and having to leave to use a restroom. I often choose parks based on bathrooms.

A mix of walking and mountain biking trails. Fun

Green space to picnic, playground

Single track Trails for bikers/runners/hikers

Splash pad. Play equipment. Walking. Picnic areas. To enjoy the day at the park.

Fun, safe, Splash pad!

picnic area, restrooms, mountain bike trails, baseball and soccer fields

A park where all residents can enjoy nature, family, and friends in a safe sustainable environment.

A park that you get the feel of nature. As a smaller scale New York Central Park. Where you can feel as you are not in the city.

Safety

Family friendly with a playground, splash pad, and bathrooms

Nature trail around whole perimeter. Redo bmx track.

A place for everyone, with miles of single track for mountain biking.

love the trails there now, hope you are able to retain most of them

Natural looking, peaceful, safe, restorative... I have not visited the park yet even though I have lived in Wyoming for six years now! Want to go! Thanks for seeking input from residents!

An ideal Gezon Park would be as an improved natural wildlife preserve with nature trails and simple restrooms and drinking fountains at the north and south ends. It could have a picnic area in towards the south center of it with limited parking.

I would like a family friendly park, relatively natural setting with more walking trails, friendly equipment for small children. It is a neighborhood park where most people walk to. A splash pad would be great. I think if it stays geared to younger children it eliminates noise and teenage problems after dark.

It would have two or more entrances, each with parking lots and lots of shade, with any playgrounds or sports areas closer to the front of the park.

I would love to see more play structures for kids. More seating/pavilions to use for gatherings. A splash pad would be awesome! More walking trails.

Something for most everyone.

Community oriented green space that’s child friendly and young adult and adult friendly

Bike trails everywhere (including mountain biking)!

It needs to be safe. There are quite a lot of parks and activities for the real active people but it’s really hard yo find a peaceful place to just enjoy the sounds of nature.

Some open space with some natural space, natural trails for mixed use and some facilities for bathrooms and water

Would love to have bike trails and mountain bike area with nice shady playground and play area

Places for families to gather with playground equipment but also quieter areas for walking and riding bikes. A mixture of sun and shade with clean restrooms. Perhaps a field area where people could play games. Palmer Park has some nice areas for large gatherings of people, yet there is space/a trail for riding bikes.

A natural place where people can get away from everyday life.
Mountain biking. This is a very popular, fun, and fitness encouraging activity that currently lacks locations in the south west Kent County area.

A space for families and kids to both utilize. Ball fields and walking paths with some trees for shade.

Quiet natural setting with trails for walking, mountain biking, and cross country skiing.

I would love to see a mountain bike trail constructed. Well marked with an easy to find/park at trailhead. Also restroom or at least port a potty and a changing shack. Running water would be a bonus too even if it is just a hand pump well.

A space for families and kids to both utilize. Ball fields and walking paths with some trees for shade.

Quiet natural setting with trails for walking, mountain biking, and cross country skiing.

I would love to see a mountain bike trail constructed. Well marked with an easy to find/park at trailhead. Also restroom or at least port a potty and a changing shack. Running water would be a bonus too even if it is just a hand pump well.

Splash pad.

The ideal Gezon park would include natural surface hiking and biking trails.

Bike path, playground, open spaces.

Playground, plenty of seating in shade for parents, shady play options for kids, walking paths with nature and wildlife to observe, some type of contained area for small children.

Millennium park is perfect blend of all everything. Use that as a baseline.

Hiking/walking/bike trails available for outdoor exercise that is well lit/safe feeling.

Unique. Unlike nearby parks.

There are paved/bike paths that could lead to the park. However, there is no mountain bike trails anywhere on the SW area of metro GR. There is a high demand and a large audience for this type of trail and organizations (WMMBA) that could build and maintain trails at very little cost to the city. These trails would be used by the hiking and running communities as well. If designed and built properly, these trails could be a welcomed, low cost and sustainable, addition to the Gezon park.

Friendly, safe, lively.

A safe, fun, clean park with a wide range of activities for various age groups.

Walking paths and easy parking.

Mix of shade sun activity area and quiet areas.

Ice skate rink. Like in Grand Rapids.

Please please please put in a mountain bike trail.

natural landscaping, areas to socialize but not too much construction or upkeep needed. nice walking paths, some water.

Gezon is big enough that there could be a wide range of elements. A splash pad would be essential, but I would love an option for gatherings, especially pavilions, outdoor concerts, and even other cultural events like dance demonstrations, literature readings, cultural and academic talks and presentations.

Something to attract people. It's a bit desolate currently, and with the crime that occurred in that area, it doesn't feel safe for me to allow my kids to go there alone.

I actually like how it is, I think more things can be added but most of the people in the neighborhood (i live on Palmdale) use the park as it is for the natural habitat. It's in the middle of the neighborhood but walking through it in it's natural condition allows lots of wildlife to use it as a pathway (lots of deer). It's relaxing and safe.

Lots of parking, available seating, paved walking paths and safe play areas for kids. Restrooms and water fountains available. It would feel inclusive and welcoming to all.

The current grassy areas hold a lot of water which makes it unsafe for kids when practicing for sports in cold weather- please address this somehow.

It would include more seating and better parking. That park typically gets very full and busy during sports seasons and the parking lot does not currently accommodate that. It would be nice to have more fields and walk ways.

<td>530</td>
<td>We use Gezon Park North since it's closest to our house. An ideal Gezon Park North would include a clean and upkept restroom, better/more lighting on both the walking path and playground areas, and more consistent security checks and maintenance. Currently, the play area is really good, but there is not really a good place for my wife and infant to sit while our toddler plays on the playground. I walk the loop, but a larger paved walking trail would be nicer. Ideally, little signs along the path to tell you how far you've walked and easy loops back so you can walk a 1, 2, or 3 mile loop and be able to visually tell where you are. Currently, the trash bin at Gezon North is always overflowing, and I worry about what a bathroom would look like. I'm convinced there are people abusing the park at night and dumping their home trash. Video cameras, lights, and more regular sweeps by officers or volunteer officers would hopefully cut down on some of the more unscrupulous behavior that keeps us away from the park after school hours or close to sunset. We just don't feel safe in the twilight hours.</td>

</tbody>
</table>
It would be pleasing to the eye, inviting. It would have something for everyone to enjoy from
youngsters, teens, families, as well as senior citizens. It would be a place where all generations
could come to and enjoy this space together. It would have shelters to hold family reunions, casual
wedding receptions. Lots of picnic areas. It would have softball/baseball fields. I'd like to see an
area for skating/rollerblading/skateboards. It would have a picnic area that is shaded with trees. It
would be a gathering place for families to relax and let kids play and enjoy nature. A walking trail
for nature walks. A splash pad would be nice for the children on those hot humid days. It would be
a place that it would be the first place you think to go when someone says, "Let's go to the park."

Walking paths and natural beauty

It's a safe and friendly environment with a good mixture of nature and activities. Splash pad is an
added bonus

Sections or areas. Sports complex, playgrounds, pavilions, basketball, nature preserve with
walking path.

A park where it's tranquil and you can enjoy nature and the laughter of friends and families.

I love parks that provide a variety of options.. nice walking paths, nature and animals, dog runs,
splash pads and playgrounds

It would have a paved walking path, big trees for shade and a splash pad. Oh and a fenced in
playground area.

We would ensure all Wyoming residents could use it. Currently only travelball players who pay
benefit. The city needs to do more to support children who reside in the city. Not just those who
pay (usually from outside the city)

Mountain biking. Perfect spot to introduce a trail closer to urban core.

N/A

Clean, shaded, grassy and natural, quiet and restrooms.

Trees, nature, grass, separated places for noisy activities and quiet ones. Walking trails. It would
be a nice balance between places for families, kids and people who just want to relax.

