Appeal #V140007

Applicant: Robert Jewell
Location: 2231 Porter St. S.W. (Zoned B-1)

Request: The petitioner has a non-conforming single family residence in this B-1 Local Business zoning district. The petitioner currently has one non-related boarder at the residence, which is allowable under Zoning Code Section 90-7 (1) under the definition of Family. The petitioner desires to rent an additional room to a second boarder, which would cause the residence under Zoning Code Section 90-3 to become a Boardinghouse. This use is not allowable under the B-1 Local Business use provisions of Zoning Code Section 90-336. The petitioner requests a use variance to allow a second non-related boarder on the premises. P.P. #41-17-10-155-004

Applicant: Universal Sign
Location: 651 – 50th St. S.W. (Zoned I-2)

Request: The petitioner desires to erect a wall sign of approximately 322 square feet on this industrial building under construction. Zoning Code Section 90-799 Primary Sign Requirements Nonresidential Districts limits such wall signs to a maximum of 100 square feet in this I-2 General Industrial District. The petitioner requests a variance of 222 feet of additional wall sign area. P.P. #41-17-25-300-043

Appeal #V140010

Applicant: First Companies
Location: 5811 Byron Center Ave. S.W. (Zoned PUD-1)

Request: The petitioner desires to construct a daycare center in the rear yard area of this property. The daycare site would be divided from the property and will not have frontage onto Byron Center Avenue and will not have direct driveway access to the street. Zoning Code Section 90-895 requires that daycare centers must front upon a major thoroughfare with direct access directly thereto. The petitioner requests a variance to waive these requirements.
