

DUMPSTER POLICY

Dumpsters and other portable units should be placed in a driveway or yard.

When this is not possible, the Traffic Department may issue a dumpster permit allowing it to be placed in the street.

RESTRICTIONS

- Must not interfere with overhead utility wires
- Must not cause a vision or traffic obstruction
- May not be more than 10-feet wide
- Must be marked with reflective tape or barricades on each end

FEES

- There is no fee for a dumpster permit

Permits are granted for the minimum number of days possible, not typically to exceed one week.