Area for relaxing, splash pads, and a playground close to picnic areas

Small concert venue, soccer fields, pool suitable for swim meets, wooded area able to sustain
wildlife, well lit for evening functions, and ample restroom facilities.

It would be wonderful to have a splash pad nearby that is designed for both very young children
and older kids. If you look at Maplewood and Rosewood parks in Jenison, one splash pad is made
for small kids and one for larger. Merge the two designs, and make sure to fence it in. Splash pads
should also have a shaded area for parents right next to it (within 5 yards of water features), if not
shade the entire splash pad area. Playgrounds for different aged kids like at Frog Hollow Park are
really nice. And playgrounds should provide more shade to keep kids from getting sunburned or
contact burned from hot equipment.

I would like to see it have a mix of recreational and quite areas. Especially enjoy the walking trails
where you can get away from the noise. When my kids were younger, we went there for softball
and it was fun as well

A beautiful area for many people to gather for large parties in the summer. A safe place for kids to
play. Lots of activities.

Include many activities, include disc golf, feel safe and well lit

A real community feeling for all ages. Possibly a central pavilion area and specific 'pod areas'
spinning from the 'gathering area'

not too far to walk for seniors and plenty of restrooms.

LEAVE IT ALONE. At the very least, leave the woods, fields, and pathways the way they are.
There is silence to be found there. There are habitats and wild animals that live there. So many in
the surrounding community use it for this. Don't touch it! It doesn't need paved pathways. It doesn't
need a splash pad. It doesn't need more traffic.

Nice clean safe park for children and adults alike to have a fun time

A mix use park with parking near pavilion and ability to get away

<tr>
<td>568</td>
<td>There are walking trails in the county for those that like nature. There are parks in the county that are set up more for sports. To decide what Gezon should be more like, one would have to ask what parks are already close by, more nature or more sporting? There are many special events at Lamar as it has the room and parking for festivals and outdoor events. I think Gezon would be a nice place for a walking path like Pinery, have a pavilion or two on one side for hosting an event and revenue. Benefit from having lots of picnic tables for summer cook outs and lots of space to run, play catch, frizbee and kick a ball.</td>
<td>12/27/2017 10:21 AM</td>

</table>
588 take money from the parks and use it for the city, so we don't have to pay an income tax. We are taxed enough already.

589 Walking paths, shade, seating, playground and splash pad.

590 I would love to see an outdoor hockey rink built there-plus would like to see the baseball/softball fields utilized better and not by one entity as the usage is limited-I would also love to see a dog park there.

591 Tennis Courts

592 Facility features encourage use by multiple age groups and fitness levels.

593 Walking paths through the woods, areas for sports, playground for kids with covered benches for the parents to watch them play, grandparent parking with children under 5 yrs old, plenty of bathrooms, area for craft shows or small events.

594 A natural setting for a break from city living. Quiet Walking / hiking paths.

595 I would have a dog park behind the present park in the fields. The park would have a family feel that would have some people. The park would have some trails for running that others run on too and it wouldn't be sketchy.

596 A large playground to accommodate both older and younger children and a splash pad, all fenced in with sufficient seating for parents/caretakers spread throughout the play area. Visibility is key.

597 My ideal park would include a mix of natural trails with some park features. I would really like to see the majority of the trails left untouched, with development mostly at the edges. I would add shade to the current playground. I would add a splash pad (into the current open lawn areas-which are almost never used!) and there are none of these in this area! I think tennis courts would be a great addition without a significant change on the natural landscape. Paving the main walking path would allow for biking!

598 It would be a balance of community gathering area's, natural settings, with open lawn to allow group sports.

599 It would include playground equipment for my children, and seating and shade. It would feel comfortable and safe.

600 Gezon should be a destination. It would be green and lush, with plenty of trees. It would be safe and secure.

601 Multi use , nature trails

602 Natural feel, lots of places to set up hammocks, read, and relax. Space to walk my dog and let him run off leash

603 Many more trees, a bridge or walkway over the 'stream', more walking paths, more shade for sitting, a splash park.

604 Park would be populate with surrounding neighbors - younger and older kids. Walking paths that are dog friendly. Added features not found in adjacent parks would be great. Not every park has to have everything but different features to draw people that aren't in surrounding parks. Clean and safe!

605 Trails that meander through nature than can be used in all 4 seasons

606 Fun family environment where there is multiple places families and singles can all be together. Children playing on the splash pad and playground while their are trails for the adults and basketball courts for those that want to pick up a game of basketball.

607 The children able and disabled need a great space that is inclusive. It would be very nice to have pet drinking fountains as well.

608 Play area splash pad

609 Forested, walking trails, lots of native wildflowers (especially if they were replanted along Gezon Parkway by the water tower!)

610 A place encouraging family gatherings, social events and nature

611 Space for gathering and sports, walking trails, safe, sustainable

<td>We love the current nature portions of the park. It would be great to have some shade in the playground area, restrooms, and maybe a few additional recreation options. A splash pad would be wonderful. Also, there are two low spots on the main trail which flood every time there is rain or snow melt, making it very difficult to hike. These areas would be fixed to provide a level, dry walking surface while allowing a drain path for the water.</td>
<td>12/27/2017 7:36 AM</td>

<tr>
<td>635</td>
<td>Clean &amp; open. A safe play structure or splash pad with a roofed pavilion &amp; restrooms really close. So mom’s could sit &amp; have a lunch together &amp; keep an eye on their children as they play. There is a real small community park behind the Plainfield township senior community center set up this way. A nice open parking lot with handicap accessibility to the above. My “dream park” would have another area for Pickelball. Some folks don’t want to get into the mix of a bunch of mom’s &amp; small children. So a little distance &amp; so they aren’t competing for parking spaces. Maybe a little separate covered area with a 1 men’s toilet &amp; 1 Women’s toilet attached. Lighting. Good walking surface. Safety is key. The current park is wide open but still scares me!</td>
<td>12/26/2017 9:13 PM</td>
</tr>
<tr>
<td>636</td>

<tr>
<td>644</td>
<td>Drainage from the walkway. No poison oak. Like it the way it is.</td>
<td>12/26/2017 8:11 PM</td>
</tr>
<tr>
<td>645</td>
<td>It would feel peaceful.</td>
<td>12/26/2017 7:18 PM</td>
</tr>
<tr>
<td>646</td>
<td>Natural, undeveloped area in Wyoming. Unlike the other parks, this is a place to get away and have a peaceful walk and explore nature. There are developed areas on either end of the park for sports or family playground, but the real treasure is the nature preserve in the middle- wildlife, trees, beauty. A place to get away from the busyness of life to meditate, pray, think.</td>
<td>12/26/2017 7:06 PM</td>
</tr>
<tr>
<td>647</td>
<td>Keep the space natural with crushed gravel walking and biking paths. This would accommodate bikers, runners, walkers, and dogs. Gezon has a lot of wild life that we enjoy watching with our children.</td>
<td>12/26/2017 7:04 PM</td>
</tr>
<tr>
<td>648</td>
<td>As close as possible to its current state, with some minor improvements to the trail. As it is now, there is abundant wildlife - woodpeckers, wrens, butterflies, honeybees, rabbits, I even saw a woodcock once. The trees and wildflowers are gorgeous in the warm seasons and they provide plenty of shade for humans and quiet natural habitat for the more vulnerable local species. Minor changes like public restrooms, signage or raised pathways in flood-prone areas, and generally keeping the area cleaner would be welcome but to disturb the natural beauty and create a noisy area to bother the residents would definitely be unwanted.</td>
<td>12/26/2017 7:01 PM</td>
</tr>
<tr>
<td>649</td>
<td>The park’s area is relatively large and undeveloped, which is perfect for trails for runners/walkers. An incorporation of a map system with marked routes designating distance would be convenient. At the center of the park there is an area with really unique terrain that would lend itself nicely to some type of mountain bike track/skills course. At the north end, the playground in limited to really young children and could definitely be expanded with more equipment. Restrooms are also needed at the north end as well.</td>
<td>12/26/2017 6:44 PM</td>
</tr>
<tr>
<td>650</td>
<td>A very clean well landscaped and well lit park that can be appreciated by simply looking at rather than for all its purpose. It would have an ampatheater capable of hosting concerts similar to meijer gardens in the summer. This would bring revenue into Wyoming from people outside Wyoming as this city does not currently have anything in it that draws people into the city. It's mostly a place you drive through to get somewhere else. Summer concerts, and I mean real concerts, not like what is done at Lamar park, would bring people into Wyoming and shine a positive light on the city. With Gordon's and the hospital right there I can't imagine there would be any lack in offers for private donor funding</td>
<td>12/26/2017 6:43 PM</td>
</tr>
</tbody>
</table>
It would be great to have a nice bike path that children can ride safely on and a bike path that connects to other bike paths in the area. The west pan handle of Wyoming is lacking in both parks and bike paths. It would have several areas to park, with disc golf, soccer fields, space for public concerts and city events. Maybe a giant pavilion to host large marathon and 5k events like millennium park has. A splash pad that is free to city residents would be awesome or even a swimming pond with a beach.

