TEAM 21 is a partnership between local school districts and the City of Wyoming, providing after-school and summer programs that foster academic, social, and emotional growth.

## KEY ACCOMPLISHMENTS

We are celebrating our continued recognition for excellence by the Michigan Department of Education. This past year, TEAM 21 was again rated in the **top 15%** of over 250 programs statewide in a number of key areas, including:

**Attendance**—TEAM 21 remains a high-demand program in the community

**Recruitment**—TEAM 21 successfully identifies and serves students in need of academic support

**Results**—Participants in TEAM 21 show measurable improvement in core subject areas

## BY THE NUMBERS

**1,888** Unique Participants

**2,502** Volunteer Hours

**15** Schools Served
