VEHICLE STORAGE

Many homes were built when most families had just one vehicle. Homes today may include an additional car, motor home, boat and other recreational vehicles. To keep our residential areas looking their best, please be thoughtful about vehicles.

- Park on a paved surface
- Perform vehicle repairs inside a garage
- Store inoperable or unlicensed vehicles in a garage
- Store recreational vehicles, boats, trailers, campers, etc. in the backyard. Call the Wyoming Building Inspections for special side yard rules.

Need help with lawn care or yard clean-up, but can’t afford paid service? Ask a family member, neighbor, church or call United Way at 211. You might find a volunteer to help you.

If you know a neighbor who needs assistance, perhaps you can help make the connection for that person.
SANITATION

Taking care of our trash properly is essential for good health, good looks and good neighborhoods.

What exactly is required?

- Store your trash in a trash container, out of sight of the front of your house.
- You may place the container at the curb the day before pickup; please remove it on pickup day.
- Pick up animal waste daily.

Need to find a company for trash pickup & recycling?

The Wyoming City Clerk’s office can provide a list of licensed companies.

Wyoming City Clerk’s Office
Phone: 530-7296

Most companies can also pick up large items for a reasonable fee.

LAWNS

Keeping grass cut and weeds trimmed can be a pleasure or a chore, but it’s necessary to keep neighborhoods looking good.

What exactly is required?

- Grass and weeds must be less than 12” high
- Shrubs and trees trimmed to keep sidewalks and streets clear.
- Dead or dying trees and shrubs are to be removed.

Questions about the rules?
Wyoming Building Inspections: 530-7285

The City of Wyoming provides a free drop-off site for leaves, grass clippings and branches at:

Wyoming Public Works
2660 Burlingame Ave.
Summer Hours:
Monday—Friday 7:30 am—7:30 pm
Saturday: 8:00 am—5 pm
Sunday: Closed

For information about fall curbside leaf pickup or to rent a leaf container (we will bring it to you): 530-7260

The beauty and charm of our neighborhoods are among Wyoming’s most precious assets. Keeping your house or business well maintained displays pride in your community, and adds to property values.

This guide offers tips and resources for three of the most important things you can do to keep Wyoming looking good!

- Keep lawns cut & weeds trimmed
- Store and dispose of junk & trash properly
- Know the rules for vehicle storage and parking

Share your ideas and projects to keep Wyoming “looking good”!