Keep it the way it is.

I think parks that can offer a little something for everyone is ideal. I live in oriole park neighborhood and we love the park. We go weekly and I love the diversity. I fear that because Gezon Park is in the panhandle it is going to be more exclusive to the residents in the surrounding neighborhood meaning the park may offer less diverse options because the residents will frown upon having residents from a different socioeconomic background in their neighborhood. NIMBY..

Small playground picnic area with splashpad for kids and maybe a soccer area

It would include quality basketball hoops with a fenced in area surrounding. It would have something for everyone.

Walking Paths, Bike Paths, Small picnic area, limited development of natural area. There is a large park with play areas and picnic areas just 1 mile down the road at Palmer Park. There are currently 4 little league baseball diamonds that cannot support an organized little league due to lack of interest. There is a football field that is seldom used as are the soccer fields. Why build more when what is there is under-used. Any improvements will require a sustainability budget and regular maintenance. This is a natural green area that would be served best as being left as green as possible.

na

I think Granville is in desperate need of grass soccer fields. It would also be nice to have a turf field if that would be possible. The city could rent the field out to local club such as fire and Midwest United. It would provide constant traffic to that area and could help boost funds for the city.

Large open fields, equestrian trails

want it to be kid friendly and not to big and noisy.

NO CHANGES NEEDED. IT IS IDEAL THE WAY IT IS.

Ideally it would still feel like nature was there for people to appreciate. The park would provide shade trees, plants, grass and flowers. Nature is so healing for people. We need growing trees for the oxygen and wonderful scents they create. Ideally the park could be designed with safe walking paths that have a view of the trees. I am sure that increased playground areas are of interest as well as another splash pad if possible.

Something good for all ages movies would also be nice

I would like to see a dog friendly walking trails much like Millennium park. The trails are used by skateboarders, bikers, joggers and dog walkers in a harmonious way.

Family friendly Sense of community

We enjoy it the way it is now. With perhaps groomed trails in winter.

Balanced respectful of nature

Dog park, restrooms, marked nature walk with walkable trail. Expanded playground.

A paved walking or bike trail around the park

It’d be a relaxing area to walk with my dog.

Emergency phones

Hi

A nice playground with safe equipment and shaded seating

Disc golf course that does not have interference from picnickers, walkers ect. Play ground, bathrooms, parking lot, shade trees

More meeting places for social functions.
676 Mix use. Gathering area for concerts, food trucks, family fun activities. Accessible for everyone. Seating, landscaping and water features. Playground and fitness areas for all abilities. Restrooms.
677 Leaving it as is! Or Paved Trail around the Parameter.
678 A good mix of nature and amenities. A professionally designed disc golf course would be great. Open and inviting to everyone.
679 I would like the park left as largely undeveloped green space as it currently is. The trails are already well mowed. I would be fine seeing a small expansion of the Gezon playground, and perhaps the addition of a splash pad or one more pavilion. People do not use the tennis court. I do not want the naturally occurring plants mowed and turned into lawns, nor trees torn out. It is a wildlife area and should be left that way similar to a preserve. I do NOT want the natural areas lit with big overhead lights, but obviously lighting by playground and parking are advisable.
680 Kid friendly playground
681 Walking path, playground, activities for all ages of children, toddlers to teenagers, safe environment to socialize
682 Walking paths, Pavillion for rental, adult only area, splash pad
683 It would be peaceful with a nice mixture of activities and nature. Safe happy place for adults and children alike
684 I live in Chateau and I would love to be able to walk to a well lit park that had attractions to accommodate a diverse group of people so the park felt safe at any time of day or in the evening. I do not own a dog, but I feel a lot of people in our area do and having some sort of run free area for them would be nice.
685 I enjoy it the way it is for the most part. I think the trails could be improved to be smoother. I think the playground could be made larger. I love the birds and animals I get to see back there and would hate to see them leave. I think some landscaping to improve the look of the park would be okay. Security is important to me and believe the park should be monitored more closely. I think a splash pad by the playground would be a good idea but would like to see the main middle of the park stay as a natural green area to walk and enjoy.
686 Bike path!
687 Plenty of green space but also different activities. Possible having the two apart from each other for those who want quiet and those who want activities.
688 My ideal Gezon Park is not all that different than it's current state. I love all of the trees due to the fact that they house many indigenous birds. If you tear out the trees, you remove what makes one of the last remaining green spaces in Wyoming nothing more than a parking lot with overflowing garbage cans and no sound of wild birds. It already has wild raspberries to feed them, It already has milkweed to house endangered monarch butterflies. My ideal park would have Pileated woodpeckers, Red bellied woodpeckers, Great Horned Owls, Downy Woodpeckers, Cardinals, Goldfinch, House Wrens, Nuthatch, Orioles, Blue jays, to name a few.
689 Indoor and outdoor basketball courts
690 dog run!
691 Relaxing, natural, wildlife. To be kept in the most natural state as possible.
692 Good family area with plenty of police a good size buffer zone for existing homes with plenty of parking so nobody will part on neighborhood streets
693 well maintained; biking/walking paths; natural areas
694 Walking path, pavilion, bathrooms, baseball grandstand for concert? Fishing pond, swimming pool.
695 Leave it as it is. We have other parks that have different activities.
696 Walking trails and natural areas. Playgrounds and picnic tables.
697 I think it’d have a mix of community events and staples such as playgrounds and recreation fields. It’d be nice to have more indoor rental type facilities for family gatherings.
698 n/a
699 Trees, family friendly, multi-use park

**Gezon Park Master Plan**

**SurveyMonkey**
I visit when there's an activity that particularly interests me. If not, I find other places to go.

Mostly with my children (ages 0-7), but I also like the occasional stroll or game of disc golf as well.

Lack of playground equipment

To get outside, get fresh air.

We visit parks mostly to enjoy nature in it's natural settings. If we want a playground we go to our neighborhood play area. If a park is too developed or too busy, we try to avoid it all together.

events

I visit them to take a walk in nature and view wild birds and frogs.

Getting too old!

We visit parks so we have the opportunity to enjoy the outdoors and stay active with family

I enjoy the openness, serenity and people watching. Also a place to take the little ones to play.

Not within walking distance

To be outside, to stay active, social activities, watch and encourage sporting events, no cost entertainment...

too busy, too limiting

I enjoy walking through many of Wyoming's parks for different reasons. Pinery I enjoy the ball games and other people using the park and Other parks I like the quiet and peacefulness of nature.

To reduce stress and do something different

Spend time with others, open space. It offers a bit of the country in the city often times.

I love to get out and enjoy nature. I love a place I can bike to in the summer and ski in the winter.

I visit the parks to spend time outdoors with my son and husband. We also drive to the Grand Ravine Dog Park so our dogs have a chance to play, too!

To allow my grand children time to play and have fun.

Again I live Menifee CA now...........

To get out of the house and enjoy parts of our city

I like to visit parks for family gatherings, and to walk the fitness trails.

To walk my dogs or even walk/run for exercise. Really enjoy the Wyoming Dog Park now and would live to have one even closer to my house to walk to and let them run around.

We mostly visit to walk in natural areas and play on playgrounds if available.

To get outdoors without having to leave to city

To get away from home for a while.

Not interested in what the park has to offer, feeling unsafe, dirty and not well maintained, inconvenient location and lack of parking.

We only visit to break up the day. Fall is our favorite time of the year to walk through the park.

We like to visit parks and did it more when our kids were little to let them play on the playground equipment - it would be fun to have paths to walk or jog in the summer and to snowshoe or cross country ski in the winter

I visit because it's close to the house

For the fun and fitness of it. Parks make it easier and handy for space when it comes to fitness.

Seldom, now no children to let loose and run any more. I do like to see kids have a safe place to play.

Love parks it's great for family time.

No real interest.

<tr>
<td>Socializing with friends</td>
<td>1/6/2018 11:01 AM</td>
</tr>
<tr>
<td>For exercise and taking my grandkids to have low key fun and interaction.</td>
<td>1/6/2018 9:33 AM</td>
</tr>
<tr>
<td>I avoid: off-leash dogs, parks without parking, graffiti and trash I enjoy: wildlife</td>
<td>1/6/2018 9:13 AM</td>
</tr>
<tr>
<td>We visit parks multiple times a week in Kentwood and Wyoming with our dog and daughter during the spring summer and fall. It's a great way to get outside and burn off some energy. We avoid certain parks in Grand Rapids because bums hang around and smoke/drink.</td>
<td>1/6/2018 9:12 AM</td>
</tr>
<tr>
<td>Maintenance issues, equipment for children not safe, not enough shade, not enough benches or seating, overcrowding.</td>
<td>1/6/2018 9:08 AM</td>
</tr>
<tr>
<td>I visit parks for walking, hiking, and family time. Lack of picnic table or shade would deter me. My favorite Wyoming parks are Lemery for the trail, Palmer for the playground, hiking, and shade, and we liked Ideal before the tornado. Duck ponds are always a plus too. Seating on a path and picnic tables should always be in shade.</td>
<td>1/6/2018 7:17 AM</td>
</tr>
<tr>
<td>I'm in the kid raising mode right now so I go for the playgrounds and I don't go as often as I'd like because I plan the trip so no one has to go to the bathroom.</td>
<td>1/6/2018 4:55 AM</td>
</tr>
<tr>
<td>I visit Palmer Park everyday. It is quiet, beautiful and a great place to walk my dogs and get exercise. When the gates are open in the spring and summer the litter gets a bit much. They have tons of signs regarding pets on leashes, but not one single sign regarding people throwing their trash on the ground.</td>
<td>1/5/2018 5:58 PM</td>
</tr>
<tr>
<td>Not dog friendly</td>
<td>1/5/2018 5:54 PM</td>
</tr>
<tr>
<td>Already stated</td>
<td>1/5/2018 4:52 PM</td>
</tr>
<tr>
<td>I don't visit if they are too deserted or there is no place attractive to walk.</td>
<td>1/5/2018 2:43 PM</td>
</tr>
<tr>
<td>I visit for outdoor time, activities. A good place to entertain children</td>
<td>1/5/2018 2:37 PM</td>
</tr>
<tr>
<td>Usually I don't go more often because I can't let my dog off the leash to run. My dog is the number one consideration for any park visit I make.</td>
<td>1/5/2018 1:38 PM</td>
</tr>
<tr>
<td>Sports. Kids stuff. I do</td>
<td>1/5/2018 1:05 PM</td>
</tr>
<tr>
<td>I like to visit parks for outdoor fun with my kids and dogs.</td>
<td>1/5/2018 1:01 PM</td>
</tr>
<tr>
<td>Relaxation</td>
<td>1/5/2018 10:34 AM</td>
</tr>
<tr>
<td>Parks are important for all to have access to. Especially with their dog. Thanks, Nikki, for all you do.</td>
<td>1/5/2018 10:24 AM</td>
</tr>
<tr>
<td>I visit parks as it is a way to let my child play outside and enjoy the weather as well as burn off energy. Its nice to be outside and not in front of a screen.</td>
<td>1/5/2018 10:03 AM</td>
</tr>
<tr>
<td>My kiddos like to play on playgrounds. I enjoy a quiet walk in nature.</td>
<td>1/4/2018 10:28 PM</td>
</tr>
<tr>
<td>I go to bring the dogs for exercise and some for me.</td>
<td>1/4/2018 9:42 PM</td>
</tr>
<tr>
<td>We take our dogs for walks. We are involved in geocaching and have found a lot of nice parks doing so.</td>
<td>1/4/2018 9:41 PM</td>
</tr>
<tr>
<td>Several reasons: - convenient location (It's in my backyard) - I love to run on the path - I have dogs and they love to frolic on the path and in the fields</td>
<td>1/4/2018 8:56 PM</td>
</tr>
<tr>
<td>I visit the parks so my kids can get some exercise and burn off excess energy. I hesitate to go sometimes because of the lack of restrooms and also the close proximity of the basketball court to the playground- the language used by adults on the court is not fit for young kids ears at times.</td>
<td>1/4/2018 8:31 PM</td>
</tr>
<tr>
<td>We visit parks for dog activity.</td>
<td>1/4/2018 8:26 PM</td>

</tr>
<tr>
<td>130</td>
<td>Please see above</td>
</tr>
<tr>
<td>131</td>
<td>No Parking, no shade, nothing to do other than have picnic</td>
</tr>
<tr>
<td>132</td>
<td>Time issues</td>
</tr>
<tr>
<td>133</td>
<td>activities I want to do are or aren't available; for example it would great to have a mountain bike trail in Wyoming rather that having to travel to north of GR or to Holland just to ride my bike; in Wyoming we are very fortunate to have Kent Trails and other paved paths, but I really feel there is a great opportunity to help keep people in our local parks with this offering</td>
</tr>
<tr>
<td>134</td>
<td>I cross country ski and take my dog to the dog park</td>
</tr>
<tr>
<td>135</td>
<td>Mostly to spend time outside with my children.</td>
</tr>
<tr>
<td>136</td>
<td>because kids get to distract themselves</td>
</tr>
<tr>
<td>137</td>
<td>I visit parks to commune with nature and to sing the song of life.</td>
</tr>
<tr>
<td>138</td>
<td>Better parks elsewhere</td>
</tr>
<tr>
<td>139</td>
<td>At this point, I take my daughter to play on the playground. However, she is getting older and that aspect of our family will be changing. I would love Gezon to develop into something other then the negative things that have happened there over the years.</td>
</tr>
<tr>
<td>140</td>
<td>Too packed and loud.</td>
</tr>
<tr>
<td>141</td>
<td>I visit parks to be outside in nature and have space to move around and &quot;have adventures&quot; with my grandkids.</td>
</tr>
<tr>
<td>142</td>
<td>We love Frog Hollow b/c it has easy, close parking and the play area is perfect for our kids and is safe. We'd love an alternative that has similar amenities. We visit parks for our kids to play, to have picnics, for social gatherings.</td>
</tr>
<tr>
<td>143</td>
<td>not enough to do for everyone</td>
</tr>
<tr>
<td>144</td>
<td>I visit to enjoy nature and engage my children in activities.</td>
</tr>
<tr>
<td>145</td>
<td>I love parks as a free way for my family to have fun in nature and in the community.</td>
</tr>
<tr>
<td>146</td>
<td>If there are too many sports or activities, it's too busy or loud.</td>
</tr>
<tr>
<td>147</td>
<td>My kids and my dog</td>
</tr>
<tr>
<td>148</td>

</tbody>
</table>
I visit parks for the solitude, fresh air and exercise, meet with friends/family. I think green areas are very important for stress reduction and to enjoy the outdoors.

To enjoy the outdoors

To get out for fresh air, run, take grandkids.

Solitude and view nature

I do. A lot. We choose the ones with the most variety.

Escape from home zone.

Bathrooms are number one. If they are not open or if I feel they are not safe, we cannot stay. I want to be honest about Gezon park. We have not visited since the incident where they found the dead body missing his head. We had actually visited the park just the day before the discovery. As a mom, I have visions of horror that my kids will find a severed head while playing at the park. In order to use that park again, I would need to know that the entire area had been excavated.

Goose poop. Lamar Park is always covered in it so I avoid that park.

I visit parks that offer a peaceful escape from the hustle and bustle of living and working in town.

Kids sporting events, playgrounds, sledding.

Because they don't have any fitness or bike related structure

To spend time outdoors with family

To get my daily dose of nature. Trail running, xc-skiing, hiking, biking, and kayaking are big hobbies of mine, and Wyoming city parks are only somewhat conducive for outdoor recreation-type activities right now.

Go elsewhere to do activities

If the park has nothing for the kids to play on we do not go.

Taking kids to play

I do go to E Grand Rapids and down by Ford Museau. Also go to Ada and Rockford. We enjoy the concerts. Do go to Lamar Park for the music but parking is poor and too many children running around and not being watched by parents.

I enjoy running and having destinations to take kids to when I'm babysitting. Trails for running are often great at parks and parks are often good places for kids to play.

Dog park

I visit parks to relax after work and see some green and wildlife, I also walk my dog. Its always nice to see children playing on the playground or families picnicing at the tables provided.

Many are closed and have gates throughout most of the year. Some have very few or uninteresting walking trails. Places like the old Buck Creek were extremely adventurous feeling and felt like an escape. Id love to see something like this brought back in Wyoming

To play with grandchildren, enjoy natural outdoors, walk, quiet space

Entertain grandchildren

I visit parks to enjoy nature and community.

a nice getaway from the daily grind, and simply enjoy life

Weather

When I'm in the area I visit to let my children burn off energy

Safety concerns

Because I have Gezon Park in my backyard and I have the ability to use it's trails as they currently exist.

To be out with my family in the summer

</tr>
<tr>
<td>291</td>
<td>I should visit more often, but I just don’t take the time.</td>
</tr>
<tr>
<td>292</td>
<td>It is nice to have the playground in the shade in the hot summer months. Also, with a 3 and 4 year old, bathrooms are a must!</td>
</tr>
<tr>
<td>293</td>
<td>Do: practice disc golf throws Don’t: if I can’t do it safely and there’s too much competition for space</td>
</tr>
<tr>
<td>294</td>
<td>I have two young children and often meet moms with other children as play dates for the kids at the park. I live in chateau estates and walk to Gezon park on most summer days. I just wished the one close to us offered stuff similar to frogs hallow park.</td>
</tr>
<tr>
<td>295</td>
<td>Na</td>
</tr>
<tr>
<td>296</td>
<td>No restrooms or not enough shade</td>
</tr>
<tr>
<td>297</td>
<td>They’re a waste of city funding. I find no use for them in my life. Nothing draws me to the parks. I find them to be not a safe space or accessible.</td>
</tr>
<tr>
<td>298</td>
<td>I visit parks to give my child variety from our backyard. So playgrounds and splash pads, swings, jungle gyms, slides etc... provide that. Because we will have either driven there or walked 15 minutes to get there, bathrooms would make it with the trip.</td>
</tr>
<tr>
<td>299</td>
<td>Lack of activities</td>
</tr>
<tr>
<td>300</td>
<td>I visit parks for fun and healthy alternatives for time spent with my grandchildren.</td>
</tr>
<tr>
<td>301</td>
<td>I don't like when they are crazy busy. Gezon park as it currently is has a nice balance. Green space to toss a football, play tag, run around but the trails are my favorite part. Would love to see an increase in variety of trees etc.</td>
</tr>
<tr>
<td>302</td>
<td>I don't like visiting parks alone - safety is a major concern...especially if homeless are living in the park.</td>
</tr>
<tr>
<td>303</td>
<td>Don't. Kids commitments take me to other parks for sporting events. I live very close to Kent Trails so I walk, run, bike there. Not in a Park. Limited free time.</td>
</tr>
<tr>
<td>304</td>
<td>It's great to exercise outside and see the great outdoors, from tiny birds to trees at sunset without being in a neighborhood. Children discover things in a park setting-from making friends for the day at the playground to how long a half mile walk really takes.</td>
</tr>
<tr>
<td>305</td>
<td>I don’t like going to parks if they are in secluded areas because it makes me nervous. However it would be very crazy if there were too many people and too many kids running around. I enjoy nature and landscaping would be appreciated too.</td>
</tr>
<tr>
<td>306</td>
<td>For relaxation</td>
</tr>
<tr>
<td>307</td>
<td>To play with my kids</td>
</tr>
<tr>
<td>308</td>
<td>Safety is sometimes an issue</td>
</tr>
<tr>
<td>309</td>
<td>I visit to walk with my husband &amp; get fresh air - a daily place to enjoy nature without driving a long way or just biking to the park to walk. Bike racks would be nice to safely lock our bikes.</td>
</tr>
<tr>
<td>310</td>
<td>N/q</td>
</tr>
<tr>
<td>311</td>
<td>I do because they are kid friendly, fun for multiple ages, and convenient. I don’t want them to be unkept, out of the way, with limited things to do.</td>
</tr>
<tr>
<td>312</td>
<td>It is a great place to bring my grandchildren to get exercise and be creative.</td>
</tr>
<tr>
<td>313</td>
<td>I visit parks because I love nature and being outdoors.</td>
</tr>
<tr>
<td>314</td>
<td>I avoid parks sometimes with no shade and ones that aren’t able to separate age groups adequately.</td>

99 / 124
Relaxation and to bring kids to play

I like to be able to let my dogs run and I am not aware of any parks in the area that allows this.

Kids are bored... it's free and entertains them. Or it's hot outside although mine are older and not into splash pads any more.

I use walking trails (Lemery) to teach and enjoy nature. Lamar for community events and family gatherings. Frog Hollow for safe playground, and Oriole Park for the splash pad.

For my children to play, for me to enjoy nature, to host gatherings

I do visit parks with the kids. But won't if it's too busy

Mountain biking and trail running

I visit parks to get out of the house to enjoy nature & other people and relax. I don't go to small parks where I must pay a fee (Tunnel Park, Oval Beach, etc.). I've already paid for visiting our wonderful State Parks.

Not enough walking trails...or disc golf

I visit parks to get out of the house to enjoy nature & other people and relax. I don't go to small parks where I must pay a fee (Tunnel Park, Oval Beach, etc.). I've already paid for visiting our wonderful State Parks.

I enjoy walking and nature

Like to have A safe place to walk. Play on play equipment with my grand daughter.

Biking

NA

I walk the dog and take grand children to parks.

no reason

N/A

For my kids to get out and play and enjoy a beautiful day outside.

I visit parks for exercise, to be outside away from cars and dog poop, and to take my child for new experiences.

For walking and reconnecting with nature.

Personal safety.

Don't know where they are

Nice outdoor areas for children to play

Mostly walking. Sporting events.

I do visit because of the options they provide, I don't because there are better options available elsewhere.

Relaxing/fun activities with grandkids.

</table>
I visit Gezon Park primarily for walking the trails/paths. This is my regular fitness routine. I enjoy the natural, unstructured green space.

Most parks are fun to be at, and enjoy. People being out of control and do not care about others or their actions.

Fresh air, walks, eating out, music in the park, biking, family gathering...

I don't visit parks if it is in dilapidated condition or there are unsavory people hanging around it.

We like to take our granddaughters to the park so they can play on the playground. We don't like to go in the hot sun, so covered or shaded seating would be nice. There is the frog hollow park by Metro hospital that we go to for that purpose so I don't think you need to duplicate that type of setting.

Accessible

Place to take the kids and dogs.

I love parks, especially ones to which I can walk, run or ride my bike. They're great for connecting with nature and spending quiet time with my husband without technology -- cell phones, laptops and TV.

I walk my dog in Oriole park almost every day in the spring/summer/fall

We love enjoying Michigan summers at parks. A great day will always bring us outside.

Most parks are visited based on the playground when I'm with kids. When mountain biking it's based on how good the trails are. Luton Park is a great example of an ideal trail system.

I visit parks for social gathering and kids and exercise

I visit parks so I can finally sit down and relax as a parent, and enjoy the fresh air, knowing my kids are having a great time, in a safe environment. I don't visit parks that are crowded, busy or noisy. That's one of the reasons our family has always enjoyed the playground at Gezon Park. It's generally very peaceful, and not overly busy or crowded, so the kids can play on the playground and parents don't have to do too much "policing."

I do visit parks with my class and family. I go for parties, fitness, and relaxation.

a time to relax and enjoy

Enjoy family time Get away from busyness

No activities

Lack of bathrooms

Love green spaces and opportunities to play.

I do for my kids and I don't because I don't have a whole lot of time by myself to enjoy them alone.

lighting in the evening and parking

If a park is dirty unkept or has old worn out facilities I tend to stay away.

Relaxation, entertainment for children, and fitness opportunities.

I do and enjoy the Wyoming park system.

Kids and softball.

PLace for fun

Take grandkids to play on playground equipment, have family fun, enjoy sitting in sun/shade, walk and get some exercise.

I visit parks when there are planned events or to play disc golf

Playgrounds, hiking and biking.

I visit parks mostly in the spring and summer to take my daughter to play

Walking paths are nice for when we go to the parks. If I don't feel safe I won't go

Parking, accessibility, swim area, picnic area. I don't visit parks that have dirty restrooms, litter, or lack of various activities.

</tbody>
</table>
Genoa Park is a bit desolate currently, and with the crime that occurred in that area, it doesn't feel safe for me to allow my kids to go there alone.

Exercise for me and the kids (whole family)

Go to parks often for the kids and to get exercise. Prefer the ones that have restrooms and both play structures and a walking path available, something for everyone.

I do for my kids, I don't when it lacks the things they are looking for- walking paths, basketball/soccer/playground and baby swings (kids range in age 1-12 years)

I visit Parks to enjoy the outdoors with others

We only visit the park for football season. We do not visit the park due to the lack of playground, splash pad or seating that is available. Currently it is viewed as open fields! Not useful to drive miles for open field.

I visit parks to relax and enjoy the sensory. A place to hang out play a outdoor game with friends and family and just enjoy nature. Things I won’t go to parks for. Supper busy, to close to traffic and lack of well maintained facility’s. I don’t feel safe walking around by myself. Or if the area has a high crime rate.

Too many people.

Parks are a very safe and comfortable way to enjoy the outdoors. We love being outdoors to relax and enjoy nature. That is why they are important to us.

Wyoming has very nice parks with playgrounds and splash pads that my kids enjoy.

relaxation. events

Buck creek nature preserve is KNOWN for shady/inappropriate activity. PLEASE don’t make another one of those.

I visit parks to get away. I don’t visit parks where I can’t enjoy solitude

I visit the park to walk my dog in a quiet, natural setting and to enjoy the wildlife. I would probably stop using the park if that was not maintained.

Family Time

I visit because of the conditions at the park.

always played in parks. Garfield Park is-was my favorite

A feeling of being unsafe at a few parks prevents me from visiting some.

To get outside

No shade, no parking, messy restrooms, too small or packed with people.

I visit for my grandchildren and occasionally sit in the sun to read a book.

Visit when can, but family schedule is difficult for all of us to be together at same time to go.

I visit with my daughter and/or my dog. I usually like to leave my toddler at the playground while I walk the loop with my dog.

I visit parks that have natural open spaces, trails, and playgrounds for my kids. Gezon has a good combination of both.

Peace of mind, exercise, to walk the dog, picnics, music

I love parks to walk and be outside in a nature scenic environment.

We do because we feel it's important to get our kids out of the house in fresh air and away from electronics.

I do visit parks all the time with my 9 children. We like to play on all kind of equipment for different ages. We like to eat lunch there sometimes. I am a photographer so I take lots of photos while at the park too.

I love to visit the parks. I like to people watch ! But also my husband is a softball ump, so I like to see some of the games ... without him knowing I am there ... haha.
545  I visit to hike

546  I like to be outdoors and enjoy nature. Michigan is such a wonderful place to have 4 distinct seasons to enjoy. I like to go to a park for family reunions where there is something for everyone and a place with a play ground for the children to enjoy and the adults can relax but still keep an eye on the kids.

547  I mainly visit to exercise

548  Not as many activities as other parks in the surrounding area

549  I take my kids or grandkids to socialize, have room to run, walk my dog.....to get out and enjoy the nice weather.

550  I don't visit parks because SPORTS have taken over. If you go to relax you can't find parking because of events. If you want to go and just relax and take in nature you can't because of the yelling and cheering of sports fans through the park. If they are adult games then you have to put up with people who are drinking and using fowl language in front of families and children.

551  I love taking my grandkids and dog to parks that offer the above. I usually stay away from parks that are solely or mostly focused on sports

552  We love to go in the summer for free fun. We love to be outside.

553  I was kicked off a field for practicing baseball with my son and his friends. Said I had to reserve and pay for the field. This makes me very angry towards Wyoming Parks and Rec. I tried to resolve but emails and phone calls went unanswered. I would love to support our parks but administrators need to change.

554  N/A

555  i do visit parks. like music in summer at Lamar Park. Park behind Metro hospital is a very nice park. Grandkids love it.

556  I do visit Lamar park. It has a nice balance. Pinery has too many people lingering around. Lack of lighting and safety, security.

557  I visit the park to coach soccer

558  We visit to get out and enjoy fresh air. But we want to stay safe at the same time.

559  If a park is close to me, such as Gezon Park, I will visit it. If it has good parking and easy access in and out is another bonus. It also can not be too secluded such as Ideal Park which sometimes makes me nervous.

560  Lack of things to do.

561  If I don't feel safe in it I don’t go!

562  Unwind, enjoy the outdoors and be part of a community.

563  pleasant surroundings like Lamar park and always something going on.

564  I visit it to get away from people.

565  If they are dirty not taken care of and not safe.

566  Activities and quality green space

567  if I feel unsafe ...I will leave the park ….this has happened twice at Oriole

568  Relax and kids play

569  Too many people. Not enough shade.

570  I do for lunch time exercise walks. water or a pond is important to see a few fish or reflect on life. so a walk around water is important if can be done with site

571  I enjoy the serenity of parks

572  I visit to walk and walk our dog. For a quiet place to enjoy nature.

573  Because of the crowds

574  I go to Pinery park weekly for the walking path with up to 10 friends. I also go to have a cook out a few times a year with family or friends.
575 Exercise and fresh air.

576 I visit parks for a safe place for my children to play.

577 Variation of activities!

578 When I was younger I used the basketball and softball facilities. It was very important at that time in my life. Mostly I ride a bicycle to parks. Ride through the park, take a break. Sit and relax.

579 Too dark and buggy

580 If they're group parties I won't go. Too hard to keep track of my little ones. Not enough natural spaces will discourage me from going too

581 I only attend the dog park. Other parks, I've been approached by men that are drunk and want "favors". I do not attend the parks because of this. I discourage my daughter from going to the parks as well.

582 I visit the parks with my grand children for a great place to play.

583 walking paths, playgrounds, events, splash pad

584 I do because I want my kids to be outdoors, socializing and enjoying themselves freely.

585 To walk the dog and appreciate the opportunity to experience a wee bit of quiet and reflection.

586 So kids can play with other kids

587 I visit parks to get out of the house, give my kid something to do, and have more contact with nature.

588 I love parks as they are a great escape from city life.

589 I visit for baseball games. I don't visit for the park regularly and some of that is a safety issue.

590 I just go to a different one that is better most of the time.

591 I do visit parks as often as possible and feel they are positive additions to a community

592 Unapproachable by foot, stroller or bicycle. EG. Too dangerous to cross busy street. Forced to ride bike in traffic to get there.

593 I visit for all that parks has to offer for elf and family alike.

594 Things we can do as a family

595 Time away from the "city". Place to ride/walk and get fresh air.

596 n/a

597 I have kids.

598 I visit the Wyoming parks (lemmery, kelloggsville, palmer, lamar) to play softball. I don't visit gezon as the fields are used by one entity and the use is limited

599 Something to do for the kids

600 We visit because we love nature, the trees, the flowers, the beautiful natural settings. We love to walk the paths and watch the kids run. We love to hear the cheers of sporting games in the distance but most of all it's a place where families can get together and there is something for everyone to enjoy doing.

601 Too many people, crowded

602 I don't really because it doesn't seem safe enough for me to be around there alone and I don't play on playgrounds but I would definitely be there if there was a dog park and I think a lot of people would use it.

603 I frequently visit Frog Hollow because of the playground options, containment and ease of accessing (plenty of parking close to the park).

604 I love gezon park and I want there every day. I know all of my neighbors feel the same way about leaving the walking trails in.

605 I visit parks because they're fun. They allow interaction with people you've never met or they allow you to just relax. You can bring your children to play or have a family/ community gathering.
606  Something fun to do and exercise for my children.
607  We visit them for family outings such as picnics, grilling out, playing frisbee, or just letting the kids run off steam.
608  I don't find them comfortable or useful.
609  I visit local parks for the trails to be able to get out and enjoy nature.
610  Too kid oriented.
611  I live bordering Gezon Park and love the trees and walking. It is very important. It needs to be used but not overrun with teenagers either. Or homeless!!
612  We do cost parks to run our dog (off leash) and walk / bike with or kids, play frisbee golf and tennis. My kids are older so they are past the splash-pad /playground phase.
613  If somebody's decapitated head was found nearby.
614  I like to visit parks for athletic purposes. I love having another place to run. While I don’t have children now, I look forward to bringing my future children to splash pads and places where they can play.
615  Kelloggsville and Ideal use to be favorites for my family. After being approached to purchase drugs, witness young men be cruel to the animals that live there and hearing of my neighbors being jumped and robbed is no longer a fun or safe place.
616  Bring my 3 year old daughter to play.
617  I love a bit of wild in the city.
618  Usually to meet friends.
619  I enjoy parks! Michigan summers are a great time to be outside with family and friends.
620  Lack of bathrooms keeps us from using the park as often as we would like. We have six kids. It is rare someone doesn’t need to go while we’re there :) But we still use it often. I walk to Starbucks through the park a lot, snow or sunshine.
621  I visit them for exercise and to take my granddaughter to play.
622  We visit parks to allow the kids and the dogs to play. To get outside and enjoy nature and to get exercise.
623  I love green.
624  Busy schedule.
625  If they had more activities for children I would visit more and a splash pad.
626  I just don’t make the time. Married adult with no children or family nearby. Parks seem to be a social gathering. Spouse and I are homebodies, not into sports or large gatherings. When we want to be outside and read or soak up the sun, we just use our backyard.
627  I bike through many & stop to rest, read. I like quiet spaces. I avoid parks with too many cars, kids, & toys. Sports parks should be separate and splash pads are over the top annoying.
628  I would visit more often if they included adult outdoor exercise equipment, whether it’s a simple track or actual equipment. Dog parks are also a great family activity.
629  For family, church, geocaching, and community events.
630  Great alternative, free, great meeting place.
631  For the most part we love visiting any park at least once. Sometimes if they are too busy it’s not as fun.
632  Family fun.
633  Running, spending time with my family, exercising.
634  I don’t have much free time and I don’t think to visit a park.
635  I don’t want to drive to get to one.
636 I visit parks to picnic, walk my dog, run, let my kids ride bikes or play. I like being able to hang my hammock and read a book. I am more likely to visit a park with lots of green space than one with lots of amenities.

637 I love parks, my family always loves to hang out at parks just because they are fun.

638 My kids and I always travel to splash pad parks in the summer to stay cool but also be able to run around so it’d be so nice to have something like that much closer, since the closest one now is about 20 minutes away. I have a 10 and 4 year old so also going somewhere where I know they both will have something fun to do. It has to have attractions for both my kids or else it won’t work out.

639 I go to them with my kids.

640 I visit parks for the trails mostly. I’ll go to Lamar for events. Love the trees at Pinery.

641 I visit parks that meet my needs. I don’t visit Gezon because of the bathroom situation and no clear walking paths. Long ago there were paths but that has changed through the years.

642 I like that you can meet up with people with common interests. A little shelter/gathering area for social stuff is nice.

643 House to not go to Gezon Park because of the murder that happened over there a few years ago. The only parking lot close to me you have to walk thru trees, the playground equipment is old.

644 We visit the parks so our kids can meet other kids. I also don’t visit because we have been there a number of times when young kids are unsupervised doing things they shouldn’t and I don’t need to be their parent too.

645 I have two active kids and we are always looking for open tennis courts and a safe place to ride our bikes.

646 I love to walk the path. Love to see people.

647 I like to visit parks that are more in tune to nature with lots of trails, landscaping.

648 I do visit to relax or exercise and enjoy time with family. I don’t generally visit to be involved with large social gatherings especially loud music.

649 I enjoy walking in parks or finding a quiet spot to read.

650 Walking

651 I visit parks so my son can play and so that I can exercise.

652 Generally parks with a lot of organized activities like splash pads, sports, fancy playground equipment become busy and loud. That is not what I am looking for in a park. I would rather have a quiet, natural space to get away from the busy suburban life.

653 I visit Gezon Park almost every day. I enjoy the exercise from walking and the peace of the natural setting. I would visit Gezon less if it was a lot of paved spaces and sport fields. Gezon is a natural gem, your updates should enhance those features rather than eliminate them.

654 Unsafe

655 I visit the ones that have wildlife and walking or biking paths and avoid playgrounds and sport areas.

656 Bring younger siblings to play on playground or soccer fields, or to run the trails.

657 I visit them to enjoy the landscaping and natural beauty… I would not have interest in visiting Gezon park in its current state.

658 I visit parks because they are safe to keep your children run around and bicycle on paths. I visit parks to take my kid to splash pads and beaches. To walk in nature and get away from the noise/rush of the city.

659 To relax

660 Proximity, kid friendly

661 We love the outdoors and going for walks with our younger children and enjoy the parks. Gezon is very close to our home and would love to visit more.

662 I visits parks to play sports.

</tr>
<tr>
<td>11</td>
<td>The city of Wyoming should provide more bike lanes incorporated into the city streets. Trails are nice, but bikes can be used for transportation too and riding on the current streets or sidewalks does not feel safe or welcomed by residents or city. Every increase in bike lanes will provide better economic development for the city as a whole.</td>
<td>1/9/2018 5:19 PM</td>

<tr>
<td>18</td>
<td>Thank you for putting together this survey. How can we enhance and protect Gezon Park's ecological services? This parks' value is calculated through cleaner air and water that improve public health and reduce infrastructure maintenance costs. Trees, shrubs and vegetation purify the air of gases, ozone, and pollutants that cause respiratory problems and corrode and damage buildings. A large group of Wyoming residents value tree canopies, grassy areas, and other green spaces in parks because they capture and filter rainwater, reducing the amount of oil, salt, and pollutants flowing from roads and lawns into nearby waterways. When combined with a network of strategically planned waterways, urban green spaces transport and store stormwater runoff that could otherwise overpower city sewer systems causing costly flood damage and environmental pollution. This expanding green infrastructure reduces the cost of managing urban stormwater by minimizing the need to build concrete pipes and holding tanks.</td>
<td>1/8/2018 9:30 PM</td>
</tr>
<tr>
<td>19</td>
<td>There are baseball, basketball, soccer fields, at most of the schools and only one dog park for about 65 percent of the house holds that have Family K-9 pets. I feel the city of Wyoming is big enough to have more than one or two dog parks.</td>

<td>Please do not level all of the natural habitat for birds, bees and butterflies. This is one of the last natural open spaces where some of this wildlife may cease to exist without. Please conserve the natural tree line between the residential properties and the walking trails. If you remove the trees from the back of my home you will not only damage the resale value of my home but will make me strongly consider leaving this city, never to return. I don't want a bunch of loud sports fields and tournaments behind my home. It would be ugly and offensive to everything I hold dear in my home. If you do that then people will use those courts as well to make huge loud messes with personal fireworks just like they do on the existing basketball court. It is only a matter of time before they do this after a drought and light the field on fire and kill wildlife. They disrupt wildlife by shooting loud bottle rockets into trees where nesting birds roost.</td>

</tr>
</tbody>
</table>
80 Its important to maintain green space, and avoid the pitfalls of developing every square inch of land in the city. Some park area should be enhanced to provide habitat for wildlife such as birds and butterflies to exist-- a garden containing plants and trees native to our area.

81 Jim

82 No

83 Save or create some quiet shady areas; don’t revert back to the huge flat field (from the farming days).

84 Please leave it alone! When you are walking the trails, it is so peaceful that you can imagine that you are not in the middle of the city. It is used by many people and it is just perfect on its current condition. If you make it accessible to large crowds, it will lose its appeal to the neighborhood surrounding it.

85 None

86 No development

87 no

88 Nice work.

89 An area for Festivals and cultural events should be created in the 28 West development.

90 A mountain bike structure will keep this park busy even during winter. The bikers will even groom the trails during this season

91 I think Wyoming would benefit greatly from a rebranding as a community that caters to outdoor recreation enthusiasts. We certainly have the natural features and park space to promote it; we just need to utilize these opportunities.

92 No

93 Can't wait to see what is done with Gezon Park!!

94 Splash pad would be great addition

95 No

96 Nope!

97 No

98 would not like to see alot of lighting as it is a great park to check out the sky at night. It is a nice park currently.

99 None

100 Safe natural setting - fitness and relaxation

101 Thank you

102 Mone

103 No

104 Even though I’m not a resident of Wyoming, I live very close by and visit your parks and businesses regularly. I’m grateful for the Park!

105 Love that the trails are mowed, they are always in great condition, thank you!

106 good work crowdsourcing opinions

107 No

108 Thank you!

109 N/A

110 Don't turn it into Pinery or Lamar.

111 Thank you.

112 thanks for taking a survey of what the community wants!

113 Can’t wait to bring my kids!!!

<td>I hope that you receive numerous responses to this survey and your decisions are based on what a large number of people want. If you don't receive a large response, I would like to see you continue to gather information (even if it adds time to this project) instead of moving forward to meet a deadline. It seems like making major redevelopment changes based on something a very small number of people responding say would not be an accurate representation of what people want, but instead a way to check a box on your to do list and keep moving forward.</td>

<tr>
<td>151</td>
<td>We live very near the park. If this continues to go forward we know it will make this area more busy. Along with being more busy it will create more trouble, that's a given. Leave what little natural space there is left in Wyoming alone. The people that want to have this park don't live nearby so they could care less if it's busy or not. We enjoy walking the paths just as they are. We find all sorts of little creatures that are nice to enjoy out in the &quot;woods&quot;. If this keeps going we're afraid taxes will go up too as there will be additional maintenance. Taxes are too high already. No more parks!!</td>

<td>229</td>
<td>Adding walking and/or bicycling paths that allow access from neighborhoods to parks are valuable to further park development. Ideally, these paths would NOT be alongside busy roads (e.g., NOT sidewalks) and would cross as few roads as possible. Routing them through open spaces whenever possible would be optimal.</td>
<td>12/27/2017 2:01 PM</td>

Do you really think we need another park in Wyoming?  | 12/27/2017 10:52 AM
---|---
A pool suitable for swim meets is something Wyoming lacks and REALLY needs.  | 12/27/2017 10:50 AM
I'm excited to see what happens at Gezon Park because I trust the Wyoming leaders to make the decisions it creating the best park possible.  | 12/27/2017 10:48 AM
Once the area is completed, make sure it has enough police presence to deter it from becoming the wrong type of hang out.  | 12/27/2017 10:42 AM
no, thank you!  | 12/27/2017 10:42 AM
Don't develop that which doesn't need developing. Leave it alone.  | 12/27/2017 10:41 AM
Well lite at nite and a closing time  | 12/27/2017 10:38 AM
sell entry bricks to help fund. a gateway of some sort maybe, several pavilions or gazebos for donors who wish to have one in a family name? and a playground for a donor with rubber padding not dirty bark  | 12/27/2017 10:26 AM
Thank You for asking me for my thoughts. : )  | 12/27/2017 10:21 AM
Merry Christmas.  | 12/27/2017 10:18 AM
Wyoming does a wonderful job at providing parks to their residents. Thank you  | 12/27/2017 10:16 AM
Nope  | 12/27/2017 10:14 AM
Millennium Park is a good example of how a park can accommodate a lot of uses for all generations. I also meet people there that travel to GR for a vacation that discover Millennium Park and spend the day. That park is a good example of an ambitious, well planned, long term development. It is alight to develop a plan that will have to be implemented over time. I also think the Meijer Garden concerts are popular enough that a smaller version for local bands and performers throughout the summer would be a great benefit to the people of Wyoming. Call with questions Matthew D. Buist 616-836-1534  | 12/27/2017 10:13 AM
We look forward to the changes!  | 12/27/2017 10:12 AM

Very happy to hear this park is being reconstructed. Its a nice park but please don't take the football practice from there.  | 12/27/2017 10:12 AM
So many parks in Wyoming seem to facilities that are underutilized such as ball fields and play areas that I wonder if changes in use policies and activities may increase usage without spending a lot of money on new construction.  | 12/27/2017 10:08 AM
If it was renovated and improved I would definitely go here instead.  | 12/27/2017 9:59 AM
Please enhance the Gezon park it has so much potential in a great area in Wyoming.  | 12/27/2017 9:51 AM
no  | 12/27/2017 9:50 AM
-  | 12/27/2017 9:49 AM
take money from the parks and use it for the city, so we don't have to pay an income tax. We are taxed enough already.  | 12/27/2017 9:47 AM
Nope.  | 12/27/2017 9:47 AM
no  | 12/27/2017 9:40 AM
I really think a dog park would be very good for this park and neighborhood.  | 12/27/2017 9:23 AM
We are moving this summer and will be much closer to Gezon so it would likely be our "go-to" park for our kids. We have very young children (ages: three, one, with one coming in February 2018), so the playground is the most important factor for me when looking at a park.  | 12/27/2017 9:14 AM
Thank hulu for asking for community input.  | 12/27/2017 9:12 AM
No.  | 12/27/2017 9:07 AM
